

# CHRISTMAS SHOPPING

**I**S A PLEASURE, mingled with difficulties and perplexities. "What shall I give?" is now perplexing the minds of many. We would suggest that a useful and substantial gift such as can be bought here would be doubly appreciated. You will find on this page many valuable suggestions that will doubtless enable you to determine what to give your friends and relatives. The difficulties of Christmas shopping can be materially lessened by coming out early in the week and avoiding the usual rush and jam that will increase with each succeeding day until Christmas. Then you can get better service and a better selection early in the week than it would be possible to get later. Our Christmas offerings on this page you will find of more than ordinary interest. You will find bargains here that are absolutely beyond the ability of any concern in the Territory to match. We say again shop early and don't fail to see our display of useful Xmas Gifts. .. ..
