THE TOM FRANKLIN NYE CO.

Manager Robison Has Secured Excellent Aggregation for Week.

Manager Robison of the Robison opera house certainly did a good thing when he booked Tom Franklin Nye and his merry company for next week, as they are certainly "kings of repertoire," each member of the company being an artist of ability. The plays produced by this company are new to our people and our exchanges speak very highly of them. Mr. Nye has had the reputation for the past seven years of carrying the best company that money could obtain. In speaking of them an Escanaba paper says "The lively company of repertoire artists occupying the boards of the opera house this week brings an enjoyable treat of a grand order for theatre-goers of this city. On Tuesday night they produced Mr. Nye's literary effort, Cuba's Vow, wherein he sustained the chief character. The support accorded him was strong throughout, while the specialties introduced "entre acte" gave much pleasure to and was evidently appreciated by the audience present.

"The story involved in this particular play betrays evidence on the part of its author, of the possession of humor similar to that with which the late 'Bill' Nye (of whom he is a relative) amused the American people. Just when is expected a pathetic situation comes a most humorous contretemps, but again, when least expected, happens an incident of pathos that appeals most strongly to the sentiment of the audience."

The prices are 15, 25, 35 cents, with ladies free Monday night.

By the Tonic Route.

The pills that act as tonic, and not as a drastic purge, are DeWitt's Little Early Risers. They cure Headache, Constipation, Biliousness, etc. Early Risers are small, easy to take, and easy to act—a safe pill. Mack Hamilton, hotel clerk at Valley City, N. D., says: "Two bottles cured me of chronic constipation." Sold by all Druggists.

A Chicago Alderman Owes His Election to Chamberlain's Cough Remedy.

"I can heartily and conscientiously recommend Chamberlain's Cough Remedy for affections of the throat and lungs," says Hon. John Kenrick, 220 Peoria St., Chicago. "Two years ago during a political campaign, I caught cold after being overheated, which irritated my throat and I was finally compelled to stop, as I could not speak aloud. In my extremity a friend advised me to use Chamberlain's Cough Remedy. I took two doses that afternoon and could not believe my senses when I found the next morning the inflammation had largely subsided. I took several doses that day, kept right on talking through the campaign and I thank this medicine that I won my seat in the council." This remedy is for sale by F. J. Ramsey, W. B. Frame, and Ardmore Drug Co.
