UNITED STATES COURT.

Special Jury Summoned in the Jamison and Barney Larceny Case.

In the Federal court Judge Timmons ordered a special venire of twenty-five talesmen from which to select a jury to try D. A. Jamison and Burt Barney, charged with the larceny of cattle. These are two of the men alleged to be implicated in the stealing of cattle in the vicinity of Tishomingo. Three of the defendants were once considered practically vanishing in their acquittal. Because of the overwhelming strength of the cases of the regular jurors, many of whom have the other parties before them, were ordered to return a new venire.

Following are the jurors selected from the panel this morning at 10 o'clock: Joe Hacker, J. M. Crowder, Frank Lafon, J. E. Carr, W. F. Hughes, J. A. Hughes, Ed. Hall, H. E. Wallace, J. A. Hughes, J. T. Rogers, T. J. Hughes and Ed. Hall.

The prosecution has been conducting a very effort to obtain a conviction in these cases and so far has been successful and feel that they will get all the men they want. The work of securing jurors all of the other cases was completed. The jury will probably secure the attention of the court for the rest of the week. There are a large number of witnesses.
