## A GREAT MASONIC TEMPLE

NOT THE ONE THAT SOLOMON BUILT-FITTING TO THIS AGE.

Magnificent Structure, the Greatest in the South est, Being Erented in Guthrie Where Masive Walls Arise With Apparent Ease.

Thereor, Ohla, Jan. 21-Wiles the addition to the Massile Temple is Enished Guthrie will have within Us-Books the largest, most beautiful stelantonantial arructure of stone, brisis and steel in the whole aunit/west.

Whenever this ancient order of trastreet of hobofunos hoodresthead transacforms a tank for duty it is always part feet in every detail and there is great display of grators on flourishof remedicalous In

Quarty and smalley they be their plans do the work, pay the cash and enjoy themselves happils throughout the proceedings and there is no bick ering or unpleasant manifestations of strife or of III will throughout and when the troic is finished. three we forth and do other good deeds.

This pleastle atructure goes stend Hy up, the first structures f stone to completed and the massive inner wallof stone are may feet in the air while the outer walls of light brick are rule ing day by day and at each end of the week the building is more beautiful than the week before and so the ful than the week before and so quietby is the labor performed, that it seems almost to rise without hands and yet myrlads of quiet workmen move about making every move count toward the consummation of their

When the work now in hand is completed the Temple will cover nearly a quarter black and the members of matrimonial chances if a nicce dethe order throughout the great South- pended upon what also was to gowest will have ample eause to be proud of their accomplishments and our office and said that his mother in they will have a home second to none has had just died and that he would - Jackson, Miss., dan. 24.-Informait located in their midst.
