PLOT AGAINST THE CZAR.

Conspiracy Accidentally Discovered by Russian Authorities—Said to Be the Freest Conspiracy Since 82 Years Ago.

London, May 13.—The Daily Telegraph's St. Petersburg correspondent reports the accidental discovery and foiling of the greatest terrorist plot since the 21st December riot, conspiracy eighty-two years ago. The correspondent says he has the sensational story from two reliable sources. According to these versions, no fewer than eighty conspirators resolved a couple of months ago to assassinate Emperor Nicholas, and plans were finally completed for carrying out the deed during Easter. The plotters included reserve officers and other officials and civilians whose loyalty heretofore has been undoubted. A large number of plotters, the correspondent says, was necessitated by the elaborate precautions adopted nowadays to protect imperial personages. The plan was to approach Tsarsko-Selo in distinct groups and then execute a sudden and daring attack on the palace. The first group, consisting of thirty-four men, arrived on the ground Friday, when from some unknown unknown snappers against them were roused, the whole thirty-four of them were arrested at Tsarsko-Selo, and documents found in their possession led to the apprehension of the other members of the band in St. Petersburg.

PATRIOTISM EVER PRESENT.

The Jamestown Exposition Welding Stronger the Bonds of Loyalty. Ardmoreite Special. Norfolk, Va., May 14.—There seems to be no end to conventions and special events scheduled and being scheduled for the Jamestown Exposition. Among the latest special events is one proposed by the Thomas Jefferson Association of the United States. This association proposes to hold a "Grand Reunion of the Descendants of the Signers of the Declaration of Independence" on July 4, for which event an elaborate program is to be prepared, including the reading of the Declaration of Independence by a lineal descendant of Thomas Jefferson, addresses by some of our most distinguished American citizens, music by a specially organized chorus of five hundred and several other interesting features.

It is intended that July 4 will be one of the most important and attractive days of the exposition.

In addition to the reunion and literary and musical features, it is probable that the military and naval forces assembled will take an important part.

Details will be rapidly perfected. The association asks the cooperation of all who are interested. Among the numerous essential things required for success is the name and address of "descendants" whom we specially desire to reach.

Communications upon the subject should be addressed to W. S. McKean, Ouray building, Washington, D. C.

A little Kodol taken occasionally, especially after eating, will relieve sour stomach, belching and heartburn. J. H. Jones of Newport, Tenn., says three bottles of Kodol cured him of dyspepsia. It is sold here by Hoffman Drug Co.

Consistency is a jewel that's missing from the diadem of many an earthly angel.

Mrs. S. Joyce, 180 Bullfinch St., Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Cure. It cured me of a severe case of kidney trouble of several years' standing. It certainly is a grand, good medicine and I heartily recommend it. Hoffman Drug Co. and City Drug Store."
