Insane From Liqueur. Under the heading "Insane from Liqueur," the American Issue, the official organ of the Anti-Saloon League of America, devotes half a column to the story of a man who drank intemperately and then mistreated his wife.

The story is "played up" as part of the argument in favor of prohibition, but as the man got his liquor in Rockland, Maine, and as Maine has had prohibition for seventy years, the argument seems to be a bit "thick."

After all, Admiral Evans must have been right when he said that the kind of whiskey sold in Maine did not make people drunk; it just made them crazy.

Dizziness, vertigo, (blind staggers) sallow complexion, flatulence are symptoms of a torpid liver. No one can feel well while the liver is inactive. HERBINE is a powerful liver stimulant. A dose or two will cause all bilious symptoms to disappear. Try it. Price 50c. Sold by Ringer Drug Company.

Where Dog Was Useful. "Why don't you get rid of that dog, son? He is useless and has no spirit." "He's a big help to me in the junk business, dad. Comes home early every lay with a kettle tied to his tail."—Louisville Courier Journal.

Restored to Good Health "I was sick for four years with stomach trouble," writes Mrs. Otto Gans, Zanesville, Ohio. "I lost weight and felt so weak that I almost gave up hope of being cured. A friend told me about Chamberlain's Tablets, and since using two bottles of them I have been a well woman." Obtainable everywhere.
