**POOLEVILLE NOTES**  
 Pooleville, Okla., June 3.—On Friday and Saturday evenings the pupils of the Pooleville school rendered two beautiful programs. All day crowded house. All day the girls and boys worked upon the stage, using flowers, hanging baskets until

the effect was very fine. A surprise was given the teachers in new curtains, and happiness radiated everywhere.  
 On Friday evening at an early hour autos, wagons, buggies and pedestrians began to arrive and when the soft strains of a violin filled the air with music it seemed to get into the children's acting, for never did they do so well. L. Y. Neaves was playing that violin, and long ago in the days of the civil war he was chief army bugler for his company, and perhaps some memory of those long past days put magic into his touch as the strains fell soft and low, filled with charming witchery.  
 The program opened with a few charming little one-act pieces by the lower grades, and closed with a comedy farce, "A Trick Dollar," and never did any dollar, combined with the coincidence that each man's happened to be called John, do more harm. Miss Gladys Dennis was charming as Marion, admirably supported by Miss Clare Herbert as Mrs. John Blyson. George Williams

was fine as John Blyson, while Virgil Harris as John Weatherall, made an ideal lover. Miss Dessie Thomas delighted the audience as Sally, the maid, and Chester Harris gave her fine support as John, the valet.  
 On the second evening the program closed with a play entitled "Out in the Streets."  
 Mrs. Roy Brady as leading lady showed great talent, both in her elocutionary work and the use of her beautiful voice. Dessie Hathaway as little Minnie seemed to forget herself in her part, and was charming. Misses Gladys Dennis and Dessie Thomas and Messrs. Virgil Harris (the two Virgils), George Williams and Charlie rendered admirable support.  
 Eighth grade diplomas have been won by Gladys Dennis, Charlie Lawson, John Harris and Gertie Maulden. Elmer Hathaway enjoyed the distinction of being the one pupil who had not missed a day during the two years he has attended, and every way his work is fine, he having made three grades in two years and re-

ceived his grades from the county on part of his eighth grade work.  
 On June 5 lightning struck and instantly killed Will Dickerson while on his way with his family to the cellar. Two little boys—a son and a nephew, were badly burned. Mrs. Dickerson collapsed. Mr. Dickerson was a valuable citizen and grief is felt by all over his tragic death. Funeral services were held on Monday, after which he was laid to his last rest in Pooleville cemetery.

 Teething babies always have a hard time of it when this process occurs in hot weather. They not only have to contend with painful gums but the stomach is disordered, bowels loose and the body uncomfortable. The best help you can give the little sufferer is MCGEE'S BABY ELIXIR. It corrects sour stomach, cools and quiets the bowels and helps digestion. Price 25c and 50c per bottle. Sold by Ringer Drug Co.

**Bowel Complaints in India.**  
 In a lecture at one of the Des Moines, Iowa, churches, a missionary from India told of going into the interior of India, where he was taken sick, that he had a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy with him and believed that it saved his life. This remedy is used successfully in India both as a preventive and cure for cholera. You may know from this that it can be depended upon for the milder forms of bowel complaint that occur in this country. Obtainable everywhere.
