It having been widely advertised under the caption of

"America ahead in Spool Cotton,"

that the Jury on Cotton textiles, yarns, and threads, at the Paris Exposition, decreed a Gold Medal and Grand Prize to the Williamite Linen Company for "Spool Cotton especially adapted for use on Sewing Machines," over all the great thread manufacturers of the world, we owe it as a duty to the public and to Messrs. J. & P. Coats to announce that

No Grand Prizes were decreed at Paris for Spool Cotton.

We are advised by cable of the following awards:

J. & P. COATS, GOLD MEDAL.

Williamite Linen Co., Silver Medal.

and we claim for the winners of the First Prize that, as they have established in Rhode Island the largest Spool Cotton Mills in the United States, where their Spool Cotton is manufactured through every process from the raw cotton to the finished spool, AMERICA, as represented by Messrs. J. & P. COATS, is still AHEAD IN SPOOL COTTON.

SPOOL COTTON is widely known in all sections for its superior Excellence in Machine and Hand Sewing. Their Mills at Newark, N.
