A COURT REPORT.

Mendelssohn's First Symphony.

When I entered the Argyll Rooms for the rehearsal of my symphony and found the whole orchestra assembled, and an audience of nearly 200, (mostly ladies, but quite strangers.)

Jews in Germany in the Last Century.

In the middle of the last century we find the Jews in Germany in the most oppressed condition; if it was no longer lawful to slay and plunder them in majorem Dei gloriam, yet they were on the other hand subjected "by State and justice" to every conceivable restriction.

A Busy Man.

John Rogers, the sculptor, is one of the busiest as well as the most popular of artists. Scarcely has he finished one of his inimitable groups, than he begins another with unabated zeal and vigor.

Origin of Water-Cure.

The originator of hydropathy, or the water cure, was a German peasant named Vincent Priessnitz, who certainly went through much tribulation before his theory was full developed.

No, You Can't Go In.

"Whither away, gentle youth?" said the gentleman in waiting at one of Princess Louise's receptions to an airy young Kanuck, who tried to insert himself amid the favored throng.

Remedies.

For Burns.—Strong, fresh, clear lime water mixed with as much linsed oil as it will cut; shake the bottle before applying; wrap the burn in cotton wadding.

Deodorizers.—A pail of clear water in a newly painted room will remove the sickly odor of paint. Coffee pounded in mortar and roasted on an iron plate, sugar burned on hot coals, and vinegar boiled with myrrh and sprinkled on the floor and furniture of the sick room are excellent deodorizers.

Light in the Sick Room.—Alpheus has been having a long spell of fever, and it was necessary to have a light burning all night in his room. We live out in the country, so no gas was accessible.

Agricultural and Domestic.

To Fricassee Eggs.—Take hard-boiled eggs and roll them in bread crumbs seasoned with salt and pepper and nutmeg, and fry them a delicate brown in butter.

Cure for Inflammatory Rheumatism.—Half an ounce of pulverized saltpetre put in half a pint of sweet oil; bathe the part affected, and a sound cure will speedily be effected.

To manufacture furniture polish take equal quantities of common wax, white wax, white soap, in the proportion of one ounce of each to a pint of water. Cut the above ingredients fine, and dissolve over a fire until well mingled.

Indian Pudding.—Stir into a pint of scalding milk Indian meal enough for a stiff batter; when cold add three eggs, one tablespoonful each of butter and molasses, one-half cup of flour, one tablespoonful of baking powder; flavor with cinnamon; to be eaten with a rich sauce.

Cocoanut Candy.—Grate the meat of a cocoanut, and having ready two pounds of finely-sifted sugar (white) and the beaten whites of two eggs, also, the milk of the nut, mix together and make into little cakes. In a short time the candy will be dry enough to eat, and I have always found it to be as good as if cooked.

"Now you Hamerican gents," said the master of ceremonies at Halifax to a party of American visitors, "before you are introduced to 'is excellency an' er 'ighness there's a few rules to be observed. Don't expectorate hon the carpet has you're in the 'abit of doing at 'ome, you know, and don't keep your 'ats on, as you halways do in Hamerica. And no revolvers nor bowie-knives is hallowed to be drawn in the presence of 'is excellency an' er royal 'ighness, which is what you're a-doing of in congress continually. An' you'll walk in forwards an' you won't think of shaking 'ands with 'er royal 'ighness nor even with 'is excellency; nor hof course you won't hadress 'im as 'old hoss' nor 'old sardine,' as hif you was a talkin' to you're president, you know. You simply bow an' assume a hattitude of reverence, so far as you know 'ow, and then retire backwards out of the royal presence."

Suet Pudding.—Four cups of flour, one cup chopped raisins, one cup of milk, one cup of chopped beef suet, one cup molasses, one teaspoonful soda; steam three hours. Eat with sauce.

CATARH

Of Ten Years' Duration. The Discharges Thick, Bloody, and of Foul Odor. Senses of Smell and Taste Wholly Gone. Entirely Cured by

SANFORD'S RADICAL CURE.

Messrs. Weeks & Potter: Gentlemen—I feel compelled to acknowledge to you the great benefit SANFORD'S RADICAL CURE has done to me. For ten years I have been afflicted with this loathsome disease, and especially in the winter time has it been most severe. The discharge has been thick and bloody, emitting a foul odor so bad that my presence in a room with others was very offensive to them. With all the medical treatment that I used, SANFORD'S RADICAL CURE I was not troubled with it at all. My sense of taste and smell, which were wholly gone, have now fully returned, and my general health is much improved. Yours, MELBOURNE H. FORD, Grand Rapids, Mich., Nov. 5, 1878.

LATER. Gentlemen: The package of SANFORD'S CURE arrived here to-night. I don't know what I should have done if it had not been for this remedy. I have tried Nasal Douches and everything else, and although I have been able to stop the offensive discharge, I have not been able to get rid of my sense of taste and smell until I tried SANFORD'S CURE. You can refer any one you choose to me, and I will cheerfully inform them in detail as to the benefit the remedy has done to me. Yours, MELBOURNE H. FORD, Grand Rapids, Mich., Nov. 12, 1878.

SANFORD'S RADICAL CURE

Not only promptly arrests the corroding discharges in Catarrh, but, by sympathetic action, it restores to sound health the organs surrounding the seat that have become affected by it, and exhibit any of the following affections:—
