## WAFFLES.

T. H. Watson, Chicago, is at the Sheridan.

L. L. Lamar of Minneapolis is in the city Tuesday.

But Winston returns to Fort Stevenson tomorrow, Sunday morning.

E. H. Bell a St. Paul business man is passing a few days in this city.

S. A. Williams, one of the Bismarck attorneys, returned from the east last evening.

D. R. Hevener, one of St. Paul's best commercial men arrived in this city Tuesday night.

J. H. Mulligan, representing the famous Royal Baking Powder Co., of N. Y., is at the Sheridan.

Geo. S. Fales and wife of Vermont, passed through Bismarck Wednesday en route to Deadwood.

Mrs. John Davidson, of Brainerd, wife of the popular freight agent of this city, is paying her husband a visit.

Geo. Elder has sold his interest in the station formerly owned by Hare & Elder to his partner, Mr. Hare, who continues in the business.

W. J. Ives, one of the largest dealers in buttes west of Chicago, arrived in Bismarck Wednesday night, where he intends to settle permanently.

W. F. Steel a wealthy farmer at the 14th Stang, is looking up unclaimed land in this vicinity with a view to becoming a citizen of Bismarck.

John A. Workman, of Boston, and formerly connected with the Northern Pacific pay department, was a passenger on Wednesday's incoming train.

Chas. Brown, the well known typo, left Bismarck for Minneapolis Thursday last, where he has obtained employment from the railroad company.

M. L. Marsh has his sample room, the old stand of James Emmons, fixed up in good style. It now presents the appearance of a metropolitan bar.

J. Austrian and U. S. Leopold of the Leopold & Austrian steamship line between Chicago and Duluth, are in the city in connection with their business.

A man by the name of M. Owens, of Wascosa, Minn., is either a dead beat or else left the Sheridan House March 8th, forgetting to "put up for his hash."

R. B. Owen, representing the hardware firm of Buhl, Ducharme & Co., of Detroit, Mich., has been in the city during the past week, and made many friends.

Arthur Linn, late editor of the Detroit Record has been appointed Postmaster at Mandan. Scrub your fist Linn, and then give us a shake.—Fargo Independent.

H. F. Douglas, post trader at Standing Rock, spent a few days in Bismarck this week. Harry has to come to this city every few weeks to play pool with the boys.

It is remarked by the Jamestown Alert that Maj. Sprague, the U. S. Paymaster, arrived from St. Paul on Saturday last and left immediately for Fort Totten to pay the troupees there.

Chas. Fisher with the rather indefinite affix of "M. D. 7th Cavalry," to his name registered at the Sheridan Wednesday. As there has been no Medical Director attached to the 7th, it is to be inferred that Charles is a Mule Driver.

Major James Guthrie Pitts, one of the heaviest property owners in Bismarck, one of the most princely of post traders before his retirement, and one of the most genial gentlemen alive, is in the city, cordially welcomed by every man who ever heard of him.

It is estimated by the Black Hills Times that the entire amount of gold (dug) in the world is seven billions of dollars at the United States coinage valuation, and that it might be contained in one block, seven-

teen feet high, twenty-eight feet wide and fifty-six feet long.

For the past two months, D. C. Basy, of St. Charles, Mo., has been sending for sample copies of the THE TRIBUNE. Wednesday he and another party arrived in this city with a large number of mules and horses. Thus does the THE TRIBUNE encourage immigration.

Mr. W. H. Learned will, on Monday evening, assume the leadership of the orchestra at Whitney's Opera House. Mr. Learned is a musician of high order, and in engaging him Mr. Whitney has secured a gentleman whose talents commend him to the musical world.

Lieut. F. Kisingbury, Eleventh Infantry, who has had a "fat" detail for some time as commandant of several Indian scouts at Standing Rock, is in the city visiting his many friends and on duty as inspector of flour purchased for the different agencies on the Upper Missouri.

Paymaster Edgerston of the Northern Pacific accompanied by Supt Towne arrived in this city Wednesday and proceeded to pay the road's employees. The pay car was taken down to the river to pay the men on the other side, and left for the east the next day, having caused much rejoicing by its brief visit.

Hotel keepers throughout the United States and Canada should beware of a man who registered at the Sheridan House March 8th, as he has a good supply of empty valises and dirty shirts. He is about twenty hands high with a brown mustache. He registered as Lew Mudge, and is probably now in the Hills. He was formerly employed as clerk for E. Frank, of St. Paul.

## The Only Way.

The only way to cure catarrh is by the use of a cleansing and healing lotion, applied to the inflamed and diseased membrane. Stuffs and fumigators, while affording temporary relief, irritate the affected parts and excite a more extended inflammation. Besides, no outward applications alone can cure catarrh. The disease originates in a vitiated state of the blood, and a thorough alterative course of treatment is necessary to remove it from the system. Dr. Sage's Catarrh Remedy has long been known as an efficient standard remedy for this disease, but, to insure a radical and permanent cure, it should be used in conjunction with Dr. Pierce's Golden Medical Discovery, the best vegetable alterative yet discovered. The Discovery cleanses the vitiated blood, while the Catarrh Remedy relays the inflammation and heals the diseased tissues.

## Dissolution Notice.

Notice is hereby given that the copartnership heretofore existing under the firm name of Hare & Elder is this day dissolved by mutual consent. Mr. Elder having sold his interest to Mr. Hare. JOSEPH HARE, GEO. W. ELDER.

## LIFE IN A BOTTLE.

The Most Valuable Medical Discovery Known to the World—No more use for Quinine, Calomel or Mineral Poisons—Life for the Blood, Strength for the Nerves, and Health for All.

## AN OPEN LETTER TO THE PUBLIC.

Believing that by cleansing the blood and building up the constitution was the only true way of banishing disease and being troubled with weakness of the lungs, catarrh, very much broken down in constitution, and after trying the best physicians and paying out my money for many kinds of medicines advertised without finding a permanent cure, I began doctoring myself, using medicines made from roots and herbs. I fortunately discovered a wonderful Bitters or Blood Cleanser, the first bottle of which gave me new life and vigor, and in time effected a permanent cure. I was free from catarrh, my lungs became strong and sound, being able to stand the most severe cold and exposure, and I have gained over thirty pounds in weight. Feeling confident that I had made a wonderful discovery in medicine, I prepared a quantity of the Root Bitters, and was in the habit of giving them away to sick friends and neighbors. I found the medicine effected the most wonderful cures of all diseases caused from humors or scrofula in the blood. Impudence, Bad Stomach, Weakness, Kidney Disease, Torpid Liver, &c., &c. The more of my discovery in this way spread from one person to another until I found myself called upon to supply patients with medicine far and wide, and I was induced to establish a laboratory for compounding and bottling the Root Bitters in large quantities, and I now devote all my time to this business.

I was at first backward in presenting either myself or discovery in this way to the public, not being a patent medicine man and with small capital, but I am getting bravely over that. Since I first advertised this medicine I have been crowded with orders from druggists and country dealers, and the hundreds of letters I have received from persons cured, prove the fact that no remedy ever did so much good in so short a time and had so much success as the Root Bitters. In fact, I am convinced that they will soon take the lead of all other medicines in use. Nearly one hundred retail druggists, right here at home in Cleveland, now sell Root Bitters, some of whom have already sold over one thousand bottles.

Root Bitters are strictly a medicinal preparation, such as was used in the good old days of our forefathers, when people were cured by simple roots or plants, and when calomel and other poisons of the mineral kingdom were unknown. They act strongly on the liver and kidneys, keep the bowels regular and build up the nervous system. They penetrate every part of the body, searching out and destroying all the impurities on the head to the feet, cleansing and strengthening the fountain springs of life, hence they must reach all diseases by purification and nourishment.

No matter what your feelings or symptoms are, what the disease or ailment is, use Root Bitters. Don't wait until you are sick, but if you only feel bad or miserable, use the Bitters at once. It may save your life.

Thousands of persons in all parts of the country are already using ROOT BITTERS. They have saved many lives of consumptives who had been given up by friends and physicians to die, and have permanently cured many old chronic cases of Catarrh, Scrofula, Rheumatism, Dyspepsia, and Skin Diseases, where all other treatments had failed. Are you troubled with sick headache, nervousness, dizziness, weakness, bad taste in the mouth, nervousness, and broken down in constitution? You will be cured if you take ROOT BITTERS. Have you humors and pimples on your face or skin? Nothing will give you such good health, strength, and beauty as ROOT BITTERS.

I know that jealous physicians will cry hubbub because my discovery cures so many of their patients, but I care not. It is now my desire and determination to place my ROOT BITTERS as fast as possible within the reach of all those suffering throughout the world. Sold by wholesale and retail druggists and country merchants, or sent by express on receipt of price, \$1.00 per bottle, or six bottles \$5.00. For certificates of wonderful cures, see my large circular around each bottle of medicine. Read and judge for yourself.

Ask your druggist or merchant for FRAZIER'S ROOT BITTERS, the great Blood Cleanser, and take no substitute he may recommend because he makes a larger profit.

W. F. FRAZIER, Discoverer,  
338 Superior St., Cleveland, O.
