

LOST IN THE BAD LANDS.

An Employee of the Keogh Mail Route Snow-Blind.

Considerable worry was experienced along the line of the Keogh mail route during the past week on account of the station keeper at Spring Rancho getting lost. A correspondent furnishes us with the following particulars: "Frank Evans, station keeper at Spring Rancho, five miles east of Knife river, took the place of Mr. Finch and drove east for him as far as Muddy Station. He left Muddy Monday morning the 26th ult. at seven o'clock for Spring station where driver Finch was to relieve him. Jack Nolan and J. McKenny left Muddy soon after and drove through the snow, following Evan's trail until about twelve o'clock and found themselves lost on the prairie. They were still on Evan's trail but retraced their steps and did not travel far before both men became snow-blind and wandered about not being able to make the road again until Wednesday afternoon when they arrived at Spring rancho. Nothing had been heard of Evans. The driver west had come east on his regular trip. Reaching Muddy station and finding no Evans there hurried back to Spring rancho. Thursday morning Finch started out horseback to look for Evans, the lost man, and Nolan came with the up driver to Knife river. Mr. Trux also took provisions and started out after some trace of Evans. Both men are still out."

Since the above was written the lost has been found. It seems Evans got snow-blind after being out but a few hours and did not recover his sight until after three days had expired when he found himself in the Bad Lands on the Hart river. He met some trappers on the river who kindly furnished him with provisions and directed him on his way to the Spring rancho station. He was out just seven days and had but four meals in that time, those being furnished by the trappers. An expedition in search of him started from Bismarck Monday but returned Tuesday with the good news of the missing man's safe arrival.

Extension Notes.

(Special Correspondence of The Tribune.)

A serious accident occurred to a laborer named Haley, who was working in an excavation in Donahoes contract. The bank caved in seriously injuring him. He is rapidly recovering under the careful treatment of Dr. Foster.

J. M. Carnahan, "Bad Land" Carney become lonesome and pines for the attraction of Bismarck. He engaged passage to the end of the track and will probably surprise his many friends by his arrival in Bismarck Wednesday.

S. C. Walker is making rapid progress with his work of late, it being supervised by Mr. McDougall. Some of the fills have about a thousand yards of dirt in them.

Mr. Bertrand, in the employ of H. A. Bruns & Co., is coming up with a stock of goods, and will open a store near Frite and Gillets Camp.

Bob McKee, a contractor is at work on his contract, and is rushing things lively. Some of the boys that spent the winter in Bismarck and Mandan are with Bob, improving their health and muscle, and doing well generally.

Commutore Newport, of the firm of Newport & Lee, wears a smile since he can see daylight through that cut. Prospects are that things will be very lively on the extension this summer, and every one is preparing to make the best of it.
