### MURDER CHARGE WILL BE FILED

A. M. BUCKINGHAM SHOT BY TIP WALKER AND DIES.

### QUARREL OVER HAY PRESS

Walker Also Held on Charge of Assault Upon Baxter Davis With Intent to Kill.

Perry, Okla., Oct. 8.—The preliminary hearing in the case of the Territory vs. Tip Walker, alias Black Bear Walker, terminated tonight at nine o'clock in the probate court. Walker was bound over on a charge of assault with intent to kill Baxter Davis.

A. M. Buckingham, the other party assaulted by Walker, died last night. The territory will dismiss the charge of assault upon Buckingham and file in lieu thereof a charge of murder. It is rumored that the defendant will waive examination on this charge and will go direct to the district court on an application for bail.

The trouble leading to the killing arose over a contention for the possession of a hay press, of which Davis was owner and Walker in possession. Buckingham was Davis' father-in-law and they, in company with several hired men, went to the scene of the trouble and attempted to remove the hay press over Walker's protest. All the parties were armed. Walker, however, did all the shooting, using a .38 caliber revolver. Davis was hit in the right shoulder and cheek. Buckingham received one shot through the leg and a second through the abdomen, the effect of the latter causing his death.

The trouble occurred last Tuesday in the Otter reservation, nine miles northwest of Perry. Walker's remains were this evening taken to Kansas for burial.

### "PORTO RICO, JR."

A Tulsa Horse that took the Money at Muskogee

PORTO RICO JUNIOR

In the racing feature of the Muskogee fair just ended, a Tulsa horse took the money. The horse is owned by Perry Johnson, of this city.

The racing program was first class, and the track was in as good condition as could be expected of a new track. Of the harness races, two colored men, Perry Johnson, of Tulsa, and James Pyles, of Muskogee, secured all honors. Mr. Johnson's string from Tulsa caused many eyes to open and pockets as well. In the trot on Tuesday, Porto Rico, an unmarked stallion, won the race easily. On Wednesday, Charlie Thomas, an unmarked bay gelding, also of Mr. Johnson's stable, won his race, with Lillie L., driven by her owner, James Pyles, an easy second. Thursday, in the first event, a half mile trot, with a purse of \$125, Charlie Thomas, the favorite, driven by Perry Johnson, took first, his time in the first heat being 1:22 1-4, and in the second 1:24. Lillie L., owned by James Pyles, was second, and Silver Harsh, owned by A. McAdams, an Indian, was third. In the second race Gold Coin, of Mr. Pyles' stable, won second money, the race being won by Lorenzo Coyner, owned by J. T. Kayes. Between the running races, Perry Johnson, upon request, drove his horse, Porto Rico, Jr., an exhibition half mile, making the circle in 1:09 1-2, and the last quarter in 34 seconds.

In the running races, the colored jockey, Charles Harper, won his share of the money, and was undoubtedly the best rider on the course. On Friday, Mr. Johnson started his roan mare, Lady Elgin, in the free for all pace, and secured second money. In the first heat, the generalship and experience of Mr. Johnson, who drove her, was vividly shown. Lady Elgin, a mile horse, was unable to get away from the wire as fast as her opponent, and when the quarter pole was reached, Lady Elgin was nearly an eighth of a mile in the rear, but in the next quarter, her remarkable speed and the skill of the

driver was shown. Lady Elgin closing up the gap and winning the heat by a head, amid the shouts and cheers from the spectators. In the next heat the mare was again left at the start but closed up the gap so rapidly that had it been 100 yards further, she would have won. The third race was a repetition of the second. A number of interesting events came off Saturday in which many notable horses were pitted against Johnson's animals, but the latter were too fast for them.

### LOST TEN TRIBES---CREEK INDIANS THINK THEY DESCENDED FROM ONE

Chickasha, Oct. 8.—The Indians are the most superstitious people on earth," said a man a few days ago, who had taught for years in a Creek Indian school. "They have myths and legends by the score. Some of them are as beautiful and picturesque as the legends of the old Greeks and Romans.

"I boarded five years with a Creek Indian who had been educated at Carlisle. He knew the Indian legends and used to tell them to me and his children as we sat around the fireplace of an evening. You know the Creeks have a legend that they are one of the lost ten tribes of Israel. This Indian was the son of a medicine man who was once great and powerful in the tribe. All his knowledge of Indian lore came from his father, the medicine man.

"He repeated the tales to me as his father had told them to him, except that the impressiveness of the Indian sorcerer with his long trailing robe and the fantastic and the weird surroundings of the Indian tepee on a lonely plain were absent. The elements must be in the right mood for

Won \$6,000 and a Banker for a Husband.

Louisville, Ky., Oct. 8.—A prettily rounded shoulder displayed before a jury in a damage case won for Miss Stalle R. Reschar last Christmas week a verdict of \$6,000 against the street railway company, and, although she did not know it at the time, also a husband, F. Sherwood Lloyd, a local banker. The marriage was celebrated here this week. Rev. D. F. Stafford performing the ceremony at his home.

Miss Reschar, who lived in Jeffersonville, was injured by a street car. She brought suit for damages, and when the case was tried displayed an injured shoulder as evidence. Her arm was also exhibited from the neck to the elbow. An area of about a foot on either side of the shoulder was also shown. The jury thought it well worth \$6,000 of the street car company's money. Among the interested spectators at the trial was Lloyd.

After visiting relatives in Irvington, Ky., the couple will return to Louisville to reside.

genuineness of the Creek faith and origin.

Many Bible students and ethnologists believe that the Indians of America are descendants of the "Lost Ten Tribes of Israel." These tribes wandered away from Palestine and were never again heard of. Some believe

that they wandered to the west shore of the Pacific and northward along it to the Behring Straits, which they crossed to Alaska and then wandered southward and were dispersed throughout America in the ages that followed.
