A Hint to Mothers of Growing Children

A Mild Laxative at Regular Intervals Will Prevent Constipation

Infant suffering from constipation.

It is a common thing to see a mother who is distressed because her child is suffering from constipation. This is a condition which is not only painful to the child but also a source of worry to the mother.

10-Story Building on Third Street

(Continued From Page One)

The foundation was completed yesterday and the building is now being erected on the site of the old building. The new building will be a 10-story structure and will be one of the finest buildings in the city.
