We Advise Your Selection From This Stock of New York's Best Coat Styles.

Among the leading designers this is known as a "Coat Season," which means that fashion insists upon the supreme style position for this outer garment. It also means a tremendous demand. We are assured of greater stocks and the fullest possible range of every new style—and all GOOD WOOLEN COATS.

Good woolen coats are not going to be so easily obtainable later, because the end of the present standing stocks in the hands of the cutters up of New York is in sight. That is why we advise your selection tomorrow, because we will then offer a collection of the most desirable cloths, many at prices based on values prevailing when our orders were placed months ago.

The major part of the fashion section will be devoted to the coat displays tomorrow. Prices range from—

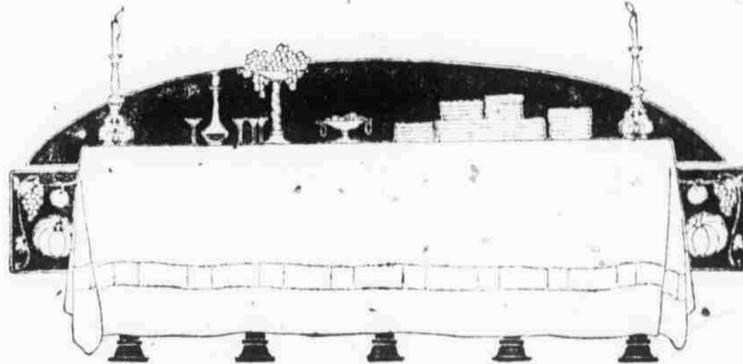

\$35.00 to \$250.00

DRESSES At Most Favorable Prices

Here is a collection of dresses from a designer of New York who has the knack of organization that results in his being able to be dollars less than others in his class—and a high class it is, too.

We always find his models are eagerly chosen, for his styles are clever and correct. Tomorrow's new collection is exceptionally good and much lower in price than similar frocks must ordinarily be sold for. They include serges, satins and a few velours; most of the wanted colors. Specially priced for Monday's selling—

Vandever's
109-111 So. MAIN

This is the very best time to buy linens, for many stores find it hard to secure even small stocks of standard linens and these varieties are by no means usual. Good linen buyers come to Vandever's for their Thanksgiving needs—that is because we have plenty of linens both in quality and quantity—for we do a big business in fine linens. We ask your attendance at this sale and exposition from a standpoint of the savings we offer.
