

QUICK ACTION IS WHY TULSA GOT ROAD COIN

Progressive Spirit and Not Wanting
to Lay County Landed \$600,000
for Better Highways

DAN PATTON TALKS ABOUT IT

Senator Davidson and Automobile
Association Given Liberal Share of
Credit for Achievement

How Tulsa county obtained federal aid for the construction of paved highways is a story which the outstanding fund secured by the county is a credit to the county. Senator Davidson and the Automobile Association have given a liberal share of credit for the achievement.

RETIRING CHIEF CHEMIST GUEST OF HIS ASSOCIATES

Dr. Charles K. Francis, chief chemist for the Coudens refinery, who is leaving to become chief chemist in charge of the refinery of the Transcontinental Oil and Refining company, was guest of honor at a banquet given at the Ketchum hotel last night by employees of the Coudens refinery and the refinery committee. Dr. Francis will have headquarters in Tulsa temporarily.

Among those present were: C. H. Pennermacher, W. Muller, manufacturing manager, Frank Hogen, superintendent, E. H. Keane, producing superintendent and W. E. Espey.

BIG ARMY PLANE IS AT MINEOLA FIELD

MINEOLA, La., July 26.—The big Martin bomber plane, which has just completed a non-stop flight from Dayton to Mineola field here, is being overhauled preparatory to starting a two-day flight to Seattle. Capt. Roy N. Francis, who made the trip from Dayton, will pilot the ship. The first stop is planned for North Platte, Neb., 1,500 miles from Mineola. The next stop will be San Francisco, 1,215 miles farther. The plane is driven by two Liberty motors of the horsepower each and carries 216 gallons of gasoline, giving her a cruising radius of 1,500 miles.

FUNERAL OF I. B. RICKEY TO BE HELD TOMORROW

The funeral of I. B. Rickey, one of Tulsa's pioneer citizens, who died yesterday, will be held at his home, 427 South Evans, Monday morning at 9:30. Mr. Rickey moved to Tulsa early in 1902 when Tulsa was a mere village. He had traveled extensively throughout the west and was great possibilities ahead for the city. Mr. Rickey resided in Tulsa for many years.

NEED WELFARE BOARD TO FOLLOW UP CLINIC

J. E. Young, United States medical service agent, who has been in Tulsa for the last week investigating the local health clinic and just tonight the only thing Tulsa now needs to carry out its health program is a welfare board to follow up the work of the clinic.

"The clinic is doing all that could be expected of it," Young said, "but unless some kind of follow up work is done, the curing of patients will be slow. There are hundreds of young men and women in Tulsa who are being treated at the clinic now who should be watched and taken care of after they are released or else they will go right back into vice again and contract disease to be spread over the city. Other cities without the facilities which Tulsa has are managing to keep the public health extended by means of a welfare board and a

LITTLE FIVE FIXES TERMS FOR BULGARS

PARIS, July 26.—With the Bulgarian peace delegates here, the "little five" met this morning to speed up the completion of the treaty which the Bulgars must sign. It is understood that the only important question upon which the allied negotiators have not agreed with regard to Bulgaria's southern frontier.

All Through Tulsa You Will See Vacant Property

The scene above represents a year change—are you going to continue on paying rent, month after month, without anything but your rent receipts to show for where the money went, or are you going to sit down and start your plans for that home that you have longed and wished for for years and years. Action is what wins the case and you absolutely cannot have your home for winter's use unless you start now. We can furnish all the lumber, the cement, the builder's hardware, sewer pipe and roofing.

In fact, we can give you some very fine details on how you can save money on your home. Call and let's talk the matter over.
