In this Annual Sale of Linens we have established several things that result in bringing us a large linen business each year—

People like good linens—and that is what they always get in these sales, for we have established a standard, and they know it and are never disappointed.

Then we have large assortments and quantities of these good lines—they know that they are not to be offered a jumble of "job linens," as cheap linens are called in the low end trade. And through all this sale are savings that have profitably filled our customers' linen closets in past years, and will fill and replenish even more this year.

You will do well to attend this sale Monday.

Fine Linens by the yard, Pattern and Lunch Cloths, Napkins, Rich Maderia Embroidered Linens, Linen Sheeting and Tubing, Crash and Linen Huck Toweling—all are offered at savings that average 20%.
