FIND COUNTY JAIL REEKING IN FILTH

Mrs. Sturgeon, Health Inspector, and P. L. Long Disery Conditions.

'VERMIN EVERYWHERE'

Called "Worst Disease Breeding Place in State," but Sheriff's Kitchen Clean.

"Filth and vermin everywhere," was the expression of Mrs. T. H. Sturgeon, state health inspector, after she had inspected the county jail and courthouse yesterday morning.

"I have inspected hundreds of jails in the last few years," she said, "but the county jail here is the worst jail I was ever in."

Mrs. Sturgeon is here this week inspecting restaurants, hospitals, drug stores and other public places.

The beds in the county jail are full of filth, said Mrs. Sturgeon. "The mattresses are torn and ragged and are breeding places for lice and other vermin."

There were three boys who told her that they had had the toothache for three weeks. "They would let us see a doctor," the boys said.

Another young fellow had one arm full of small shot. "I have asked for a physician several times," he said, "but they refuse to let me see one."

Another boy, who was a case of skin disease, declared that he came into the jail with a small cut on one arm and that he refused to let him have medical attention when it became a sore.

There were more than 12 cases of venereal disease in the jail and nothing is being done for them, Mr. Long declared.

MORE LEADERS ARRIVING

Marsh Reaches Frisco—Manager for Governor Cox Due There Last Night.

FRENCH LICK, Ind., June 16.—Democratic party leaders in conference here, candidates on platform planks to be presented to the national convention in San Francisco predicted today that a hot skirmish would result if William J. Bryan attempted to insert a "bone dry" declaration in the resolutions.

The conference here will probably end Friday and the leaders will move on to Chicago, where they expect to hold further sessions before leaving for San Francisco.

Gov. Alfred E. Smith and Charles F. Murphy of New York said today they would be in Chicago Saturday and would probably leave for the west Sunday.

The New York leaders, it is understood, have not reached a decision on a candidate, but favored by their support, Governor Smith, it is said, will receive the complimentary vote of the New York delegates on the first ballot.

(By International News Service.) SAN FRANCISCO, June 16.—The long list of democratic presidential possibilities was less by one today, after the convention of Vice President Thomas H. Marshall and the name scratched from the list was his own.

"I wouldn't accept the nomination if it was to be handed to me on a silver platter," he declared emphatically today before leaving for Monterey, where he will spend several days resting before the convention.

"I have some kind, generous and foolish friends who have mentioned me for this," he said in disposing of rumors that his name was to go before the convention.

Next in importance to the practical elimination of Vice President Marshall from the active campaign launched here today in behalf of Governor Edward I. Edwards of New Jersey.

Alvan O. Devlin, representing the National Personal Liberty league, opened headquarters in behalf of Edwards' candidacy.

Both republicans and democrats pledged to work in Edwards' behalf. Indications were today that if the democrats were to elect a presidential candidate they will turn to Governor Cox of Ohio, rather than to Edwards.

Cox succeeded in carrying Ohio and the national platform committee, arrived here today and joined other leaders in completing arrangements for the party's national convention opening here on June 28.

The latest clue is that a woman was connected with the murder and detectives were sent to Lexington, Ky., to make arrests.

SELF-DEFENSE CLAIM

Robert Meads Later Arrested Says He Shot in Own Defense—Not Supported.

HANOVER, N. H., June 16.—A student quarrel over whisky early today resulted in the killing of Henry E. Maroney of Medford, Mass., a senior at Dartmouth college, and the arrest of Robert T. Meads of La Grange, Ill., a junior, charged with the murder.

Meads fled after the shooting at Maroney's room in the Theta Delta Chi fraternity house. While a posse of students searched for him, he walked 12 miles to Massena station and boarded a train for Boston.

Meads was captured on the train by Sheriff Murray, who took from him an automatic pistol, and obtained a confession in which Meads claimed he fired in self-defense.

When arraigned on the murder charge, Meads waived examination and was held without bail for September in the county jail at Woodville. He answered that his defense would be directed by his father, A. R. Meads of Chicago, who is an attorney.

Meads claim that he acted in self-defense was not supported by details given by others. Early statement returned by Meads against four local wholesale grocery houses for violation of the terms of the Lever act, the indictments charging that defendants sold sugar at prices which brought an unreasonable profit. There were four true bills returned, with an aggregate of 12 counts.

The indictments were returned against the Reynolds-Davis Grocery company, four counts, one each for four separate transactions; W. J. Echols, doing business as the W. J. Echols Grocery company, four counts, for four separate transactions; Brown-Hinton Wholesale Grocery, one count, for one transaction; J. Foster & Co., three counts, for three separate transactions.

SEND INVITATIONS FOR CONFERENCES

Decision Is Reached at Session With Ohio Bull Moose.

Nominee to Reveal Stand on Questions Held Uppermost by Progressive Leaders.

IN SESSION WITH LODGE

Platform and Campaign Is Considered—Intends to Get All Party Views.

By The Associated Press. WASHINGTON, June 16.—Plans for bringing Senator Harding, the republican presidential nominee, closer touch with party leaders, particularly those of the progressive wing, were discussed today at a conference between the senator, Walter F. Brown of Toledo, his floor manager at the Chicago convention.

The conference, it is understood, resulted in a decision to send invitations to a number of prominent progressives asking them to meet with the republican nominee to discuss the present situation and the coming campaign. The list of those to be invited will not be made public at present.

Friends of Senator Harding said tonight that the proposed conference would be held before the nominee's formal notification, which is sometime after July 15. The senator, it was said, hopes to utilize the views expressed by party leaders in the preparation of his speech of acceptance. While some of the meetings may be held before Mr. Harding leaves Washington Monday, the greater portion are expected to take place while he is on his planned vacation.

Led Roosevelt Fight. The visit of Mr. Brown today was regarded by political observers as significant. In 1912 he was chairman of the Ohio state progressive committee, and was active in the campaign for Theodore Roosevelt. He was a delegate to the recent Chicago convention and after the defeat in the state primary of Harry M. Daugherty of Columbus, the senator's campaign manager, as a delegate-at-large, was selected as Mr. Harding's floor manager.

"I will be behind Senator Harding," Mr. Brown said after leaving the senator. Indication that Mr. Harding intends to ascertain the views of all leaders in the party was contained in his announcement today of a conference last night attended by Senator Lodge, republican senate leader, and George C. Connelley, Fall of New Mexico and Shoot of Utah. This meeting at which the republican platform was discussed is expected to be the forerunner of many similar informal meetings.

The candidate made public a letter CONTINUED ON PAGE FIVE.

ONE DEAD IN HOLDUP

Robbers Fail in Attempt to Rob Chicago Bank—Policeman Wounded in Fight.

CHICAGO, June 16.—In a spectacular pistol battle during an attempt to rob the Dresel Commercial and Savings bank here today, five bandits were driven off after shooting and killing A. D. Rouillard, a moving picture theater proprietor and the wounding of policeman Fred Brunke, whose courage in resisting the robbers prevented accomplishment of the robbery.

As the bandits entered the bank and drew their pistols, policeman Brunke opened fire on them and Rouillard, who had entered the bank to make a deposit, attempted to grapple with the robber nearest him.

A fusillade of shots came from the bandits, Brunke and Rouillard going down under the volley. The latter was killed instantly. Then the bandits ran to the street and fled in an automobile, pursued by motorcycle policemen who fired their pistols over the handbars of their speeding cycles. Emergency calls were sent to police stations throughout the city and within a few minutes 100 men mounted on motorcycles followed the bullet creaked trail of the robbers.
