

Fearing Police, Irish Sleep in Cemeteries

WASHINGTON, Dec. 23.—Many persons in Ireland are sleeping in grave yards, fearful of raids conducted by the military, according to the testimony of Miss Myrtle Mohan today before the American commission investigating conditions in Ireland.

They even sleep in the grave yards during rain storms," Miss Mohan said.

CRANE CAN'T PAY ALIMONY

Millionaire Unable to Raise \$100,000 Awarded Wife.

CHICAGO, Dec. 23.—Payment of the \$100,000 settlement awarded Mrs. Elida Pira Crane in her divorce suit against Herbert P. Crane, millionaire manufacturer of St. Charles, Ill., has been held up, it became known today following a conference of attorneys representing both sides because Crane was unable to raise the major portion of the money.

A check for \$30,000 was turned over last Thursday and when the decree was granted it was agreed that the \$100,000 was to have been paid within 30 days.

Quick Heat Retains the Flavor

Have you ever noticed how the natural flavor of a fine steak is retained when broiled under a gas flame?

The same method is used when toasting Breakfast De Luxe coffee. The rich, mellow aroma for which Breakfast De Luxe is famous is toasted in the berry by our gas-heated drums.

Nothing more stimulating or enjoyable than a steaming cup of this fragrant coffee. Make it as you always have made your coffee—in the percolator—in a drip pot, or boiled coffee in a pot—it is always the same good coffee.

Valuable coupons in every package—begin saving them today—insist in your grocer sending you Breakfast De Luxe—order by name.
