

CHURCH REVIVALS A LENTEN FEATURE

Evangelistic Services Are Being Held in Nearly All Pastorates

MOOD IS RECEPTIVE

Local Preachers in Most Instances Are Conducting the Services

To pre-Easter evangelistic services, activities in local Protestant churches are being coordinated and the entire membership of each church has been asked to set everything aside and concentrate their time, prayers and efforts upon that which is after all the great aim and object of Christianity.

to bring men, women, boys and girls into the kingdom. This spring's revivals seem to have met an unusually receptive mood, for though the majority of the services have been in progress only a week, good attendance and interest and many conversions and additions to the church are reported. Local preachers are in most cases doing their own preaching, with special notes provided by pastors or choruses. In some churches the revivals, which were preceded by cottage prayer meetings in the congregation, are now being accompanied by similar meetings. "Old Time Religion" at First Presbyterian. Rev. Oscar Lowery is preaching the "old-time religion" at the First Presbyterian church and a men's chorus directed by Rev. W. P. Jarvis of Buffalo Mission church, is leading the music. Services are being held each evening, with occasional day cottage prayer meetings. Rev. C. W. Key is conducting a training class in Christian beliefs and Presbyterian doctrine for an hour at 10:30 o'clock each Saturday morning. The class membership of 25 is evenly divided between the sexes. Easter Sunday will be church holding day. Reverend Abel on the Job With Usual Fire. Rev. J. W. Abel is conducting pre-Easter services at the First Metho-

dist church with his accustomed fire. An attendance contest among the membership has aided in filling the auditorium. Rev. W. H. Murphy, Jr., is his own evangelist at the Second Presbyterian church, whence came excellent revival reports. At the Great Memorial church Rev. O. E. Clark, Wichita district evangelist, is in charge. At Niagara Avenue Baptist church Rev. W. A. Todd, the pastor, is conducting the preaching part of the revival and Rev. P. A. Stockton of Aurora, Mo., the music, while the congregation is co-operating enthusiastically, in part through prayer meetings. At Grace M. E. church, Rev. Jm. Crabtree is leading the services, which are to continue until Easter Sunday. Prepare for Services Week Before Easter. Preparation for revival services for the week before Easter is being made by four churches. Members of the First Christian church will further prepare for their services at cottage prayer meetings Tuesday, Thursday and Friday evenings of this week and at church night Wednesday. Rev. H. A. Abbott, editor of the Christian Evangelist, will be in charge. Rev. Albert H. Clarke, pastor of the College Hill Community church, and Rev. S. H. Kaufman of the First Lutheran

church, have announced revivals for the seven days preceding Easter. For speakers at the revival beginning at the First Baptist church Sunday, March 20, the Business Men's Bible class, which will be in charge, has secured Dr. W. D. Powell of Louisville, Ky., a former foreign missionary and father of Paul Powell, general secretary of the local church. Ira T. Parker, class chorister, will lead the song service and is training a double male quartet. The class is arranging for Doctor Powell to hold noon services in downtown establishments frequented by men. City Briefs. C. A. BURRITT of the Mason studio, has returned from Kansas City, where he went to attend the convention of the Missouri Photographers association, which was held in that city during the past week. MARRIAGE LICENSES were issued to the following Saturday by the clerk of county court: William E. Brown, 28, and Eva L. Bumblefield, 19; Julia, William C. Polak, 25, and Cynthia Pancher, 18; Tulsa; Orville L. Kaufman, 27, Pawhuska; and Helen Hoyle, 27, Greenfield; Mrs. Jesse A. Wheeler, 21, and Lila

George Pond, messenger boy for the Baker Drug company, was slightly injured yesterday morning when he lost control of a bicycle on which he was riding and ran into a Hating Mill work truck, at Second and Cincinnati. The truck was loaded with long lumber, which protruded several feet beyond the rear end of the truck. The boy ran into this lumber and was thrown violently to the pavement.
