Half-Minute Store Talk

Up in Detroit is a firm with the same ideals as we have. They've expressed them so conclusty and clearly that we repeat what they say. "We're lust trying to be the sort of people you like to deal with. Refined but "regular," high-class but unit "high-brow," up-to-date but not "up-stage," progressive in our methods but not "aggreesive" in our menhere. Telling the truth not only because it pays, but because we like it. Selling outlify not only because we like it, but because it pays. Eunning a men's store in a way that makes man come back here year after year."

Stratford Clothes

Surprising Values in Suits and Overcoats

We're surprising old friends and making new friends this season by the great values we've provided at \$35, \$40 and \$45. No other store could do it, for no other concern in Oklahoma sells so much men's clothing as we do. Four great stores give us an outlet and buying power that makes our values supreme, every day in the year.

See the fall suits and overcoats here now at these three prices and you'll see why we sell so many of them. All the new styles and good fabrics are represented.

Gaberdines and Topcoats

You always have use for a good gaberdine or topcoat. Rain or shine, cool or cold, you need something lighter in weight than heavy overcoat. Here's some that we think are unusual values at \$30, \$35 and \$40.

New Young Men's Styles

Style-wise young fellows—and that includes nearly all of them—know that Stratford clothes have the smartness that marks them up-to-the-minute. Here's a vast array of them in the best of the new suit and overcoat models at \$45 up. Fabrics are as exclusive and smart as the styles.

Fall Hats, \$5

Better styles, better quality, better fit and better looks in these new \$5 hats than you'd think possible. See them.

New Sweaters

Gold sweaters, heavy sweaters, sweater vests and many other new and popular styles here in all the fall shades at \$5.85 up.

Women's Hosiery

Women's Gordon and other fine hosiery in silk and wool, plain, ribbed or drop-stitch or in all silk at \$1.95, \$2.65 and up.
