auditorium where the exercises of the day were completed. Here the "boys in blue" heard the assembly call as in days of long ago. But they heard it as citizens seeking to perpetuate that for which they fought and not as a part of the stern realities of war.

The Unknown Dead. The address to the unknown dead was delivered by Rev. A. F. Feilhard. He portrayed in eloquent words the scenes when men fell in front of the battle line, when the leaden hall of death swept the field like withering blasts and when men died by scores.

Decorating the Monument. The ceremony of decorating the monument was conducted by Post Commander Peck, Master Bernard Clifford recited "Old Glory," and Adjutant Pierce "The Stolen Stars." Dr. Montgomery's Talk. The principal address of the day was delivered by Dr. James S. Montgomery of Minneapolis.

The beautiful and impressive ceremonies of Memorial day were observed in this city, the services being in charge of Willis A. Gorman post G. A. R., assisted by the W. R. C. and the Grand Forks squad of the North Dakota national guard.

W. D. KELL FOUND GUILTY

Former Grand Forks Girl Was Plaintiff Against a Williston Auctioneer

A special to the Evening Times from Williston today is to the effect that the jury in the case of W. D. Kell, the Williston auctioneer who was charged by Miss Marguerite McCullough, a former resident of Grand Forks, with rape, found him guilty. Sentence will be given this week.

kept her a prisoner several days while they were making a trip through McKenzie county. Kell was arrested at Schafer on a charge of horse stealing and at that time the girl's story came out. An appeal to the supreme court will very likely be taken.

Head note: The big pompadours and mass of curls are going out; the style now is for a girl to wear her hair on the back of her head, projecting out so far that she has to turn a corner as cautiously as a wagon hauling a telegraph pole.

MUST BRING FORTH GOOD FRUIT OR DIE

Says Rev. F. E. R. Miller to Seniors of the Grand Forks High School

Sunday morning at the Baptist church, Rev. F. E. R. Miller delivered the baccalaureate sermon to the members of the senior class of the Grand Forks high school. The church edifice was filled to its capacity, the members of the class occupying seats in the central portion of the main auditorium.

Rev. Miller took for his text Matthew 3:10: "And even now the axe lieth at the root of the trees; every tree therefore that bringeth not forth good fruit is hewn down, and cast into the fire."

"Now I have selected the text, already cited from the message of John the Baptist, for two reasons; first, because it strikingly states a truth which, if remembered and heeded, will be of priceless value to our lives; and second, because it was spoken by one who faced two ways, and saw that the test of life lay not in the repetition of the type of goodness suitable to one's father or grand father, but rather in the production of new and living forms.

"In these great words we have, first, a good law of the creator stated; and second, the qualifications of that law implied or suggested; and third, the intention of the law is declared.

Opportunity. Simply because a person has fallen once is no prophecy that he shall fall again; on the contrary, with an intelligent individual it means that he shall succeed next time. Knowing this, God throws all manner of circumstances about us, shades up our roots, changes the raveling forces and ambitions to which we have yielded submission, and induces us to try again and again for the kind of fruit we ought to bear.

Life's Great Work. "Members of the Graduating Class: I have spoken to you thus earnestly and seriously that you might be duly impressed with the vast worth of life and time. No matter how highly you may have heretofore esteemed them, covet and employ them even more diligently henceforth. They are the gifts of God. I am gratified to know that you have employed them so zealously in your school days as to win the approval of your instructor and of the board of education.

All the places enroute have made preparations for the reception of the distinguished visitors at each place and entertainment of every description has been planned. There will be nothing to hinder the progress of the steamer as far as Emerson, Manitoba, and the Canadian government has taken care of the trip the balance of the way, so that the river will be well cleared.

BODY OF O. A. LYKSETH IS FOUND-- COMMITTED SUICIDE BY DROWNING

Prominent Grand Forks Resident Missing Since May 18 Is Found Floating in Red River Sunday Afternoon--The Body Was Badly Bloating

A floater found in the Red river Sunday afternoon at 2 o'clock proved upon investigation to be the body of O. A. Lykseth of this city, who has been missing since the morning of May 18, he having committed suicide by drowning.

Some fishermen who were on the banks of the river near the John Island farm on the Minnesota side, four miles and a half from Grand Forks, first discovered the floater, but were unable to bring it to shore. Notification of the find was at once telephoned to the M. Norman undertaking rooms and a party went direct to the scene.

It was 4 o'clock before the body could be rescued from the water, it being necessary to float it still further down the river, a distance of a half mile before it could be brought to the banks of the river.

The body was badly decomposed and could not be recognized. There were no scars to indicate that the man had committed suicide by jumping from the bridge as many asserted he did. His clothes were those that he wore when last seen on the morning of May 18, only his collar and necktie being missing.

Coroner N. P. Stenshoel of Crookston arrived in the city this morning and thoroughly investigated the case deciding that no inquest was necessary. His decision of suicide was reached after he secured information from Mrs. Lykseth and others.

While the details of what caused Mr. Lykseth to take his own life have been rather obscure, still it is certain that drink was responsible in a large measure for his suicide, thus causing his demented condition. On the evening of May 17, the day of the Norwegian celebration in Grand Forks, Mr. Lykseth was evidently in the proper state of mind.

At the conclusion of the program Mr. Lykseth went to East Grand Forks and evidently imbibed too freely for he returned to his home at 521 Chestnut street in rather an intoxicated condition, threatening to do

much damage. Mrs. Lykseth called to her aid the police, who followed Mr. Lykseth, who decided to go from his home to the hotel where he had intended to spend the night.

Mr. Lykseth did not stop at the hotel, however, but continued on his way to East Grand Forks, where he wandered about until nearly 6 o'clock on the morning of May 18, when he was last seen. At this time he handed over the watch and made the assertion that he would have no further use for it, but little was thought of his remark.

His absence all day May 18 and 19 was not thought of particularly, except by his family and it was not until May 20 that the matter was given to the authorities and the police department was asked to search for the missing man. Mr. Lykseth's friends were many, and all aided in the endeavor to locate him, but in vain they searched, receiving no possible clue.

At first there was little thought that the man had committed suicide, and every day his return was awaited, even until the time that his body was found Sunday afternoon.

Had insurance. Quite a stir was raised in connection with the case when a telegram was received from LaCrosse, Wis., last week stating that Mr. Lykseth had insurance in the Equitable Fraternal Union at that place and that his dues which had lapsed, were paid four days after he disappeared.

The deceased was 46 years old and was born in Norway January 16, 1863. He arrived in Grand Forks from LaCrosse, Wis., five years ago and has been a resident of this city ever since. Mr. Lykseth was first employed in East Grand Forks as bookkeeper, but during the past four years he has been in the employ of B. O. Paulsen in the capacity of bookkeeper. Mr. Lykseth was married thirteen years ago, and has three children, who with his wife mourn his loss. He had always been a straightforward honest fellow to be relied upon. He was a church member and a leader among his fellowmen, participating in every function.

The funeral was held at 3 o'clock this afternoon from the Norman undertaking rooms, only the near relatives of the family and a few friends being present at the funeral service. The body decomposed condition of the body necessitated an early funeral. Interment was made at Memorial park cemetery.

FROM GRAND FORKS TO WINNIPEG BY RIVER

First Trip Down Red River in Twenty-Eight Years Will Be Made Next Sunday

Next Sunday morning at 5 o'clock a party consisting of Governor Burke, prominent residents of the state and a number of Grand Forks, will leave this city on the steamer Grand Forks for Winnipeg. It will be the first trip down the Red river from this city to Winnipeg in twenty-eight years and great preparations are being made for the event.

All the places enroute have made preparations for the reception of the distinguished visitors at each place and entertainment of every description has been planned. There will be nothing to hinder the progress of the steamer as far as Emerson, Manitoba, and the Canadian government has taken care of the trip the balance of the way, so that the river will be well cleared.

A little trouble may be experienced at Pembina, and it may be necessary to cut a cable which crosses the river from Pembina to St. Vincent. The arrival at Pembina, it is expected, will be made by Sunday evening.

K. P. MEMORIAL WAS HELD

Ritualistic Service Took Place This Morning at Memorial Park Beside Monument

The annual memorial services of the Knights of Pythias were held this morning at Memorial Park. These exercises were conducted at the beautiful monument raised in the memory of the departed members of the order and the ritualistic service carried out was most impressive.

The music was furnished by a quartet composed of Messrs. Montgomery, Smith, Nall and Elton. The members of the order marched from the hall to the Northern Pacific depot from which place they went by train to the park.

STRIKE GROWING

Philadelphia is Completely Tied Up in Street Car Traffic.

Philadelphia, May 31.—Although the Philadelphia Rapid Transit company brought men to this city during last night to take the place of the motormen and conductors who went on strike Saturday for higher wages and better working conditions, the street car service is worse today than at any time since the trouble began. Only twenty-five per cent of the regular number of cars operated by the company, which controls every surface line in the city, were running today. The strike seriously interfered with the observance of Memorial day, thousands of persons being forced to give up visits to the cemeteries or forego pleasure trips. Autos were hired at high figures and thousands of teamsters are earning money by carrying people at five and ten cents a ride.

LONG FLIGHT

Airship Has Been in the Air For Thirty Hours

Schweinfurt, Germany, May 31.—The airship Zeppelin II passed over Schweinfurt at 3.30 o'clock this morning on her way back to Friedrichshafen from Bitterfeld. The vessel left the floating shed on Lake Constance a little after 9 o'clock Saturday night. The objective point was Berlin where Emperor William yesterday awaited the arrival of the count but the dirigible got only as far as Bitterfeld, some four hundred miles from the starting place, and decided to return. There are on board Count Zeppelin himself, two engineers and a crew of several men. The airship has now been sailing aloft for something over thirty hours without stopping or coming to the ground.

Safe and Profitable Investment

There is nothing so safe and secure as real estate. Real estate has provided more fortunes than any other kind of enterprise. A lot can't burn up, or run away, and when purchased in a growing locality, is sure to increase in value steadily each year.

If you buy on payments by the time your lot is paid for it should be worth a good deal more money than the original purchase price.

BELMONT SCHOOL HAS EASY TIME IN WINNING INTER-GRAMMAR MEET

Slaughters Opponents in Annual Field and Track Event--Take Permanent Possession of Palmer Trophy--Other Schools Get But a Few Points

What the Belmont school did to the balance of Grand Forks schools in the intergrammar school track and field meet this morning was plenty. It was an awful slaughter and when all had finished the count stood Belmont 134 points, Washington 18 points and Central 3. This gives the Belmont school the Palmer trophy, the lads from the school in the south end having captured the big meet three successive years. Every one on the Belmont team starred and got a place in every event. Director Miller of the Y. M. C. A. took charge of the affair and for running it off smoothly and quick, no one could have done better.

The detailed account of the events and winners follow:

- 50 yard dash—Gilby, Belmont, first; Ryan, Belmont, second. Time six and one-tenth seconds. Half mile relay won by Belmont, Central second, Washington third. Time two minutes two and three-fifths seconds. Shot put (eight pounds)—Larson, Belmont, first; Emard, Belmont, second; Johnson, Washington, third. TEN LIVES TOLL OF TORNADES

(Continued from Page 1.)

Death in Wahpeton Storm. Wahpeton, N. D., May 31.—The storm which swept over this portion of the Red river valley Saturday afternoon resulted in one death and the injury of three others. The dead: HARRY VOSS, Charles, Minn.

The injured men were employed on a farm at Pyle, N. D., and were caught in the wreckage of a big barn which was destroyed. Their names could not be learned today. The greatest damage was done at Pyle, the farmers' elevator there being completely destroyed while a large barn on the John Matajek farm was demolished. It was in this barn that the men were hurt.

In Wahpeton there was also considerable damage. At the fair grounds several buildings were wrecked, but the total loss will not be much over \$1,000.

Killed by Lightning

Steele, N. D., May 31.—Marvin Law, aged 25 years, was struck by lightning and instantly killed Saturday afternoon during the severe storm which passed over this district. Law was returning to his claim in a hayrack when he was struck down and killed.

Hall at Bismarck

Bismarck, N. D., May 31.—Bismarck had a heavy hail storm Saturday but no serious damage has been reported. The hail stones were of a very large size but they were not numerous enough to do any damage to crops.

School for Deaf Struck

Devils Lake, N. D., May 31.—The lightning struck down in two places here during Saturday afternoon's storm. The first bolt struck at the school for the deaf, where a chimney

was razed, while the second one struck the Great Northern coal chute. No one was injured.

Buildings Unroofed

Dickinson, N. D., May 31.—Several small buildings were unroofed here Saturday afternoon during the progress of heavy wind and rain storm. Outside of this, however, no damage has been reported.

Lightning Struck Down.

Lakota, N. D., May 30.—This city was hit by a severe electrical storm Saturday evening at about 6 o'clock. A heavy downpour of rain accompanied the storm, while the wind blew at a fearful rate.

The sheds of the Robertson Lumber company, which were about 500 feet in length, were lifted about fourteen feet into the air and dropped to the ground, smashing them into kindling wood. Lightning struck down in the Episcopal church and at the residence of A. J. Hutchins, but no one was hurt.

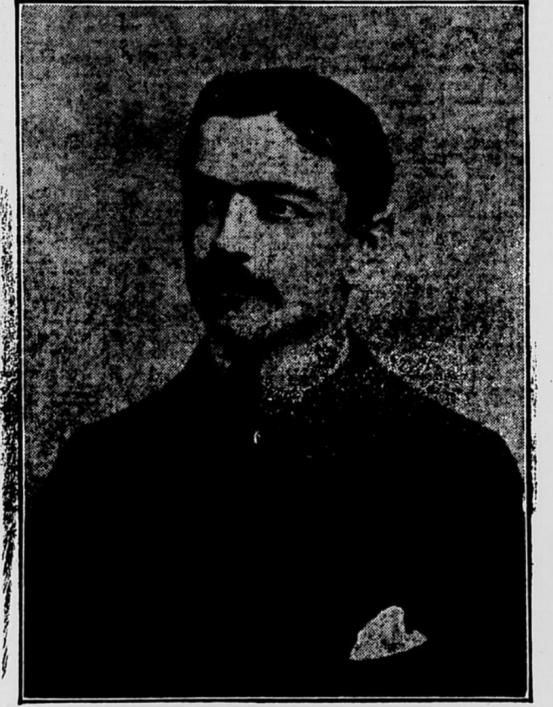

Cloudburst at Fargo.

Fargo, N. D., May 30.—Fargo had a cloudburst Saturday evening between 5 and 6 o'clock. It poured rain for some little time and as a result there is a heavy loss to the downtown merchants who had merchandise in the basements. The basements of the business blocks were flooded from one inch to two feet, the sewers being inadequate to carry off the water.

GOLD MEDAL FLOUR

FOR AGED PEOPLE.

We unhesitatingly and strongly advise the use of Rexall Orderlies in preference to any other constipation treatment. We so well know their value that we offer to return every cent paid us for them if they fail to give entire satisfaction. They are eaten like candy, are beneficial to the whole system, do not cause any inconvenience or griping, and positively relieve the evils of constipation. Two sizes, 10c. and 25c. Dacotah Pharmacy, Wm. Budge, prop. The Rexall Store.
