SAYS HE DIDN'T GET SQUARE DEAL

Kossick Avers Canadians are so Prejudiced That He Can't Win.

Fargo, May 28.—Leo Kossick, who arrived here from Canada, where he recently had two battles, believes that he did not get a square deal up that way in any stage of the game.

"In my contest with Mickey McIntyre," said Kossick, "the worst that I could have received in anything like justice was a draw, but instead of that they awarded the contest to McIntyre. You see I was going into a Canadian, before a Canadian crowd and another Canadian was my Tommy Burns, also a Canadian, was the referee, and I didn't have as much chance as the proverbial snow flake in a blizzard. Then, too, I might add they were Canadian promoters.

Will Beat Him. "I go against McIntyre at Saskatoon, the same place as June 14 and I want to say to you right now that I will beat him, and you can make a mark under this. I will be in the finest condition possible on that night, for I shall get there June 4 or 6 and be ready to finish my training there right. You see when I tackled him before I was in any good shape as I should have been, for I had only reached there three days before the fight and that, too, after a ride of nearly four days, so I wasn't really myself.

"The night I went against Kid Herman at Regina, I was right in the pink of condition, weighing 137 pounds and a small fraction over. Herman is a Montreal man who has been fighting about his home at Toronto, Canada, and about Niagara Falls and Buffalo, N. Y., and I know I had to go some to beat him, which I did in just six rounds.

"They think Jimmy Fouts is a second rate fighter in Canada, and I don't want to say to you right now that I will beat him, and you can make a mark under this. I will be in the finest condition possible on that night, for I shall get there June 4 or 6 and be ready to finish my training there right. You see when I tackled him before I was in any good shape as I should have been, for I had only reached there three days before the fight and that, too, after a ride of nearly four days, so I wasn't really myself.

"I had McIntyre in the last rounds so his eyes were glassy, and he was staggering. I was in such good shape as I should have been, for I had only reached there three days before the fight and that, too, after a ride of nearly four days, so I wasn't really myself.

FARGO INTERESTED IN BIG BALL GAME

Fargo, May 28.—Next Wednesday afternoon will meet the big game of the season for the fans of Fargo and the two big schools, between Fargo college and the North Dakota Agricultural college. The game will be played on the new baseball field at the agricultural college at 4 o'clock. The last game between the two institutions was a game that would delight the hearts of the fans of both schools. The game is even brighter as the end of the season is drawing to a close and the championship honors must soon be decided.

LAXITY IN LICENSES.

Chicago, May 28.—Protest was made today before a meeting of the Chicago Protestant clergymen against what was declared to be carelessness and laxity in the granting of marriage licenses in Chicago.

Dean Walter T. Sumner charged that many young girls were being harmed through the indiscriminate issuance of licenses. The speaker also referred to his plan of hygienic marriage where healthfulness would be necessary before a license to wed could be legally obtained and a physician's certificate would accompany each application for a marriage license.

Resolutions of the committee on social purity were read to the meeting advocating the cooperation of pastors and church workers in informing the young of the dangers that beset them as they grow up.

MUSICIANS MEET.

Elaborate arrangements have been made for entertainment of delegates by local committees. The convention will continue through the week.

Race For \$50,000 at Indianapolis Has Attracted Best Auto Pilots in Country

INDIANAPOLIS SPEEDWAY

Indianapolis, Ind., May 28.—Twenty-one high powered racing cars yesterday ran the qualification trial for the Memorial day five hundred mile race at the Indianapolis speedway. The drivers easily sent their machines over the two and one-half mile lap of brick oval under the two minute limit prescribed for eligibility to line up for the great race at 10 o'clock Thursday morning.

The best time was made by David Bruce-Brown in a National. The car pounded out the distance in 1:41.75. Only two entrants had trouble. Romine's Continental broke a crank shaft and it may not be possible to get a new one in time to make the race. Lec Oldfield tried twice with his Mason to qualify, but engine trouble prevented and he will go after the test again today.

Others that will make the speed trial today are Ormsby (Opel), Hearne, (Case) and Mulford (Knox). Because of incomplete adjustments following weeks of practice on the speedway these cars were not in shape for the trials of yesterday.

Lured on by the richest prizes ever offered by automobile speed competitions, and driving the speed creations of the most brilliant engineering minds of Europe and America, the drivers entered in the second annual 500-mile race at the Indianapolis Motor Speedway will begin their long journey around the brick oval at 10 o'clock next Thursday morning. For the second time in the history of the

world's greatest race course the five-century contest for cars under 500 cubic inches will be offered to the speed lovers and the sporting inclined followers of the automobile game in the United States.

This is the greatest of track races. The first 500-mile event on the vitrified oval at Indianapolis astonished the world, and Ray Harroun in his Marmon was the hero of the nearly seven-hour speed contest. The first race taught the speedway management, the engineers, the drivers and last but not least, the public, the car should be faster than the world. The greatest drivers on this side of the Atlantic are entered and many of them participated in the first event. The cars are faster than in 1911. The requirements of the entry conditions were much more stringent. The facilities for handling the largest number of people, the modest sum of \$20,000, while Ray Harroun, the winner of the first race drew down

the longest track event in 1912, but it will also offer the largest amount of cash to the drivers of the modern pace-eaters. Fifty thousand dollars is offered to these men who will compete through the space of more than six hours in an effort to cross the tape first with 200 laps to their credit. The winner will receive \$10,000, the second \$5,000, the third \$3,000, the fourth \$2,000, the fifth \$1,500, the sixth \$1,200, the seventh \$1,000, the eighth \$800, the ninth \$600, the tenth \$400, the eleventh \$300, the twelfth \$200, the thirteenth \$150, the fourteenth \$100, the fifteenth \$75, the sixteenth \$50, the seventeenth \$25, the eighteenth \$10, the nineteenth \$5, the twentieth \$2.

Among the drivers and relief drivers named for the twenty-seven entrants in the race, seven drivers and seven relief pilots will ride in their 500-mile event. The drivers that were not participants in the five-day trial are: Harvey Herick, Bert Dingley, Billy Liesaw, Joe Moran, Len Ormsby, Charles Shambaugh, H. K. Kipparick, the relief pilots to make their bow in the 500-mile event are "Big Boy" Rader, Johnson, Swanson, Fuller, Farr, Kittrell and Fowler.

Chief Timer C. H. Warner and his assistants, the twenty-seven entrants will begin their trials to qualify. This demands the lapsing of the track in two minutes flat at a speed of seventy-five miles an hour for two and one-half miles. On Tuesday afternoon at 1:30 o'clock the cars will begin to weigh in. This requirement is 2,000 pounds or over.

SUNDAY BALL IN THIS LEAGUE

Trail County Circuit Opens With Big Crowds and Fast Games.

With big crowds in attendance and the teams putting up good exhibitions, the Trail County Circuit was opened on Sunday. Games will be played each Sunday afternoon during the season.

All the clubs in the league are composed of home players and one of the rules of the organization is that professional players cannot be hired for any of the clubs. The fact that "native sons" are making up the teams is giving the league venture a great boost in this country. Sunday's games resulted as follows:

Hillsboro at Mayville 3, at Hillsboro. Cummings 14, Reynolds 4, at Reynolds.

June 7—Portland 5, at Portland. The summer schedule follows: June 2—Portland at Hatton, Hillsboro at Mayville, Reynolds at Cummings.

MAKES RECORD AT WASHINGTON "U"

Fargo, N. D., May 28.—Friends in Fargo have recently enjoyed a game from Melville Muckelstone one of the most popular football players that the city has ever had, announcing his graduation from the University of Washington this spring.

Muckelstone will be remembered by many Fargo people as the star of the agricultural college squad in the fall of 1907.

Muckelstone came to Fargo from Wisconsin where he attended a military school. He got out of the football squad under Coach Gil Dobbie and made a wonderful record throughout the season.

Muckelstone made a record when he went to Washington where he secured a good position. When Gil Dobbie left here to go to Washington as coach of the state university, he induced Muckelstone to enter the university.

The former A. C. player has since played four years on the U. of W. eleven and made a record there equal to his record in Fargo. He will graduate from the university this spring and expects to enter into business on the Pacific coast.

CASE OF LEARN GAME OR GO BROKE

Darby, Pa., May 28.—Realizing that he was losing trade because he could not tell his customers the baseball score or talk learnedly upon the respective merits of the different players and give the batting average of the big hitters of the two leagues, Ellis Steptoe, who conducts a Main Street cigar store, has applied himself, studying all the baseball books and books of rules he could find. He is as much a theoretical "fan" as anyone.

"I could see the looks of disgust on the faces of strange customers," said Steptoe, "when they would come pushing in and would ask the score and I would say I didn't know. There is nothing that can describe it.

"This happened so many times that I began to believe it would affect business, so I took to baseball as a business."

BOTTINEAU WINS IN THE OPENER

Bottineau, N. D., May 28.—Bottineau won the opener Sunday at Souris in the Mankoto league, the score being 11 to 1. The winners pounded in six runs in the final inning and had a large attendance from this city and the league looks like a success.

WATERS BUYS LADY KELLAR. Beach, N. D., May 28.—J. R. Waters is the possessor of a new racing mare, Lady Kellar, which is a little beauty, and a bright future is promised for her by local horsemen who claim to know. At Grand Forks last year the mare took her mark in the three-minute class, stepping the ash and beating 2:16 1/4. A Minneapolis correspondent to the Chicago Horseman makes the following comment: "L. C. Riebe of this city has sold the fast racing mare, Lady Kellar, 2:16 1/4, by Kellar V. 2:21 3/4, to J. R. Waters of Beach, N. D., who intends racing her at the North Dakota and Montana meetings. This mare is much faster than her record indicates, having been a half in 1:02 and should be good in her class at the above places."

VERSATILE YOUTH. Attention is called to the fact that friend Ed Lennox, can roller skate just about as well as he can play baseball and that's going some. He is a lover of the roller game and heads a roller every chance he has. Brother Strain is quite a kid on the rink as he demonstrated last Saturday evening.

PARK RIVER IS ACTIVE. Park River, N. D., May 28.—At a meeting of the Commercial club held Wednesday evening it was decided that Park River should have a ball team and plans were arranged where by the business interests will back such organization. A meeting was held last night to organize a nine and make arrangements to secure the necessary players.

Home Run Won Game. Louisville, May 28.—A home run in the fourth inning with one on base landed the victory for Toledo over Louisville in the second game of the series. Both James and Richter while wild were effective. The locals outbatted the visitors, but could not hit at the right time. Third Base-

Dacotahs Are Playing Ball They Will Be in Race Right

Rain prevented all C. I. games yesterday. Provided the weather is right tonight the Dacotahs and Maroons will meet at 6:30 o'clock in the last game of the at-home series. Immediately after the game the clubs will take sleepers for the had of th lakes where tomorrow the Grand Forks club will meet the White Sox at Duluth and Winnipeg will play the Red Sox at Superior. Double headers will be played in both these cities on Thursday—Decorated day.

The coming series of games in the C. I. will be watched with unusual interest, as the results are expected to make a considerable change in the percentage column.

Winnipeg will go right after the scalps of the Red Sox, in an effort to take the White Sox out of the lead at Duluth in the hope of climbing the percentage ladder. As the Dacotahs have apparently taken a new lease on life and Winnipeg is due for a brace, things are looked for in the approaching games up the line.

The Grand Forks club is showing a more than pleasing improvement in all departments and will leave tonight for the second big game around the circuit, being stronger than when the season opened at Superior twelve games ago.

The Dacotahs pitching staff has been rounded in form, the infield is working in a most satisfactory manner, the batting has been greatly improved the last few games and the outfield is getting better every game. Henceforward it is expected that the Grand Forks club will give a respectable

account of itself. Up to last Saturday afternoon, the Dacotahs were not performing fast enough to win games, and that's all there is to it. Today, however, the sun is smiling on the team. The club has been gingered up from mascot to manager and reality, encouraging reports from the field of battle are anticipated within the next few days.

Grand Forks fans have certainly not lost faith in their club. They are standing by the boys right. The few who produce their banners early last week have had little to say since Sunday's game, when one of the best diamond exhibitions ever pulled off in this section was the card at Dacotah park.

Getting away to a bad start, the Dacotahs came home from their trip, fusing. First of all, they began to blame that fictitious person, Dime Fortune. Then the bad weather was seized upon as a pretext for excusing their poor showing, but we heard little about baseball having been played. However, the fans stood for everything, turned out in larger numbers at each game, capped the climax on Sunday by packing the park, and today are boosting the team stronger than ever and with a good, clean right to yell their heads off.

The Dacotahs can now boast of just about as good material as there is in the league. Edmonds, Foster, DeHaven, Bell, Van Dine, Donovan, Bowers, Ezyer, and the staff of pitchers should all be able to uphold their ends of the work in the coming trip, which will, no doubt, be a jaunt of considerable importance, especially to the Grand Forks club.

St. Paul Fans Turned Out in Honor of Hank

Benefit Game Played Between Saints and Blues for Henry Gehring's Wife and Daughter.

St. Paul, May 28.—Yesterday was Hank Gehring's day. The afternoon game between the Kansas City and St. Paul clubs was for the benefit of Henry Gehring's wife and young daughter. The entire receipts at the Lexington park gates will go to finish payment on the home from which the former American association pitcher was called by death before he could complete it. The tree list was entirely suspended, and passes accepted under any circumstance.

The Kansas City, Minneapolis and St. Paul clubs, with which Henry Gehring forms a club yesterday, took \$100 worth of tickets, each took \$100 worth of tickets, and the St. Paul management donating the entire gate receipts the St. Paul fans turned out in a respectable number for "sweet charity's sake."

Henry Gehring was born and reared in this city and learned the game on the local corner lots. He always depicted the game in a most interesting manner that earned the respect and friendship of the fans, and did his duty in the game of ball the best he knew how. He was called out in the game in life before his duty was completed, and it is to help along the work he set out to do that the St. Paul fans were asked to contribute yesterday.

GUN CLUB HELD SHOOT. J. Curran Carried Off First Honors Yesterday With 24 Targets.

At the regular Monday shoot of the Gun Club yesterday, J. Curran carried off the honors with a score of a possible 25. Dr. F. F. Fletcher was second with 21 out of 25 and E. Carter Griffith third with 20. Saturday afternoon at 3 o'clock one of the squads of the local club will shoot in the competition for one of the four cups.

VERY BAD ERROR. The Winnipeg paper that remarked that the weakest spot on the Grand Forks team was short made an awful error in the first instance. Why the short stop job is where we shine. Our Bell boy is there and all he has to do is walk up to the plate and the fans will begin to cheer. Bell is there every day.

CARRINGTON HAS GOOD TEAM. Carrington, N. D., May 28.—Carrington has a good team on the diamond this year by one of the best teams that has been organized here in several years. C. E. Niles is manager and most of the players are home men.

NICE BUSINESS. It did a man's heart good to see these auto loads of visitors roll into town Sunday, to see the game. Have you noticed that Grand Forks is mentioned in the big papers every day? Nice lot of advertising we're getting this summer. Wouldn't get half so much if we didn't have the Dacotahs in the league.

WATCHFUL EYE. Jim Brown of the Maroons watches theumps, but he is represented on the team was ever there with the longneter turned on Umps McGloom. Brown even asked President Blume to sit where he could get a good view of the judge of balls and strikes more closely. President Blume remarked that there would be moreumps than players in the big papers every day, an arbiter that would please everybody.

WE FEEL BETTER. We all feel more secure with DeHaven on second. When the pill goes into that section we are almost sure that it will be fielded, at least picked up. There is invariably a hand clapping and a sigh of relief emitted when he goes to the stick, too.

DOING GOOD WORK. Every now and then a little kick is heard from some player on the efforts of Umps McGloom. However, that may be forgiven. In Sunday's battle the job. He is lively, makes a pretty good impression with the fans and is handling his business as well as can be expected.

OH, MY SOUL! The first thing President Blume said when he got off the train from Winnipeg the other day was: "Ain't our old Red Bowman a regular great, big, beautiful feller?"
