AMERICAN MARKET

FIRM TODAY
Liverpool Cables Slightly Lower-Clearances Were Larger

AMERICAN MARKET

Minneapolis, April 9-Liverpool wheat closed 3-8 to 1-2 lower than yesterday. Opening prices in the Minneapolis markets were the low points of the day. The market opened 1-8 under the previous close and then turned firm and prices advanced 3-4 of a cent before there was any setback. The government crop report showed conditions as very good but this seems to have had but little effect and there was very little weakness shown at any time during the session. The corn market was extremely strong and prices advanced 1-3-8c. The strength in coarse grains helped to hold wheat steady. Clearances of wheat and flour were large and the total today was reported at 754,000 bushels. Reports from the northwest were to the effect that the weather was not as favorable as might be the case for starting of spring work.
