Lasky Feature Play Company to be the best production they have made up to date. "THE SPOILERS"

"The Spoilers" will be the bill at the Orpheum Sunday and Monday, February 21 and 22. This big card will be one of the best things in the picture line ever presented to Orpheum "movie fans." With William Farnum as Glenister, Kathlyn Williams as Cherry Malotte, the Alaskan dance hall artist, Thomas Sanchi as McNamara and Bessie Eyton as Helen Chester, with such stars as those playing the leading parts in the "Spoilers" the famed Rex Beach novel of the Alaskan Northland, with such characters as Dextery, the Broncho kid, Slap Jack, and the corrupted judge, all played to perfection, it is not surprising that the audiences in theatres like the New Strand in New York and the Studebaker in Chicago, sit spellbound through the two hours it takes to the photoplay. The scenes are so vivid, the action so strong, the picturing of passions of the men so true, that one forgets he is watching a picture play. He feels he is right in the streets of Nome, Alaska, living, breathing, absorbing the life and atmosphere of the turbulent days of the gold miners themselves. "The

"Spoilers" is booked for the Orpheum, Sunday and Monday, February 21st and 22nd. Both Matinee and Night.

From a business point of view, which is best for us

TO KEEP ONLY THE BEST

OR

TO KEEP ALSO A CHEAPER GRADE

Mabee's own idea has been to keep only the best on earth. Look every d—m man in the face and tell him so. But there are some people, a few who ain't satisfied. Some insist on having a poor article. When there is a cheaper grade, isn't it often sold for the best? And then you have paid for what you did not get.
