Dr. M. D. Hoyt made a professional call to Williston Sunday.

H. Wiedman of Poplar, spent a few hours in Glasgow Saturday.

S. A. Willis made a trip to Poplar and Wolf Point on official business Monday.

Plas Price of Hinsdale, was "killing time" in Glasgow the fore part of the week.

Wm. Taylor was down from Saco Saturday with a bunch of coyote scalps for the clerk.

Chas. Sargent, postmaster and general merchant at Nashua, was a visitor in Glasgow Monday.

Jos. Glatfely came in from his ranch Thursday with the hides of five wolves captured in a den.

Show us an unenterprising citizen and we will show you a man who doesn't read his local paper, and vice versa.

Billy Prentice is taking a much needed rest from the cares and vicissitudes of earthly toil, at Boulder for a few weeks.

The officers of Glasgow Lodge No. 51, I. O. O. F., had their picture taken in a group at the Lewis Studio Sunday afternoon.

Assessor Polley has begun his annual assessment tour. He spent the first of the week among the taxpayers of Culbertson.

A. Stone has commenced the construction of a new dwelling house on Society Row, on the lot adjoining the Lemmer-St. Clair residence.

Chas. Unger was in from his Buggy Creek ranch on Tuesday. "Black Jack" Smith accompanied him home and will herd sheep for Charley this summer.

The proprietors of the Glasgow Short Order House are building an addition to their restaurant in order to secure better accommodations for the public.

One of Mabee's pet bears escaped from the stockade one day this week and it required the combined energy and muscle power of every able-bodied ranchman on Cherry Creek to

land bruin back into the pen. When captured he was near the Nelson ranch wending his course westward and was evidently following out the advice of Horace Greeley.

Judge John W. Tattan of Benton, whose career as a legal light is second to none in the northwest, was hobnobbing among his many friends in Glasgow this week.

Jas. Fox has purchased the Ruddy house on Front street, and moved his household effects into the same on Wednesday. The consideration, \$200, is less than half of the original cost.

On our first page will be found the "ad" of Jas. R. Stephens, agent for the Crescent Bicycles, having secured the same from W. W. Mabee. The Crescent bicycle is considered one of the best wheels on the market for the money, at \$50 and \$70.

Jno. M. Lewis returned Tuesday from a two week's trip to the Twin Cities whither he went for the purpose of buying a large stock of merchandise. Trade conditions in the east, he says, although apparently lively are reported not very brisk.

C. W. Kampher had his right hand severely bruised at Minot Wednesday morning. He was in the act of making a coupling when his hand got in between the weight of 29 cars and the engine. Fortunately not a bone was broken and he will soon reclaim the use of the member.

David Kennedy, of Saco, whose success in the cattle business has undoubtedly won for him the title of "Cattle King" in Valley County, paid this city a visit Saturday. Mr. Kennedy is without doubt the largest individual stock owner in the county, and ranks with the first in the state.

"Jumbo" DeRobbins for the past year in the employ of W. W. Mabee, the Cherry Creek ranch and manager, has severed his connection with the aforesaid concern and gone to work in the roundhouse at this place. He has moved his family into the Harley building, corner fifth and Market street.

Division Superintendent Hale went through Glasgow in his special car on Monday. He informed the writer that the Great Northern would expend about \$100,000 for construction this summer on this division alone. The money will be spent in remodeling bridges and putting in trestle culverts. In a few years the road will be the best equipped for fast traveling west of the Mississippi river.

Wm. Knapp will shortly embark into the cattle business and has already begun preparations to that end. He has begun the construction of buildings on the property formerly known as the Chapman ranch on Mooney Creek and will remove to the same as soon as completed. We understand that Mr. Knapp will also pay considerable attention to irrigation.

School Notes

The inter-class track meet will be held Saturday, April 17th, at 2:30 o'clock. Everyone is invited and there will be no admission charged. At present Abe has the javelin throw cinched, and also the shot put. The discuss throw will be a close event between Abe, Cecil and Jim Bruce and Calvin Rogers, with Abe in first place in all probability. Calvin Rogers and Archie Waldrun will be neck and neck in the high jump. In the pole vault Archie Waldrun and Cecil Bruce will contest for first place and Frank Lebert will most likely get third. The dashes and runs will remain a mystery until the final day.

The following events have been scheduled for the meet, to be pulled off in order:

1. 50 yard dash.
2. High jump.
3. Pole vault.
4. Half mile run.
5. 120 high hurdles.
6. Shot put.
7. 440 yard dash.
8. Discuss.
9. 220 yard dash.
10. Javelin throw.
11. Running broad jump.
12. 100 yard dash.

Abe McMahon is getting the javelin form right. A week ago Wednesday he threw it 130 feet or 20 feet beyond qualification, while last Monday noon the javelin went 140 ft. 4 inches, and this was with all his street clothes on. He ought to beat that when he has only a track suit on. At Havre the

other day our rivals held a track meet and the best javelin throw was 98 feet. It looks as if Glasgow is going to get a place at Missoula this year.

The list of absent pupils is still increasing, Max Kampher being the latest. He was absent Thursday and Friday of last week on account of illness. Perhaps he was trying to cut off some of "those everlasting freckles" with a safety razor as he had a stiff neck when he returned to school Monday or spring fever may have been the cause of his illness. No favorable answers have yet been obtained from him, so the best anyone can do is to guess.

The Indian Clubs and dumb bells ordered for the Girls' Gym Class have arrived and the girls used them for the first time last Monday.

Miss Dougherty to Marie Mix, who does a great deal of walking at noon—not unaccompanied—"What is your favorite hobby Marie?"

Graduation exercises will be held in the high school building Friday evening, the 28th of May. President Hamilton of the State College at Bozeman will deliver the address. The Seniors will give a play, "The Merchant of Venice" up-to-date, sometime next month. They are working on the play now.

The bookkeeping class has started in the use of business papers and find it very interesting, although a great many mistakes are made. This is the first year that bookkeeping has been taught and it seems to be a great success.

Antoinette Morris, one of the Sophomores, has discontinued her school studies for this year and left last Thursday for her home north of Glasgow.

It is easier to break the will of a dead man than the will of a live woman.
