

Do Your Christmas Shopping Early BUY IN GLASGOW Keep Prosperity at Home

Sounds natural, doesn't it? Well, it's getting along toward that time, and we want to be the first in the field to extend the annual invitation to the buying public in this community.

And do you know there is a lot of satisfaction in getting these annual purchases over with? Consider, now, that you intend presenting your wife with a nice piece of furniture on Christmas morning. Wouldn't it be a satisfaction to you if you already had it picked out and knew that it was positively ready for you when Christmas comes 'round? Or, if it were to be a gun for the boy, a watch or ring for the daughter—no matter what you may be anticipating, wouldn't it be better to speak to the dealer now, have him lay it away for you and thus rid your mind of the subject for good?

If I spend my DOLLARS out of Glasgow, and you spend your DOLLARS out of Glasgow, and all the people spend their DOLLARS out of Glasgow, WHAT IN THUNDER WILL BECOME OF GLASGOW?

THINK ABOUT IT.

Christmas is going to mean more to America this year than it has ever meant. It is going to be a more "homey" Christmas than we have ever had. It is going to be a Christmas of American-Made gifts, and to all who have the interests of their own little community at heart, it is going to be a Christmas of Home-Bought gifts. Home buying is home boosting, and that is what all of us should consider first. There is not an article listed above that cannot be bought right here in Glasgow, nor does the list claim to name all of the articles that can be bought at home. We should be extremely glad to have you call and let us show you how we can help you avoid the disappointment of late buying. And, if we should not happen to have the very thing you have decided upon, we can get it for you and have it here by the time you will want it. Try this plan once and you will never wait until the later days of December to do your buying.
