

ODD FELLOWS ANNIVERSARY

One Hundred Thirteenth Anniversary of Founding of Order in U. S. Will Be Celebrated Here Wednesday Apr. 26.

On the 26th of this month, at their hall in Glasgow, the Odd Fellows and Sister Rebekahs will give a public celebration of the one hundred thirteenth anniversary of the founding of their order in the United States.

At the city of Baltimore, Maryland, on the 26th day of April, 1819, five Odd Fellows, who had formerly been connected with the order in England met at the house of William Lupton, Sign of the Seven Stars, 2nd Street, Baltimore and there organized the first lodge of Odd Fellows in the United States. These brothers did not receive a charter until the 23rd day of October, 1820, at which time a charter was duly obtained from Duke of York's lodge of the Manchester Unity, Preston, England. The new lodge was named Washington Lodge No. 1.

On February 22, 1821, Washington Lodge No. 1, surrendered its English charter to its past grants and organized the Grand Lodge of Maryland of the United States. Immediately upon the organization of this grand lodge, Washington Lodge No. 1, was re-chartered for the new grand lodge.

The objects of the pioneer Odd Fellows was declared to be "for the aid and protection of brothers when in sickness or on travel, and for the purpose of benevolence and charity". From this small beginning of five Odd Fellows, the American Odd Fellowship has spread all over the United States and in Canada and New Foundland. One may now meet an Odd Fellow in every part of the United States, Canada and New Foundland, and in small towns and large cities.

It is for the celebration of the founding of the order and to do honor to the old patriots who built this grand institution, that the Odd Fellows are celebrating their natal day.

VALLEY WOOL GROWERS MEET HERE APRIL 29TH

The Wool Growers of Valley County To Be Entertained April 29, at the Fair Grounds

Mr. M. E. Browning is going to demonstrate his new docking machine on Mr. John Echart's lambs and after the docking demonstration Mr. Browning is to furnish the old time round-up feed for the wool growers who attend the demonstration.

Mr. Browning is the inventor of a wonderfully simple and yet a most perfect docking and shearing machine. The machine has been under practical use for two years or more, but not until this spring has Mr. Browning made an effort to have it manufactured and put on the market. The machine is now ready for the public and every wool grower is surely anxious or should be to see and try it out. The machine consists of two scissor-like discs and while one is being used the other is being heated with a blow torch. The tail is docked and seared with one simple twist of the wrist and without loss of any blood to the lamb.

Mr. Echart has a large number of early lambs that will be just right age for docking the 29th and thus plenty of material will be on hand to give every one an opportunity to try out the machine himself as often as he likes.

The wool growers from out of town will meet at the Commercial Club room and cars will be provided to see that every one gets to the fair grounds. The demonstration starts at 2 p. m. and the lunch at 3:30. The cars will leave the Commercial Club Rooms at 1:30 p. m. for the fair grounds.

Invitations have been extended to all sheep men of adjoining counties and a big time is expected.

JUDGE AYERS APPOINTED TO HIGH COURT POSITION

Judge Roy E. Ayers of Lewistown, who has been serving as one of the three members of the supreme court commission, has been appointed a temporary associate justice of the high court in the place of Justice Frank B. Reynolds, who is at present recovering from a severe illness and is not expected to return until next term.

Judge Ayers takes the place of Judge H. H. Ewing of Great Falls, who was compelled to return to his district in order to take up a lengthy calendar. The appointment of Judge Ayers leaves only two members of the supreme court commission.

POSTAL IMPROVEMENT WEEK TO BE OBSERVED MAY 1 TO 6

Dr. Hurbert Work, the newly appointed postmaster general, is arranging for a Postal Improvement Week, May 1 to 6, during which time special effort is to be made by all postal employees to improve the postal service. This is to be done by first increasing their own efficiency and by informing the public of the several ways in which they can assist in per-

fecting the postal system. The response of the local business men to agitation for early mailing has been very gratifying and has resulted in a service as well as making the dispatching more evenly distributed over the day.

If the local merchants realized fully the possibilities afforded them by the use of the parcel post they could increase their business with the residents of nearby towns. It orders received in the morning mail are filled and mailed before 11:45 a. m., the goods would be delivered that afternoon. A resident of a nearby town could order something one day and receive it the next afternoon. This would be true at any of the offices on the railroad from Havre to Wolf Point. Eggs, if properly packed, and butter, could be marketed by the farmer the same day if he would mail them in the morning in time to catch the locals, and they could be delivered in Glasgow the same afternoon.

A test could be made by advertising some mail order special each week. The weight limit is 70 pounds for 300 miles and the rate is four cents for the first pound and one cent for each pound additional.

ALL CHURCH MEETING AT HIGH NOON FRIDAY

Protestant Churches of City Unite in Service at Orpheum Theatre Last Friday Noon.

The all-church service at the Orpheum theatre, held at high noon on Good Friday, was in commemoration of the crucifixion of Jesus Christ, the greatest hero recorded in sacred history. This meeting was the first of its kind ever held in Glasgow and was unusually impressive. The service was opened by the playing of a solemn prelude by Mrs. W. H. Rasey and the singing of the hymn, "Tis Midnight and on Olive's Brow," by an all-church choir. Rev. Frost of the Episcopal church then gave St. Matthew's narrative of the crucifixion as the Scripture reading, and also a brief but fine address using as his theme these words, "They Crucified Him." Rev. Braddy of the Baptist church followed with an impressive invocation and the chorus choir effectively sang "O, Love, that Will Not Let Me Go."

An eloquent and appealing address was given by Rev. Pippy of the Methodist church, who used Pilate's sentence, "I Find No Fault in Him," as his text thought. The benediction, as the conclusion of the service, was pronounced by Rev. Miss R. J. Dickinson in a sincere and reverent manner.

METHODIST JUNIOR LEAGUE DONATES TO THE HOSPITAL

The members of the Junior League had pledged themselves to earn the sum of ten cents each as a gift to the Deaconess hospital, and as a consequence a committee consisting of four of the members of the society, visited the hospital Sunday afternoon and presented a donation of \$4.10 which represented a per capita gift of ten cents for each of the forty-one members. The gift was highly appreciated as was also a number of songs sung by the visiting committee, with Miss Faith Smith as accompanist.

PRE-EASTER SERVICES AT DEACONESS HOSPITAL

Rev. Miss Phillips, Pastor, from Roundup, Conducts Week of Beneficial Services.

A series of pre-Easter services were held at the Deaconess hospital for the nurses and general force during the past week. Rev. Miss Phillips, who is the stationed pastor at Roundup, but who is a patient at the hospital at present, conducted the services on Thursday evening. Rev. Miss R. J. Dickinson administered the Sacrament and had charge of the services Friday evening. Miss McGee led in devotion Saturday evening and a sunrise prayer service on Sunday morning was led by Miss Florence Moore. The singing of Easter carols for the patients on Sunday morning marked the close of these very impressive services.

EASTER CLOSURE REVIVAL AT THE BAPTIST CHURCH

The revival services in the Baptist church closed last Sunday night with about 25 decisions and re-dedications for Christ and Christian service. The special music rendered by the high school orchestra and the assistance in the opening services by Dr. Samuel Zane Batten and the assistance by others in the music was highly appreciated by all. We shall not forget such kindness soon.

At the close of the Easter morning service eight received the right hand of Christian fellowship. This was one whole class of young people from the Sunday school. The entire congregation bade the young converts God speed in the new life begun.

Sunday night was "Bible Verse Contest Night," a number of people joining in the contest. Mrs. Emory B. Pease was given especial recognition.

EASTER DAY IN CITY CHURCHES

Cantatas, Special Programs, Commemorative Services and Easter Sermons Feature Year's Big Church Day.

Congregational Choir Gives Pleasing Cantata.

A large and appreciative audience was present to enjoy the Easter cantata entitled "The Raising of Jairus' Daughter" given by the members of the Congregational choir at the church Sunday afternoon.

A musical synopsis of the story was suggested in a most realistic manner by the opening prelude played by Mrs. A. B. Friedlund, director of the choir, and was followed by the gradual unfolding of the narrative, told in song, of one, Jairus, a ruler to the synagogue who sought Jesus imploring Him to save his little daughter who was sick unto death.

Beautiful tenor, soprano and bass solos in recitative form described the sorrow of the father who, as he neared his home in company with the Master, was informed that his little daughter had died, and also the wonderful words of comfort spoken by the Christ who said "the damsel is not dead, but sleepeth."

The full beauty of the story centered about the scene where Jesus restored life to the little dead daughter and the chorus and ensemble singing was in the nature of a grand climax of rejoicing at the miraculous change of death unto life, also a tribute of praise to the great Divine Healer of mankind.

The arrangement of the cantata included some very difficult passages of music and the members of the choir are to be congratulated on their successful interpretation and rendition of this splendid composition.

The solo arrangements were sung by Mrs. C. E. Hoppin, Mrs. Lee Haggood, Clinton Halladay and A. B. Friedlund. A duet was also sung by Mr. and Mrs. George Merrill.

The personnel of the choir was as follows: Sopranos: Mrs. Sam Gill, Gladys Poole, Mrs. Lee Haggood, Mrs. Geo. Merrill and Mrs. C. E. Hoppin. Altos: Miss Blanch Kelly, Miss Lura Nesbit, Mrs. Theron Halladay and Mrs. Dee Fatten. Tenors: Clinton Halladay and George Merrill. Basses: D. S. Williams and A. B. Friedlund. Director and pianist: Mrs. A. B. Friedlund.

Cantata at M. E. Church Easter Evening.

The auditorium of the Methodist church was packed to capacity Sunday evening by the music lovers of the city to hear the Easter cantata entitled "Bethany" given by the members of the Methodist choir under the direction of Mrs. Gordon Vallandigham.

The musical score of this composition added much to the impressiveness of the narrating of one of the most beautiful incidents recorded in the Scriptures. The opening prelude played by Mrs. W. H. Rasey, was in the form of a fine musical summary of the story which followed in detail, telling of the sickness and death of one, named Lazarus, the brother of Martha and Mary, who were residents of the town of Bethany and who were greatly beloved by the Christ.

In the splendid solos, choruses and quartets given one could hear in imagination Mary announcing the death of her brother to Jesus as he neared Bethany on his journey from Jerusalem. His words of assurance to her, His personal grief at the death of his friend and His word of command, bidding Lazarus come forth from the tomb. The angry mutterings of the Jews at another manifestation of the miraculous power of the Christ was vividly described in recitatives sung in a minor key.

The cantata as a whole was beautifully given and the chorus work was not unlike a grand oratorio, and the harmony and volume would have done credit to a chorus with twice the number of voices singing as on this occasion.

Those appearing in the solo of the composition were Mrs. Gordon Vallandigham, Miss Mona Frazier, Miss Thelma Trace, Mrs. W. H. Rasey, Glenn Maris and W. H. Rasey. The arrangement of the choir was as follows: Sopranos: Mrs. John Kamla, Miss Mona Frazier, Mrs. Caroline Rudness, Miss Beatrice Johnson, Miss Gertrude Zuenert, Mrs. J. Frazier and Mrs. Gordon Vallandigham. Altos: Agnes Osterberg, Mrs. A. M. St. Clair and Miss Thelma Trace. Tenors: W. H. Rasey and Rudolph. Basses: Glenn Maris, Gordon Vallandigham and Clarence Johnson. Pianist, Mrs. W. H. Rasey.

The joys of Easter were ushered in with an early celebration of the Holy Eucharist, which was attended by a very good congregation who came to greet their Risen Lord at break of day. This is undoubtedly the great service of the day and is one which church people never miss. The sacred, impressive quietness, too full of joy for sound, the rays of the early morning sun shining through the amber windows, casting over the beautiful lilies on the altar and around the church a glow that turned their pure whiteness into burnished gold. Their fragrance filled the church like a peon of silent thanksgiving and praise to Almighty God for the won-

derful joy of Easter morn and its glorious victory. "O, Death, where is thy sting, O Grave, thy victory?" seemed to be the joyous chant of all creation, and the "Christ is risen, Christ is risen," was the triumphant refrain chanted by the celebrant at the altar. The devoted congregation sang it and even the flowers seemed to swell the chorus.

"Christ is risen from the dead and become the first fruits of them that slept"—what greater or more glorious message could be given for the encouragement of all humanity?

At 9:45 the church children came to pay their homage and adoration. At morning prayer we had the plan in full regalia, following in the footsteps of their illustrious predecessors in that valiant and ancient order, many of whom laid down their lives to defend the empty sepulchre from desecration by the pagans. The Commandary came on this Easter morn to dedicate their lives and if necessary, wield their swords for the defence of their risen Lord.

The church was filled by a congregation of about five hundred Valley County men and women were the guests of the Grossman Motor Company of this city at the Free Ford demonstration and instruction Day held here yesterday. This day was inaugurated by the Ford Motor Company some time ago and the idea passed along to their dealers over the country, the local dealer being interested enough to take up the idea and to make it a real success.

An interesting feature of the day was the allotting of numbers to each visitor. Later lots were drawn and prizes awarded to the four first numbers; Peter Mekner, of Nashua, being first received a 30 x 3 1/2 tire; E. D. Chase, second, a 30 x 3 tire; A. H. Nevlow, third, 30 x 3 1/2 inner tube; and Mrs. W. F. Shannon, fourth a high class spark plug. Over three hundred people were the guests of the Grossmans at noon luncheon, after which various demonstrations were made of farm implements operated by the Fordson tractor. Especially interesting was the operation of this handy tractor by means of two lines only as used in the case on a team of horses. The entire operation of the tractor from a seat on a lumber wagon thirty feet to the rear, by the simple pulling of this or that line made a hit with the crowd and showed the efficiency of this particular Ford product.

Everybody then retired to the Orpheum Theatre where most instructive talks were given by Col. Shupp of Minot, on tractor farming, and E. W. Smith, representing the American Fruit Growers Association, who talked on the cultivation and care of potatoes. Following this was a brief resume of the various interests of the Ford Motor Company, then the movie through the Ford plant. This latter feature was the best in itself in this territory, and was in itself a very thorough explanation of the low cost and accurate workmanship of Ford products.

JUNIORS TO PRESENT "CLARENCE" THIS YEAR

Miss Downs has selected the cast for the play "Clarence," written by the late Booth Tarkington. This play in four acts is one of the most popular of the season. One dramatic critic declares "it is the best light comedy which has ever been written by an American."

The story deals with Clarence, who has no medals, no shoulder bars, no great accomplishments. He is one of the five million who served where he was sent, though it was no further than Texas. Here he was set to drive mules, for there was no field for his work as an entomologist. Returning to a civil life he seeks a job and finds a position in the house of a man named Wheeler. Because he had "been in the army" he becomes guide and friend to the distracted family group in the Wheeler home. In fact he does all things from repairing the bath room plumbing to tuning the piano and playing the saxophone. Around him revolves many interesting characters—those marvelous young people, Cora and Betty Wheeler. It is a real American comedy and appeals to every American.

Miss Downs has selected the cast with great care. The individuals are well suited to their parts and should set a new record for excellence. Rehearsals will begin next week. The date set for the play is May 12th.

BENNETT SCOBAY POSTMASTER

Sid Bennett, who has been acting postmaster until Friday of last week, is now a full fledged P. M., having received his commission and official appointment.

He was officially "checked in" on Thursday and Friday, and the department inspector who checked the office congratulated Mr. Bennett very highly upon the system and business-like manner in which the Scobay post-office is being conducted.—Leader.

DEATH AFTER LONG ILLNESS

Mrs. E. L. Tooker, well known in this vicinity, called "Home" Saturday Morning, Funeral Sunday.

The death of Mrs. E. L. Tooker occurred at the home of her son, M. E. Tooker, Saturday, April 15, after a lingering illness of several months caused by cancer.

Mrs. Tooker, who was born in Chicago on March 16, 1867, was 55 years old at the time of her death and had resided in Glasgow and vicinity for the past six years. She was the wife of Lewis Wedum, employed at the Lewis-Wedum store, and mother of M. E. Tooker, manager of the Fair store of this city.

Mrs. Tooker possessed a fine character and a charming personality and will be greatly missed by the members of her family and her many friends.

Funeral services, which were held at the residence Sunday afternoon, consisted of a touching address by Rev. William Pippy, and the singing of "Abide With Me," "Asleep in Jesus" and "Jesus, Savior, Pilot Me," by members of the Methodist Ladies Aid society to which society Mrs. Tooker belonged.

The husband, son, daughter-in-law and sister of the deceased left Sunday night with the remains for Aurora, Ill., where interment will be made. The sympathy of the community is extended to the remaining members of the family.

HUNDREDS COME FOR FORD DAY

Big Crowds From Surrounding Community Receive Free Entertainment and Worthwhile Instruction.

About five hundred Valley County men and women were the guests of the Grossman Motor Company of this city at the Free Ford demonstration and instruction Day held here yesterday. This day was inaugurated by the Ford Motor Company some time ago and the idea passed along to their dealers over the country, the local dealer being interested enough to take up the idea and to make it a real success.

An interesting feature of the day was the allotting of numbers to each visitor. Later lots were drawn and prizes awarded to the four first numbers; Peter Mekner, of Nashua, being first received a 30 x 3 1/2 tire; E. D. Chase, second, a 30 x 3 tire; A. H. Nevlow, third, 30 x 3 1/2 inner tube; and Mrs. W. F. Shannon, fourth a high class spark plug. Over three hundred people were the guests of the Grossmans at noon luncheon, after which various demonstrations were made of farm implements operated by the Fordson tractor. Especially interesting was the operation of this handy tractor by means of two lines only as used in the case on a team of horses. The entire operation of the tractor from a seat on a lumber wagon thirty feet to the rear, by the simple pulling of this or that line made a hit with the crowd and showed the efficiency of this particular Ford product.

Everybody then retired to the Orpheum Theatre where most instructive talks were given by Col. Shupp of Minot, on tractor farming, and E. W. Smith, representing the American Fruit Growers Association, who talked on the cultivation and care of potatoes. Following this was a brief resume of the various interests of the Ford Motor Company, then the movie through the Ford plant. This latter feature was the best in itself in this territory, and was in itself a very thorough explanation of the low cost and accurate workmanship of Ford products.

FIRST NATIONAL BANK AT POPLAR TO BE RE-OPENED

While no positive deal has been closed as yet, it may be stated that it is reasonably certain that the First National bank of this city, closed since last October, will be reopened within a short time. O. E. Lee, who had operated banks at Oswego and Frazer, and associates, are negotiating for the bank. Mr. Lee has been here several times within the past month and gone over the proposition thoroughly with directors and principal stockholders and as stated it is almost certain that he will take over the bank.

"The deal looks good to me," said Mr. Lee to the Standard, when in the city Wednesday of this week, "and I believe we will come to an agreement with the directors and stockholders and purchase the bank."

Several of the directors who were seen after Mr. Lee had been here this week declared that the proposition he had submitted was, in their opinion, the best that had been received from any of the several parties who have considered taking over the closed institution.—Poplar Standard.

HAVRE LODGE B. P. O. E. INSTALLS NEW OFFICERS

Newly elected and appointed officers of Havre lodge No. 1201, B. P. O. E. Elks were installed Tuesday night at the Elks hall at Havre by James G. Holland, past exalted ruler.

Those in stalled were Peter G. Barrett, exalted ruler; Chas. T. Hunter, esteemed leading knight; Arthur D. Williams, esteemed loyal knight; Jos. F. Murphy, esteemed lecturing knight; W. B. Pypser, secretary; O. G. Skyles, treasurer; Geo. B. Bourne, three year trustee; G. A. Nichols, tiler; Jas. Morgan, esquire; Theo. Thorson, inner guard; Louis Lindberg, chaplain; Clark Chase, pianist.

Past Exalted Ruler Leon Chouquet presented the retiring exalted ruler with a beautiful past exalted ruler's jewel.

AMONG US FOLKS

Judge Gordon performed a marriage ceremony on the 12th that offers quite a study in picturesque names. Shooter was joined in matrimony to Different Bodied Woman. The groom's mother is Blackhead Woman and his father was Star. The bride's parents are Great Ribs and Returns to Nest. The ceremony was witnessed by Nelson Chasing Hawk. Both parties have been married before and gave their ages as 68 and 62.—Wolf Point Her.

ANNUAL ROD AND GUN CLUB MEETING MONDAY

At a meeting held at the club rooms Monday, April 17th, at 8 p. m., the following officers were elected for the ensuing year: M. D. Hoyt, president; G. H. Klein, vice president; Leo Cole, treasurer, and W. W. Mabee, secretary. Sam Rugg and H. A. Yotter, two simon-pure enthusiasts, came in shortly after the meeting was on—just too late to get jobs—but they'll

be there just as strong, as helpers to put through our aims this year. Last year there was a strong rivalry between E. D. Button, C. E. Hoppin and S. C. Small to keep out of the treasurer's office, which was won by Messrs. Hoppin and Small, as Mr. Button was our treasurer, and had served a year and came out with forty cents in the treasury instead of a deficit, it was thought by those present to give some one else a try, hence, Leo Coleman's election as treasurer.

A suggestion was offered that we include the valley of the Milk River from Brazil creek on the West to Willow creek on the east, in the Cherry creek game preserve. The reason for this being that the overflow, if success is attained, will be naturally into the Milk river valley, and it was so near town that some further protection should be afforded. Think it over and come to the next meeting, Monday, May 1, 8 p. m., at the Commercial club rooms, prepared to discuss and act upon the proposition. In the meantime we expect our Hungarian partridges about April 30. Watch for the new treasurer and have your dollar ready.

W. W. MABEE, Secretary.

INFANT CALLAHAN SON FROM SACO DIES HERE

Valiant Attempts to Save Tiny Life Futile After a Week of Sickness.

Francis, the two months old son of Mr. and Mrs. Jerome Callahan of Saco, died at the Deaconess hospital Sunday, April 16. The child was very ill when brought to the hospital early part of last week and all attempts to save its life were unavailing.

Interment was made in the cemetery at this place on Tuesday, with Father Lucas holding short services at the grave. The sympathy of the community is extended to Mr. and Mrs. Callahan in their bereavement.

HAVRE COMPANY PUTS OUT CHEAP TRACTOR FUEL OIL

The H. Earl Clack company of Havre is now placing on the market a tractor fuel that is produced in the Cat Creek field, and is being sold for 16 cents per gallon.

The tremendous saving that may be made by the farmers operating tractors and engines through the use of this fuel oil may be realized when the cost is compared with kerosene at 19 cents per gallon and gasoline at 27 1/2 cents.

The Clack company ships the oil to Havre in tank cars and distributes it from here. Everyone who has used it so far is reported to be enthusiastic over it as a substitute for the higher priced fuel oils.

It is pronounced an ideal motor fuel oil.

THESE ASK FOR PHEASANT EGGS

Following is the complete list of all people in this community who have asked the secretary of the Rod & Gun club for pheasant eggs for hatching this season: W. W. Mabee, Glasgow; Mrs. J. A. Hedine, Nashua; Palmer Gansch, Hinsdale; Paul Koslosky, Frazer; D. F. Cole, Glasgow, Eighth Point Route; Van K. Moss, Glasgow, Lisman route; Mrs. Edwin A. Speer, Nashua, and Mrs. Mary Nyboken, Nashua.

NELSON COTTON HEADS POTATO ASSOCIATION

Organization Perfected and Officers Elected at Meeting Held on April 10th.

The potato growers of Valley county are now definitely organized into the Valley County Potato Growers' Association with a complete set of officers to transact business for them. At a meeting Wednesday, the 19th, the following officers were elected: Nelson Cotton, president; the three local chairmen, namely: S. M. West of Hinsdale, Herman Sewing of Glasgow, and Ben Dykstra of Nashua, and J. P. Dorr, secretary.

The organization voted to use the modified contract of the Northwest Potato exchange and to co-operate with Blaine and Phillips counties in forming a Tri-County Potato Growers association.

There seems to be an over supply of seed potatoes and if any growers have not ordered their seed it would be well for them to arrange to get their seed as the men having seed are making arrangements to ship out their surplus. Home grown seed is by far superior to any seed purchased outside, and can be bought for less and you save the freight. Make arrangements for home grown seed at once.

George Wixson who has been spending the winter at Myrtle Creek, Ore., returned to Glasgow last Saturday night to get ready for the spring planting on his ranch southwest of Glasgow. He expects to return to Oregon next fall after the crop is harvested and again take up his work there.

OPHEIM ELECTS NEW SCHOOL TRUSTEES

At the school election last Saturday Walter Irgins and Jacob Stevin were elected directors for a three year term. The extra 10 mill levy was voted down, which would look as though the people didn't care to educate their children.—Observer.

FRED WEIGEL IS NEW C. C. SECY.

Chamber of Commerce Decides to Take Up Active Work Dropped When L. E. Jones Left Two Years Ago.

Business houses in Glasgow and many others interested in the welfare and activities of the city are glad to learn that Fred Weigel has this week accepted the offer of the Chamber of Commerce to take over and put the organization back on the firm footing it enjoyed under L. E. Jones' leadership before he left two years ago. The new secretary is popular among the various civic organizations of the town, having been connected with and taken an active part in the administration of affairs of the American Legion, the Firemen, the County Fair and others.

The first undertaking of the new secretary will be the building up of the financial side of the organization, as during the long period of idleness the dues of the various members have lapsed badly. Another immediate problem will be the entertainment of the National Editorial Association for an hour or more on their trip through here from the national convention which will be held in Missoula this coming July.

The best wishes of the Glasgow people are with Fred in his new work to again put Glasgow on the map.

ENGINE CHANGES AT WOLF POINT ARE DISCONTINUED

The Great Northern railway has discontinued changing engines at Wolf point on through passenger trains. According to present plans engine crews will be changed at Wolf Point as formerly.

It is understood that the engine districts for through passenger trains in the territory west of Whitefish have also been changed. Under the new arrangement there would be only one engine change between Whitefish and Seattle, which would be at Spokane.

CULBERTSON FARMER GETS STIFF SENTENCE

Six Months in County Jail for Would Be Bad Man of Roosevelt County.

Sheriff Pat Nacey and the local authorities have been busy the past week rounding up a nest of law breakers living northwest of Culbertson. The trouble started some time ago when the local authorities gave warning to Fred Eischenbacher that his children must be sent to school. This he refused to do, promising instead to remove his family from the state at once. From rumors circulated it was believed that the family had moved to Canada and nothing more was thought of the incident until on Tuesday of this week when Sheriff Nacey went out to serve a warrant sworn out by John Norby the day before. The trouble began when Norby went out to look for one of his horses which he believed was in Eischenbacher's pasture, and he was ordered off the place by Eischenbacher, who threatened him with a shot gun.

Though Sheriff Nacey arrived at the farm early the next morning the two boys were waiting for him in front of the house and warned him off with the shot gun. Nacey managed to work in close to the boy and seized the weapon and at the same time the older boy attacked him. This necessitated a little more drastic treatment on the part of Sheriff Nacey, who soon had them both under control. A thorough search of the house failed to reveal any other inhabitants, but upon going into the cellar the sheriff found the mother and five small children ranging from 2 to 14 years. The father was nowhere to be found.

The two oldest boys were brought to town and a complaint was filed by County Attorney Frank Catlin charging John Eischenbacher, the oldest boy, a young man of 20, with assault in the third degree, and a warrant issued for his arrest. He was brought before Justice of the Peace Frank Moon on the same evening. The boy did not want a counsel for his defense and waived a trial by jury. He was found guilty of assault and sentenced to serve six months in the county jail at Poplar. His brother, Peter, aged 17, was released.

Sheriff Nacey, Marshall Wood, and Frank Moon, after considerable of a search found the mother and children who had fled the house and were camped in a coulee northwest of town. They were brought in and turned over to the poor farm. Search for the father is still going on but at this writing he had not been apprehended.—Culbertson Searchlight.
