NUMBER 25

COURT DECIDES FOR DEFENDANTS

VALLEY COUNTY JUDGMENT IS REVERSED AND COUNTER CLAIM ALLOWED.

Helena, Oct. 11.—Instead of Jacob R. Friesen of Valley county having a judgment of \$800 against the Hart-Parr company for breach of warranties in connection with a deal for a "rebuilt" tractor as was allowed him after trial of his case in the district court of Valley county, his judgment is nullified and the lower court is directed to enter judgment against him and in favor of the defendant in the sum of \$1,422 as of July 12, 1920, in a decision handed down in the supreme court Tuesday. The opinion was delivered by Associate Justice Farr.

Friesen had purchased from the Hart-Parr company on February 29, 1917, a rebuilt tractor, giving his notes for \$1,500 and a used tractor. Friesen later refused the tractor on the grounds that it had not been rebuilt as guaranteed. The company foreclosed upon the tractor, bought it in at \$700 at sheriff's sale, whereupon Friesen sued for \$2,996 as covering the value of his old tractor, his notes, the freight on the tractor and expense of trying to operate the tractor. The defendant presented a counter claim of \$1,500 representing a part of the purchase price of the tractor and other machinery, which was stipulated to be of the amount of \$1,422 as of July 12, 1920.

Trial resulted in judgment of \$800 for the plaintiff from which judgment and an order denying a new trial the defendant appealed to the supreme court.

The supreme court holds that the case was tried upon the theory that it was an action for damages for a breach of contract or warranty for a rebuilt tractor and there can be no recovery by plaintiff in this case. The court also holds the evidence insufficient to sustain the verdict and that it is impossible to reconcile the verdict with the court's instructions.

The judgment and order denying a new trial are therefore reversed and the cause remanded with instructions to enter judgment in favor of the defendant upon its counter claim in the amount as stipulated at the time of the trial.

DISTRICT COURT HAPPENINGS; JUDGE BORTON TO HELENA

Archie Campbell, a breed, who was arrested sometime ago during the Stampede at Opheim, charged with assault on a small girl about six or eight years of age, was brought into Court Wednesday, October 11th, and asked leave to withdraw his plea of not guilty and enter a plea of guilty under a charge of second degree assault. After his plea of guilty was entered the Court sentenced him to not less than two and a half years, nor more than five years imprisonment at hard labor at Deer Lodge.

Campbell is one of the men who sawed his way out of jail here a short time ago, but he was recaptured the following day.

On Tuesday of this week Judge C. D. Borton received a call from the Supreme Court asking him to be in Helena on the 19th of October to sit on the Supreme Court Commission. Judge Borton expects to leave Monday morning for Helena, making the trip by car. Mrs. Borton accompanying him. Judge Borton may be detained in Helena for some time but will arrange to come back about every two weeks to take care of the Law and Motion work in this district.

Judge C. D. Borton and Court reporter C. F. Kenney are in Malta today looking after court business.

EXTENSION PLANS MADE FOR EACH COMMUNITY

The extension program of work in the county for 1923 will be outlined in each farm bureau community this month. A series of farm bureau community meetings has been scheduled as listed below.

In the afternoon I will be with the men of the community at the home of the chairman to discuss the project work. The men will select the projects for the community and choose their project leaders for next year. The projects to be considered are corn varieties, standard grain varieties, tillage methods and livestock.

The community chairmen and meetings are here listed:

- Wild Rose, Oct. 15; Melvin Henry, chairman.
- Larslan, Oct. 16; W. J. Lind, chairman.
- Grain, Oct. 17; James Keil, chairman.

MU. RAY E. STEBBINS, County Agent.

LEGION AUXILIARY PLANS FOR HALLOWEEN DANCE

The Women's Auxiliary of the American Legion held an important meeting in the room over the Lewis-Wedum drug store, formerly occupied by the Red Cross, which has been donated to them for this purpose. The evening was almost entirely spent in formulating plans for a Halloween dance to be given at the Firemen's Hall on the evening of October 31. This will be the Auxiliary's initial entertainment and arrangements are being made to make this one of the most attractive affairs ever given in Glasgow.

A special meeting has been called for Tuesday evening, Oct. 24, when further plans will be perfected and fuller announcement made.

DAN BOYLE, VISITOR HERE IN INTERESTS OF CAMPAIGN

Dan Boyle, who for the past forty years has been connected with the railroad service in various capacities and on several state commissions and boards, and who is now candidate for re-election as railroad, public service and irrigation commissioner on the Republican ticket, arrived in Glasgow Thursday morning in the interests of his candidacy. Mr. Boyle has a host of friends in this community, many of whom he called on while here. In company with Lew L. Callaway, he left Friday morning for points east in the state.

NATURALIZATION LAWS FOR WOMEN CHANGED

Changes Made Necessary Because of Suffrage. Marriage Does Not Change Status.

The clerk of the district court of the Seventeenth judicial district, J. B. Christophersen, is in receipt this week of the new requirements in connection with the naturalization of women, especially those women who may marry un-naturalized foreigners. The change is worthy of comment as it is the direct result of women obtaining the right of franchise by the seventeenth amendment. The complete text of the law as passed by the 67th congress, entitled "An act relative to the naturalization and citizenship of married women" is as follows:

"Be it enacted by the senate and House of Representatives of the United States of America in Congress assembled, that the right of any woman to become a naturalized citizen of the United States shall not be denied or abridged because of her sex or because she is a married woman.

Sec. 2. That any woman who marries a citizen of the United States after the passage of this act, or any woman whose husband is naturalized after the passage of this act, shall not become a citizen of the United States by reason of such marriage or naturalization; but, if eligible to citizenship, she may be naturalized upon full and complete compliance with all requirements of the naturalization laws, with the following exceptions:

- (a) No declaration of intention shall be required;
- (b) In lieu of the five-year period of residence within the United States and the one-year period of residence within the state or territory where the naturalization court is held, she shall have resided continuously in the United States, Hawaii, Alaska, or Porto Rico for at least one year immediately preceding the filing of the petition.

Sec. 3. That a woman citizen of the United States shall not cease to be a citizen of the United States by reason of her marriage after the passage of this act, unless she makes a formal renunciation of her citizenship before a court having jurisdiction over naturalization of aliens: Provided, that any woman citizen who marries an alien ineligible to citizenship shall cease to be a citizen of the United States. If at the termination of the marital status she is a citizen of the United States she shall retain her citizenship regardless of her residence. If during the continuance of the marital status she resides continuously for two years in a foreign state of which her husband is a citizen or subject, or for five years continuously outside the United States, she shall thereafter be subject to the same presumption as is a naturalized citizen of the United States under the second paragraph of section 2 of the act entitled "An act in reference to the expatriation of citizens and their protection abroad," approved March 2, 1907. Nothing herein shall be construed to repeal or amend the provisions of Revised Statutes 1909 or of section 2 of the Expatriation Act of 1907 with reference to expatriation.

Sec. 4. That a woman who, before the passage of this act, has lost her United States citizenship by reason of her marriage to an alien eligible for citizenship, may be naturalized as provided by section 2 of this act; provided, that no certificate of arrival shall be required to be filed with her petition if during the continuance of the marital status she shall have resided within the United States.

GLASGOW WINS OVER SACO TEAM

IN FIRST GAME BRING HOME THE LONG END OF A 58 TO 0 SCORE.

Friday, Oct. 6, saw the Glasgow high school participate in the first football game in four long years.

The team journeyed by auto to the village of Saco where they were met in full force by the loyal Sacois.

The game was called at 3:30. Glasgow won the toss-up and owing to weather conditions picked a goal. Saco retaliated by electing to kick. The ball was kicked to within a few feet of Glasgow's goal line, but was promptly recovered and was carried to Saco's 40-yard line. Silence by all the spectators! How were the two teams going to act? Was Saco going to hold? Yes, they did—held their breath for on that first play the speedy fullback, Friedl, of the Glasgow eleven, broke thru tackle for forty yards and a touchdown. From then on it was merely a foot race—Saco chasing Glasgow.

Glasgow's attack was nearly all line smashes and end runs, a few passes were tried but they were not very successful.

There were surprisingly few fumbles on either side. The local men worked with a speed that showed good coaching and consistent practice.

Baer, right half back, did some wonderful body hurling and tackling. He easily leads the squad in this accomplishment. Friedl, one of the full backs has already gained a reputation as a line smasher and defensive man. Day did good steady work on short line smashes and defensive plays.

Kamper, left half back, also ploughed through the line for a few yards when called upon to do so.

The line must be given a word of praise. Sektman, the center, did some real passing—never fumbling the ball once. The guards, Cooper, Browning, Waters and Dick, used alternately during the game, held the line consistently, never letting a man through.

Barr, big left tackle, struck terror to the hearts of the Saco players. He continually tore through the line and smashed their plays before they were started.

No less can be said of Frazier the stalwart right tackle. He is making some real tackles. The ends, Herring and Combs, did good defensive work, both figuring in snappy end runs.

After dishing out all the above we must say something of the outcome of the game. It ended 58-0, the local players on the big end.

But we must say right here, that the Saco boys showed some real pep and nerve. One or two forward passes nearly netted touchdowns for them.

MALTA PLAYS FOOTBALL HERE SATURDAY, OCT. 1

The first football game of the season on the home grounds for the local boys will be played on the baseball park with the Malta team on Saturday, October 21. This is the first season the Malta team has played so it will be a closely contested battle. The Glasgow boys have had only one game thus far, but they have shown that they have a good start by their decisive winning over Saco last Saturday.

The coach, Mr. Brask, is getting his line-up in more satisfactory shape each night at practice. The football boys feel that they are entitled to the same loyal support from the townspeople that they have always given to basketball, music and dramatic events in the past. In fact it is necessary that they be given better support as the boys Association has an indebtedness of about \$250 for equipment to pay for this first year. The equipment is complete and serves to give the boys the necessary protection from accident. The business men will not be asked for donations. The boys will have tickets to sell and the price will be such that every spectator will get value received for his money. The community owes it to the young people to support the activities that are promoted to develop the proper qualities of good citizenship. The boys will observe their patronage at these first games with interest. Wolf Point will be at Glasgow, October 27th.

LOCAL FLOUR MILL LANDS BIG ORDER

BIG NEW YORK BAKING COMPANY PLACES \$50,000 ORDER FOR FLOUR.

The Glasgow Flour Mill company was successful this past week in the placing of a very large order for Glasgow made flour in the amount of \$50,000. D. J. Kniering, president of the Peerless Home Baking company of New York, was the purchaser.

William Dunnell, president of the Glasgow, Minot and Crosby flour mill companies, brought Kniering to Glasgow after having sold him a large order of flour from the Minot mill. After the purchase in Glasgow both Kniering and Dunnell left again for Minot and from there will go to Crosby to place an order at that place.

The Peerless Home Baking company of New York City is one of the largest baking companies in the country, having had over a two million dollar business last year. In addition to the purchase of flour for the needs of the baking company Mr. Kniering also handles flour as a broker for other bakeries and users of flour in the east.

WORLD WAR VETERAN ON REPUBLICAN TICKET

Dana M. Easton of Poplar, Republican nominee for clerk of the state supreme court, has been a resident of the Gateway city to the Fort Peck Indian reservation ever since that town was established as a municipality more than 10 years ago, going there from his home in Warren, Minn.

Mr. Easton is a graduate from the law school, University of Minnesota, and at present is deputy county attorney for Roosevelt county.

When Mr. Easton first went to Poplar the town was then located in the eastern end of Valley county. In 1913 Sheridan county was created by setting aside the eastern portion of Valley county, a piece of territory about 75 miles square, with Plentywood the county seat. Poplar was situated in the southwestern corner of Sheridan county.

Three years ago Roosevelt county was created when the south end of Sheridan county was cut off and Pop-

lar made the county seat.

When Sheridan county was created Mr. Easton was elected the first member of the house of representatives from that county, serving in the legislative session of 1915.

During the recent World War Mr. Easton served with the American Expeditionary forces in France. In one of the engagements against the enemy he received 16 wounds in the hip when he was struck by a charge of shrapnel.

For several weeks his recovery was doubtful. One surgical operation after another resulted in about six inches of bone and flesh being removed from the right leg, leaving him a cripple for life.

Since his return from the war Mr. Easton has taken an active part in American Legion affairs, holding an important office in the post at Poplar.

He is considered one of the leading practicing attorneys in eastern Montana, and it is conceded by his acquaintances that he is well qualified for the office which he seeks at the hands of the voters at the November election.

D. B. McKee was down from Opheim on matters of business Tuesday.

SUNDAY WAS PROMOTION DAY FOR METHODIST S. S.

It is customary for Sunday schools using the graded course of study to have what is called Promotion Day in order that students who have finished a prescribed course may be advanced from one department to another. In accordance with this custom the Methodist Sunday school of this city featured a graduating program in the church auditorium on Sunday morning at 10:30 o'clock.

The rostrum was beautifully decorated with climbing juniper vines wound about improvised arches and the altar rail, with numerous bouquets of late fall flowers effectively arranged.

A procession of the various departments was headed by the cradle roll members who made a complete circle of the main auditorium, riding on kiddie cars and passing out to their class room again. A devotional period which included prayer and response by all departments, was followed by an outline of the work of the beginners department by its superintendent, Mrs. L. J. Smith. This was followed by the presentation of diplomas to those graduating into the primary department. The class included Mathison Murray, Charles Peterson, Jr., Francis Pippy, Rex Cain and Glenn Maris, Jr. The graduating class passed through tiny white gates while a song of welcome was sung. Mrs. Ernst, as superintendent of the primary department led in Bible response with the graduating class.

A class composed of the following graduated from the primary into the junior department, the work of this department being explained by its superintendent, Mrs. Glenn Maris: John Smith, Paul Hallett, Kenneth Christenson, Ulva Pippy, Fred Cain and Helen Combs.

Faith Smith, Louise Cain and Russell St. Clair were members of a class graduating from the junior into the intermediate department.

At this time also Myrtle Rudberg outlined the eighth grade work of the intermediate department. Miss Sophronia Nelson the freshman work, and Clifford Wolkling spoke in behalf of the boys of this department.

Appropriate exercises marked the close of this impressive service.

PROGRAM OPENS SEASON VALLEY CHAPTER O. E. S.

Ritualistic Work, Followed by Splendid Social Hour and Delightful Luncheon at Hall.

A large number of members and visitors were in attendance at the regular meeting of Valley Chapter O. E. S. held at the Masonic hall Monday evening. JUDGE LEW L. CALLAWAY IS A VISITOR IN GLASGOW

Lew L. Callaway, candidate for chief justice of the supreme court on the Republican ticket, arrived in Glasgow Thursday morning on No. 2 to renew acquaintances with a host of friends he has here and to attend business in connection with his candidacy. Mr. Callaway promises a "substantial and impartial justice" with speed regardless of technicalities" if elected to office at the November election.

WORLD'S WHEAT CROP SHORT, SAYS REPORT

Washington, Oct. 12.—A decline in the estimated wheat production of the world, excluding that of Russia and Mexico, for this year was announced Wednesday by the department of agriculture. The output was estimated in the department's compilation at 3,012,293,000 bushels compared with the previous estimate this year of 3,093,870,000 bushels and the revised estimate for the same countries last year of 9,049,047,000.

This year's estimated yield included, with stocks on hand as far as known, an available supply of 3,192,037,000 bushels, the department advised, as compared with 3,273,588,000 last year. Production in Russia sufficient for domestic needs continued to be predicted, while the total yield for Europe was placed at 985,650,000 bushels compared with the revised estimate of 1,215,084,000 last year, and 1,100,991,000 previously published for this year. The new estimate shows a considerable increase over last year in the United States from 794,893 bushels to 810,123,000, but an even greater ratio of decrease in France and Germany. The estimate places France's production at 235,380,000 bushels against 323,467,000 in 1921, and Germany's at 69,670 compared with 107,798,000.

MORE CARS NEEDED BY THE GREAT NORTHERN

Telegraphic advice received by the state railroad commission from transportation officials of the Great Northern railway in St. Paul is to the effect that the railroad is 20 days behind in meeting demands for cars wanted for shipping cattle and sheep.

It was stated that orders for cars for loading up to September 21 have all been filled and that by the end of the week empties will have been spotted for all loadings for which cars were ordered by shippers up to September 26. It is estimated that the road now is 1,800 cars behind and that it already has booked orders for 2365 cars for shipments after Oct. 11.

Blame for the shortage of stock cars is laid to the fact that 500 new stock cars ordered by the Great Northern for delivery beginning July 15, have not been received because of labor troubles in car building plants.

IMMIGRATION HALT MAY BE ASKED AT LEGION CONVENTION

New Orleans, Oct. 12.—Total exclusion of immigration is sought in the report of the Americanization committee of the American Legion, to be laid before the Legion's national convention next week, according to Elvin Owensley, of Texas, head of the committee.

The report will also recommend that amnesty to persons convicted of wartime offenses be denied and that the United States continue not to recognize the soviet Russian republic diplomatically.

WORLD WAR HEROES IN TRIBUTE TO DEAD

Washington, Oct. 12.—A group of the elect among the allies' heroes passed through Washington late Wednesday paid tribute to the Unknown Soldier, were received by President Harding in the White House, and left Wednesday night on their special train for New Orleans, where Friday, as delegates, they will begin the annual convention of the federation of inter-allied veterans, prior to that of the American Legion, October 16 to 20.

The delegates, representing British, French, Belgian, Italian, Rumanian, Czech-Slovakian, Serbian and American war veterans' organizations, were greeted upon their arrival from a reception committee representing the District of Columbia department American Legion, the army, marine corps and navy. They were welcomed by Captain Watson B. Miller, department commander, and Charles Bertland, member of the French chamber of deputies and president of the federation, responded briefly.

The party was then taken to Arlington National cemetery, where as M. Bertrand expressed, they performed their "first duty" on American soil at the tomb of the Unknown Soldier. He placed on the tomb a tablet pledging "To the Unknown Hero of the American people the homage of his allied comrades in arms, who fought by his side."

Marcel Heraud then presented a gold palm on a black slab on behalf of the municipal council of Paris, of which he is a member.

The delegates were guests of the American Legion at dinner.
