JOHN HOFFMAN DEAD IN WRECK

FORMER GLASGOW ENGINEER IS INSTANTLY KILLED WHEN FREIGHT IS DERAILED.

BRAKEMAN ALSO KILLED

Defective Switch Blamed for Disaster Which Causes Two Deaths at Todd, a Station West of Williston.

John W. Hoffman, for years a resident of Glasgow and well known here, was instantly killed last evening when Great Northern freight No. 664 was derailed at Todd, the first station west of Williston on the Havre-Williston division. Charles G. Holloway, a brakeman on the freight was also instantly killed when the train left the track, after striking a defective switch and plunged down the embankment.

The fireman on the wrecked train was not seriously injured and in talking to newspaper correspondents stated that all that he knew about the accident was that he was shoveling coal into the firebox and the next thing he knew he found himself lying in a wheat field several feet from the wrecked locomotive. The accident occurred about 8:30 last evening. Fourteen cars of stock and grain were thrown into the ditch and badly smashed up along with the engine.

John Hoffman was for years a resident of Glasgow and has a beautiful home on the north side here. He has been running on the Great Northern for a great many years and was one of the oldest men in the service. He leaves a wife and one child, and a sister, Mrs. J. P. McIntyre of Great Falls, formerly of Glasgow, and a brother, Charles Hoffmann, of Three Forks, employed as an electrician on the Milwaukee road.

We were unable to learn before going to press what arrangements were made for the funeral, or where interment would be made.

PROMINENT CHURCHMAN DISCUSSES BIBLE CREDITS

Rev. Franklin Estabrooke, of Denver, Colo., regional educational secretary of the Congregational churches of the Rocky Mountain district, was here Tuesday and held a meeting at the Congregational church in the evening at which representatives from all the Protestant churches and also from the Catholic church were present. The meeting was called for the purpose of discussing plans whereby credits can be given students who cover a certain course of Bible study in the church schools that will count in their high school work. The state board of education is behind the movement and has arranged for high school credits to be given providing certain requirements are met. Several classes are being organized in the various churches to provide instruction for students who wish to take the course in Bible study.

MRS. ALMA POORE DIES AT THE DEACONESS HOSPITAL

One of the sad incidents of the week was the death of Mrs. Alma Poore, of Poplar, which occurred at the Deaconess hospital on Wednesday. Mrs. Poore was in an extremely critical condition when brought to the hospital last Sunday and although every means known to medical science was used in an attempt to save her life, all efforts proved futile and she came after much suffering.

Members of her family were here at the time of her death, a son from Chicago arriving afterwards. The family accompanied the remains to Indiana Thursday evening, where interment will be made near Mrs. Poore's former home. This community extends sympathy to the bereaved family.

DEATH TAKES LITTLE SON OF MR. AND MRS. H. KIPF

After being ill only a week, Everett, the three-year-old son of Mr. and Mrs. Hugo Kipf, living near Haxby, died at his home on Saturday evening. Mr. Kipf was absent at the time of the child's death, Mrs. Kipf being alone with a little girl six years old and a baby a year old sick at the same time. It is the opinion of a local physician that the illness may have been caused by the condition of the drinking water used by the family.

The remains were brought to this city Sunday morning and funeral services were held at Peterson's undertaking parlors on Monday, Miss Mary Sundell of the Baptist church officiating. Interment was made in Highland cemetery.

WOMEN WILL HELP DIRECT CAMPAIGN

Chairman Scanlan Names One for Each of 17 Districts, Mrs. Behner Heads This District.

The action of the Republican state central committee in naming a woman to serve as vice-chairman in each of the two congressional districts seems to have met with general approval, it being considered an appropriate manner of expressing the worth of women as aides in a political campaign.

Those in charge of the Republican national headquarters have noted the action in this regard taken by the Montana state central committee and have expressed the belief that the result will mean added majorities in this state for the Republican column.

Several days ago Joseph D. Scanlan, chairman of the Republican state committee, named Mrs. Emma Ingalls of Kalispell vice chairman for the first congressional district, and Mrs. Rose Ingersoll of Miles City as vice chairman of the second district.

In addition, Chairman Scanlan has named one woman in each of the 17 districts, into which the state has been divided for campaign purposes, to cooperate with the district chairman.

Mrs. E. C. O'Neil has been named for the first district, which is composed of Lincoln and Flathead counties; Mrs. George P. Smith for the second district which includes Sanders, Mineral, Missoula and Ravalli counties; Mrs. Geo. Shively for the third district, composed of Granite, Powell and Deer Lodge counties; Mrs. J. M. Kelly for the fourth district made up of the counties of Beaverhead, Madison and Gallatin; Mrs. T. A. Grigg for Silver Bow county which is the fifth district; Mrs. Frank Bartos for the sixth district which is composed of Lewis and Clark, Jefferson and Broadwater counties; Mrs. Kate McKenzie for Cascade, Chouteau and Judith Basin counties which are in the seventh district; Mrs. B. O. Johnson in the eighth district comprising Park, Sweet Grass and Stillwater counties.

Dignam, Mrs. Mary Flaherty, Mrs. C. E. Hoppin, Mrs. M. C. Jacobson, Mrs. C. W. Kamper, Mrs. E. B. Pease, Mrs. Joe Smart, Mrs. W. F. Shannon, Mrs. P. F. Byder, as delegates, and Mrs. Dee A. Patton, president, and Mrs. Geo. Berry, district president, representing the Glasgow Woman's club.

As No. 2 was late on Friday, the delegation went on the skidoo, arriving with the delegates from the other clubs in District No. 5 at Poplar at about four o'clock in the afternoon.

The program had been scheduled to begin at 2:30 p. m., but was delayed until the arrival of the delegates, who were taken in automobiles from the train to the Presbyterian church where the meetings were held.

The special features of the program Friday afternoon were the address of welcome by Mrs. J. L. Atkinson, president of the Poplar Woman's club, and the response from the guests represented by Mrs. A. G. Hauge, president of the Woman's club at Wolf Point.

Mrs. Berry, district president, then introduced the delegates, by clubs, and several of the clubs responded with their club yell. The Glasgow Woman's club, led by Mrs. Hoppin, rendered the following vociferous selection, "Ziss, boom, bah! Ziss, boom, bah! Glasgow Woman's club, Rah, rah, rah!"

After this Mrs. E. B. Pease of Glasgow gave a very fine paper on "The Modern Girl and Her Mother." She emphasized the mother's responsibility. The Glasgow Woman's club is planning to have Mrs. Pease give this paper again at one of their general meetings.

Mrs. S. M. Souders of Red Lodge, state president, then gave a report of the state federation meeting at Bozeman.

Following this meeting an informal reception was held at the home of Mrs. Kitch, wife of the superintendent of the Indian agency. The guests were here assigned to the various hostesses, members of the Poplar club, for entertainment. A very fine collection of Indian handwork was on exhibition. Tea was served, accompanied by dainty wafers, nuts and candies.

At eight o'clock in the evening the delegates were the guests of the Poplar Woman's club at an elaborate banquet served at the Gateway hotel. Following the repast, Mrs. H. E. Rickard, toastmistress, introduced the state president, Mrs. S. M. Souders, and Mrs. F. Bossout of Havre, state chairman of conservation work, and former president of district five. Both gave very delightful responses. The following program of toasts was then very much enjoyed:

"Let Us Have Peace in Our Hearts." "The Gentle Art of Doing Things Courteously."—Mrs. C. D. Kenyon, Chinook.

"We Two Will Live at Once, One Life, and Peace Will Be With Us."—Mrs. Dudley Jones, Dodson.

"To Everything There is a Season, and a Time to Every Purpose Under Heaven."—Mrs. H. A. Yotter, Glasgow.

"Come Sorrow, Come Joy, Come Success or Failure; They Are All Grist to Our Mill."—Mrs. John Curran, Poplar.

"In the Common Interest of Our Children We May Find that Better Understanding Between Nations which Will Make Possible 'World Peace.'"—Mrs. Mary Flaherty, Glasgow.

"A Man's a Man for a That."—Mrs. J. Bruner, Nashua.

"Lest We Forget"—On account of a slight confusion there were two responses to this toast. Mrs. Rae (formerly Miss Ethel Spooner of Glasgow) Wolf Point, and Mrs. C. W. Kamper, Glasgow.

"Methought I Heard a Voice Cry, 'Sleep No More.'"—Mrs. Berry, president District Five.

The Saturday morning session was opened at 9:30 with assembly singing, followed by assembly reading of "The Club Woman's Collect." After a short business meeting Mrs. G. A. Wright of Hinsdale read a very fine paper on "Woman's Citizenship," which was followed by a delightful saxophone solo by Miss Pete Patch of Poplar.

Miss Baertsch, teacher of domestic science in the Poplar high school, then gave a very instructive paper on "Vitamins." Miss Lund, representing the American Red Cross, gave a very interesting portrayal of her work followed by a violin solo by Miss Gre-

ARCHIE CAMPBELL HAS HAD CRIMINAL RECORD

Breed Sentenced for Assault, Old Offender and Has Served Terms in Two Other States.

There is an interesting story in connection with the conviction and taking to prison last week of Archie Campbell, a breed, who pleaded guilty to a charge of assault, committed during the Opheim stampede.

Under Sheriff Hanson took Campbell to Deer Lodge last Friday, and while waiting in the depot at Butte, a special agent of the department of justice who happened to be on his way to the train also, saw Campbell and asked if he had not seen him before. Campbell turned to Hanson and remarked that he had just been spotted.

The special agent then occupied a seat in the train with Hanson and his prisoner and told of the criminal escapades of the convicted man.

Some years ago in Kansas Campbell had gotten into an argument with another man and in the scuffle that followed pulled a gun and shot him. Not satisfied with that he again shot him through the head while his victim laid prostrate on the ground. Campbell was given an indeterminate sentence for this offense and served his term in Fort Leavenworth.

Shortly after this Campbell was arrested in Wyoming for cattle or horse rustling and was sentenced to a term in the state prison at Atlanta, Wyoming. He saved his way out of jail but was captured after a desperate chase lasting a day, by a posse of deputies and citizens of Atlanta.

He did not surrender, however, until several shots had been fired and exchanged at the time he was surrounded in a clump of brush and small trees.

After completing his sentence in Atlanta he then came to northern Montana, the next time he was heard of being his conviction in the district court at Glasgow.

JONES - TRAVIS

On Thursday morning Judge G. W. Rapp united in marriage Roy E. Jones and Essie Travis, both of Poplar, in the parlors of the Rapp hotel. Mr. and Mrs. Jones will live in Poplar for the present, later moving to Mr. Jones ranch about 15 miles from Poplar.
