The chief event in fraternal circles for some time past was the celebration of the twenty-second anniversary of Granite Tent No. 4, order of the Maccabees, which occurred Wednesday evening. About 150 were present, including State Commander Sherwood of Portland. An honored guest also was E. A. Hildreth of Butte Falls, known as "The Father of the Tent." who organized the local order twenty-two years ago. The ladies of Margaret Hive, the women's auxiliary, swarmed into the lodge hall and added to the gaiety of the event. There was a program, banquet and dance, the festivities being kept up until 2 a. m. F. H. Crowson is commander and George F. Damon

Bowlby Asked To Resign

Governor Withycombe has requestd the resignation of State Engineer Bowlby. The action was caused by intipathy on the part of the legisature and refusal to enact needed highway legislation unless he resigned. The resignation of Mr. Bowlby, it is understood, will not affect the highway construction in Jackson county, as the state engineer's work was practically finished and it is said the county court will arry the work forward as planned.
