THE ONE-ATTEMPT MAN OR WOMAN

who, for example, publishes a Want ad once, and if it does not bring the result desired decides that "advertising does not pay," should study the practical results, in all lines of endeavor, of perseverance. The law of "try again" is as potent in want advertising as in any other effort or enterprise.

Unfortunate indeed is the town whose leading men become so over-conservative that they lean backwards. That will kill a place quicker than anything else—always advising against investment, thinking that will raise them high in the stranger's estimate as a conservative. Better be conservative in actions than in conversation. The first may save your hide, but the last peels everybody.

A BIT OF ADVICE.

First, Don't Delay; Second, Don't Experiment.

If you suffer from backache, headaches or dizzy spells; if you rest poorly and are languid in the morning; if the kidney secretions are irregular and unnatural in appearance, do not delay. In such cases the kidneys often need help.

Doan's Kidney Pills are especially prepared for kidney trouble. They are recommended by thousands. Can Ashland residents desire more convincing proof of their effectiveness than the statement of an Ashland citizen who has used them and willingly testifies to their worth?

Mrs. M. J. Wilbourn, 190 B street, Ashland, Ore., says: "I have used Doan's Kidney Pills and have found them so good that I willingly recommend them. I keep a supply in the house all the time. Whenever my back and kidneys bother me I have Doan's Kidney Pills on hand and they quickly drive the trouble away. I never knew of another remedy that gave such good results. I think all kidney sufferers would do well to give Doan's Kidney Pills a trial."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Wilbourn had. Foster-Milburn Co., Props., Buffalo, N. Y.

The following letter tells its own story:

To Whom It May Concern:

We have this day received draft of \$800 in full payment of the policy carried by us in the California Insurance Co. on our stock and fixtures which were destroyed by fire on January 13th. We cannot speak too highly of the prompt settlement by the company and the courteous treatment and efficient service received from the adjuster and their local representative, Mr. Lillings.
