The law of "try again" is as potent in want advertising as in any other effort or enterprise.

Tidings Want Ads

are little real estate salesmen who visit 2,500 prospective buyers twice every week. Where is the big real estate salesman who does as much? And it does it all for the small sum of one cent a word. In writing your ad you should give a full and fair description of the property offered, so that the reader can estimate readily whether the property will suit his desires. It is not the province of advertising to make the sale, but rather to find the customer, create the desire and put the buyer directly in touch with the seller. Somebody wants your property. The little want ad may not find him the first time, but keep it going. It will surely do the business if diligently pursued. Put the little ad to work and keep it working for a month, two or three months. When it brings about a sale you will find the commission it costs is relatively small—practically nothing. Try it.

Belleview and Vicinity

BELLEVIEW AND VICINITY.

The closing meeting of the year of the Parent-Teacher Circle was a very enjoyable one. Miss Tomes, the president, gave a talk on "What the Women of Belleview Are Reading," and Mrs. Joy gave excellent suggestions of things to be accomplished during the summer months, one of which was warfare against the weeds, and June 22 was decided upon as "Weed Day," when all Belleview is requested to turn out to cut and slash the weeds along the Boulevard and side streets. This will be our second observance of Weed Day and we feel sure there are a few less mullens this year on account of our efforts in this line. The new officers elected were as follows: President, Mrs. Barnard; vice-president, Mrs. C. R. Moore; secretary, Mrs. Miksch; treasurer, Mrs. Miller. Mrs. Gray and Mrs. Joy then treated us to delicious sherbet, wafers and coffee.

Mrs. Fred Carter of Eugene, who has been visiting in Ashland the past week, spent Saturday at the F. C. Homes, Jr., home. Little Miss Alice accompanied her mother.

Grants Pass Fish Poacher Convicted

Si McClung, the Grants Pass fish poacher who has been the leader in breaking the fish laws in Josephine county, was convicted May 7 at Grants Pass, this being the third trial of the defendant. McClung was convicted at his first trial but at the second trial was released on a technicality.
Fish Wardens Merrill and Sandry arrested McClung at the Golden Drift dam when they saw him snag salmon with a gaff hook. Three of the fish were brought in the court room as evidence.
According to the fish wardens, sentiment is changing in Josephine county and a number of convictions are looked for in the next few days.

The greatest economy of Ford cars is not in the low price but in the low after cost of operation—less than two cents a mile—in city and country. They are designed and built to serve and save; to bring the luxury of pleasure and the sturdiness in business work—this is why there are more than 700,000 now in use—this is what has made the Ford the universal car—these are the merits we present why you should buy a Ford.

Buyers of this car will share in profits if we sell at retail 300,000 new Ford cars between August 1914 and August 1915.

Runabout \$440; Touring Car \$490; Town Car \$690; Coupelet \$750; Sedan \$975, fully equipped, f. o. b. Detroit.
