FOUND \$30,000 IN GOLD.

A pot of gold, supposed to have been buried during the Civil war and worth about \$30,000, was recently found in an old spring by a poor farmer. No doubt the discovery brought him much happiness, but really nothing was compared to the happiness enjoyed by sickly people who have been restored to health by Hostetter's Stomach Bitters. This sovereign remedy is backed by fifty years of cures, and is highly endorsed by many prominent physicians throughout the country. It is a specific remedy for stomach, liver, kidney and bowel disorders, such as headache, heartburn, loss of appetite, indigestion, constipation and biliousness. Be sure to try it. The genuine must have our Private Stamp over the neck of the bottle.
