ASTORIA'S GREETING.

Tears filled the eyes of United States Senator-elect Fulton yesterday when he came upon the platform of his train and looked over the crowd, that had assembled to honor him.

Senator Fulton is a famous man who is beloved by the people who best know him. Those thousands who assembled yesterday to welcome him back to his home know him well.

Senator Fulton recognized this as he stepped from his car. He knew well from a glance into the open faces of the people that they loved him; he knew that his own satisfaction at his election was not more complete than that of the people of his home city.

And it is no wonder that tears welled up in his honest eyes, for seldom has such an honor been paid any man. Senator Fulton deserved it all, and had the homecoming yesterday seen that of Hon. John H. Smith or any other loyal Astorian, "Charlie" Fulton would have been foremost in honoring him.

Astoria is proud of her beloved Charlie. She has nourished him almost from boyhood and has lent him every possible encouragement in the great undertaking from which he has emerged.

Ordinary sores Purify the Blood Heal the Sore. S. S. S. cures slow healing sores by purifying and invigorating the germs, vitiated blood and purging the system of all corrupt matter.

THE POETRY OF THE ORANOR.

"It appeals to you, when the fruit hangs ripe and sweet on the tree late in February, or early in March. Then the blossoms break out, and the trees are yellow with golden globes, and white with orange flowers. It may be that a flurry of snow has whitened the mountain tops, and then you have an artistic background for a tropical forest. The air is full of sunshine, and heavy with the fragrance as night comes on, and then, if the moon be shining, you hear at midnight through open windows, the song of the mocking bird in the accented grove, and it never seemed so melodious before."

An experience like this is possible any winter, and it is worth a journey of a thousand miles, while you can have it, by taking the scenic Shasta route through the grand and picturesque Shikayo and Shasta mountains, to southern California. Complete information about the trip, and descriptive matter, telling about California, may be had from any Southern Pacific agent, or W. E. Conan, Gen. Pass. Agt., S. P. Co., Lines in Oregon, Portland, Oregon.
