The effect of **Medical Lake Water** on the run-down and diseased system is really marvelous, and this wonderful remedy cures by natural means, functional derangements of the Liver, Kidneys and Stomach—it will restore you to perfect health, pleasantly and as sure as the sun shines. The Tablets dissolved in water make a delightfully cooling and delicious drink, and are especially suggested to those whose blood is poor and who are subject to **Rheumatism, Gout, Neuralgia and Malaria**—whether gliding away over the rails or sailing over the blue, you may find it convenient to have these remedies with you.

 Gentlemen—I came to Medical Lake in the spring of '96 so badly crippled up with inflammatory rheumatism that I could not walk without crutches, and after six weeks' stay, busling daily, I went to teaming between this place and Spokane, and I have had no further trouble with rheumatism.

An oriental picture, emblematic of the mystic shrine, is in the window of the art store of Frank Woodfield, and attracts the attention of all who pass. Two camels, covered with colored trappings, are in the center, while at their feet an Arab is saluting. The whole, surrounded by a handsome engraved frame, is beautiful indeed.

Der Commercial Club Team was dressed mit chocolate brown knock-kickers cut decolay; leg of mutton sleeves; bustles ofer der shoulders and ear muffs on der noses while der All Star Team wore a shmlie and an air mit confidence already yet.

Feerst der Rufferee blowed a fistle, den Jester Fox counted von to several hundred and before he het counted long some feller in der crowd commenced a fight und by chlimmying both Teams got mitx and dere was der wotrat mitx oop I efer see; pooty soon meater Knutsen was seen running away mit a ball vich he received as a voding present und efery mother's son und der All Star Team dried to take it away, but they couldnt ketch him because he was already ketchted. So der Rufferee declared Knutsen's side winners, score 142 to 66.

L. Lebeck has just finished driving 125 piles at the Cooperative cannery, which are for the foundation of the cold storage soon to be built. Mr. Lebeck would have been through with the work some weeks ago, but the recent fierce storms wrecked his driver and destroyed the jins. The driver was rebuilt and the work was pushed rapidly and effectively. The apparatus was moved yesterday to the O. R. & N. dock, and the contractor will confine his attention to the improvements now going on there.
