Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

Portland, Nov. 7.—Turkey is going to be high this Thanksgiving, as it was last, according to wholesale dealers who have been looking up the prospect.

Last Thanksgiving time live turkeys brought 20c a pound wholesale, and the dressed birds sold at 22c. One prominent dealer said today: "This made the retail price 25c, and I think the same prices will rule this season. Many turkeys have been raised in Southern Oregon, but these birds will be shipped mainly to San Francisco, unless Portland bids up on them pretty well."

Twenty-five cents retail is as high as Portland consumers will stand, however, and they will do without turkey on Thanksgiving day, rather than pay any more. In San Francisco the retail price may go to 30c, and even higher; but the promise of high prices on the other hand may draw largely from the turkey stocks of the North and cause a slump in that city. In that case shippers will be sorry they did not send their birds to Portland, where the prices have been steady for the past four or five years.

Chickens are not arriving very freely so far this week, and prices offered do not justify heavy shipment. Commission men discourage poultry raisers from sending chickens in until the present surplus is worked off uptown.

WHAT CUTICURA DOES FOR WOMEN

Too much stress cannot be placed on the great value of Cuticura Soap, Ointment, and Pills in the antiseptic cleansing of the mucous surfaces, and of the blood and circulating fluids, thus affording pure, sweet, and economical local and constitutional treatment for weakening ulcerations, inflammations, itching, irritations, relaxations, displacements, pains, and irregularities peculiar to females. Hence the Cuticura remedies have a wonderful influence in restoring health, strength, and beauty to weary women, who have been prematurely aged and invalidated by these distressing ailments, as well as such sympathetic afflictions as anaemia, chlorosis, hysteria, and nervousness.

Women from the very first have fully appreciated the purity and sweetness, the power to afford immediate relief, the certainty of speedy and permanent cure, the absolute safety and great economy which have made Cuticura the standard humour remedy of the civilized world.

TORTURING HUMOR

Cured by Cuticura. "I suffered five years with a terrible itching eczema, my body and face being covered with sores. Never in my life did I experience such awful suffering, and I longed for death, which I felt was near. I had tried doctors and medicines without success, but my mother insisted that I try Cuticura. I felt better after the first application of Cuticura Ointment, and was soon entirely well. Mrs. A. Etson, Bellevue, Mich.
