THE COMING TRANSPORTS.

In the navigation of the air we are apparently in an era of brilliant ideas and a certain amount of successful experimentation. The newly-tried methods of regulating the levels of balloon travel, the novel devices for controlling balloon speeds and the increased efficiency of the steering apparatus in dirigible balloons are but a few of the features of recent important progress made with this form of airship.

ISN'T IT QUEER?

It is a conscious fact that the men whose names have been linked with big Chicago properties and enterprises are dead and their millions now in the hands of their wives and daughters who are unrepresented.

ARE YOU A BON VIVANT?

The pith of life, after all, is a good feed. The good things of this life are not as a rule easily found, so that it is a pleasure to find so close at hand a first-class up-to-date establishment, where one gets those good things at every meal, like the Palace Restaurant, on Commercial street.

AT STAR TODAY!!

This afternoon at the matinee and the evening performance at the Star theater, will be the last opportunity to witness the best high class vaudeville that has ever been seen in Astoria.

WAS A VERY SICK BOY.

But Cured by Chamberlain's Colic, Cholera and Diarrhoea Remedy. "When my boy was two years old he had a very severe attack of bowel complaint, but by the use of Chamberlain's Colic, Cholera and Diarrhoea Remedy, we brought him out all right."

UPRISING IMMINENT.

ST. PETERSBURG, Aug. 31.—Dispatches from Saratov state that the peasantry in Volga province are talking of an uprising at an early date. Nothing, it is said, will satisfy them by a distribution of all the land.

Chamberlain's Cough Remedy Acts on Nature's Plan.

The most successful medicines are those that aid nature. Chamberlain's Cough Remedy acts on this plan. Take it when you have a cold and it will allay the cough, relieve the lungs, aid expectoration, open the secretions and aid nature in restoring the system to a healthy condition.

ARBITRATION POSSIBLE.

SAN FRANCISCO, Sept. 1.—The outlook for a settlement of the car strike is promising. After a length conference between Mayor Schmitz and President Calhoun, the latter announced his willingness to submit all the disputed subjects to arbitration and the officials of the carmen's union have issued a call for a mass meeting of the members for tonight to act on Calhoun's offer.

Pain from a Burn Promptly Relieved by Chamberlain's Pain Balm.

A little child of Michael Straus of Vernon, Conn., was recently in great pain from a burn on the hand and as cold applications only increased the inflammation, Mr. Straus came to Mr. James N. Nichols, a local merchant, for something to stop the pain.

EVERYTHING IS SEARCHED.

WARSAW, Sept. 1.—The police, assisted by troops last night searched the street railway cars, cabs and passers-by. Hundreds of arrests were made.

BEAUTIFUL WOMEN.

Plumb cheeks, flushed with the soft glow of health and pure complexion, make all women beautiful. Take a small dose of Herbine after each meal; it will prevent constipation and help digest what you have eaten.

TROOPS NOT NEEDED.

VICTORIA, Aug. 31.—The attorney General's department does not anticipate the despatch of troops to Babine Lake as a result of the resistance of the Indians there against the police. The trouble is considered over-stated.

SPRAINS.

S. A. Read, Cisco, Tex., writes, March 11, 1901: My wrist was sprained so badly by a fall that it was useless; and after using several remedies that failed to give relief, used Ballard's Snow Lintment and was cured. I earnestly recommend it to any one suffering from sprains.
