NOTICE OF INTENTION TO IMPROVE

NOTICE IS HEREBY GIVEN, THAT the Common Council of the City of Astoria has declared its determination and intention to improve 3rd street from a point eight feet north of the center line of Exchange street to a point eight feet south of the center line of Grand Avenue to the width of twenty feet through the center thereof and on the established grade. Said improvement shall consist of grading said street to the established grade to the width of twenty feet through the center thereof, and macadamizing said street to the width of sixteen feet through the center thereof with crushed rock or macadam to the depth of eight inches when thoroughly rolled and with a six inch crown in the center thereof, and said grade when the macadam is placed shall be to a depth of eight inches below the established grade.

In matters of detail said improvement shall be constructed according to the plans and specifications therefor to be prepared by the City Surveyor as hereinafter provided and general ordinance No. 1901 and any matter of construction and drainage found necessary to make the improvement safe or substantial shall be done by the contractor whether specified or not, without extra charge.

That the costs and expenses of constructing said improvement shall be defrayed by special assessment upon the lots, lands and premises benefited by the same, which lots, lands and premises are included in the special assessment district including all lots, lands and premises so benefited to-wit: Lots 7 and 8 in block 37; lots 5 and 6 in block 36; lots 1, 2, 7 and 8 in block 52; lots 1, 2, 7, and 8 in block 78; lots 1 and 2 in block 83; lots 3 and 4 in block 82; lots 3, 4, 5 and 6 in block 79; lots 3, 4, 5, and 6 in block 53, all in that part of the City of Astoria as laid out and recorded by John McClure and extended by Cyrus Olney, in Clatsop County, State of Oregon.

NOTICE OF INTENTION TO REPAIR.

NOTICE IS HEREBY GIVEN, THAT the Common Council of the City of Astoria declared its determination and intention to repair Commercial street from the East line of Ninth street to the west line of Fourteenth street. Said repairs shall consist of removing all the old street decking, from curb to curb, including the crossings, and between Ninth and Tenth streets, straightening up the stringers so as to bring the street to the established grade, and filling in where necessary to do so, and by replanking the street on the existing stringers from the East line of Ninth street to the West line of Fourteenth street with good sound yellow fir lumber 4 inches in thickness by 12 inches in width. All old material that is suitable for use in repairing streets shall be taken away and stored by the superintendent of streets as the same is taken up by the contractor, and that which is worthless shall be removed by the contractor at his own expense and not dumped under the roadway, and the decking on said street at the intersection of Commercial street and Twelfth street, or from the West line to the East line of Twelfth street, shall be surfaced on three sides, sized and well dried and upon said crossings when so replanked a coating of Elastic Cooked Asphalt to the depth of 1 1/2 inches shall be placed, and rolled with a hot Asphalt Roller, to prevent a smooth surface; said asphalt to be spread upon said intersection on the street decking.

In matters of detail said improvement shall be constructed according to the plans and specifications therefor to be prepared by the City Surveyor as hereinafter provided and general ordinance No. 1901, and any matter of construction and drainage found necessary to make the improvement safe or substantial shall be done by the contractor whether specified or not, without extra charge.

That the costs and expenses of constructing said improvement shall be defrayed by special assessment upon the lots, lands and premises benefited by the same which said lots, lands and premises are included in the special assessment district including all lots, lands and premises so benefited, to-wit: Commencing at the Northwest corner of Lot 8, in Block 25, in that part of the City of Astoria laid out and recorded by John McClure, and extended by Cyrus Olney, and running thence East through the middle of Blocks 25, 59, 58 and 57, in McClure's Astoria, and tract "A" of McClure's Astoria as laid out and recorded by the Astoria Real Estate & Exchange Company, to the Northeast corner of Lot 5, in said tract "A," and running thence South along the East line of said Tract "A" and also the East line of Block 136 in that part of the City of Astoria laid out and recorded by John M. Shively to the Southeast corner of said Block 136 in said Shively's Astoria, and thence running West along the South line of said Block 136 to the Southwest corner thereof, and thence running North along the West line of said Block 136 to a point where the West line of said Block 136 would be intersected by the South line of Lot 4 in Block 62, in that part of the City of Astoria laid out and recorded by John McClure and extended by Cyrus Olney, if extended East on a straight line, and running thence West through the middle of Blocks 62, 61, 60 and 26 in McClure's Astoria to the Southwest corner of Lot One (1) in Block 26, and thence running North along the East line of Ninth street to the place of beginning, and containing all lots, lands and premises within the said above described district, which includes all lands, lots and premises benefited by said improvement or repairs.
