Superintendent Maguire and Passenger Agent Jenkins Issue New Schedule.

A new time card will be issued on or about June 2nd compiled by Superintendent Maguire and Passenger Agent Jenkins with a view to giving this city the best service possible under present conditions. Although the whole schedule may not possibly come into effect on the date of issue the greater portion of it will, and those trains which are held over will only be annulled till the season is fairly opened. On looking over the schedule and comparing it with those of former seasons it will be noticed that the city has got the best service this summer which has hitherto been given her. The chief alteration it will be observed is that the night train, No. 24, which will leave Portland in the future at 6:55, instead of 7:00 p. m., will run right through to Holiday, arriving there at 11:35 p. m. Formerly this train laid over in Astoria and made the latter.

The morning train will leave Astoria at 8:15 a. m. running through to Holiday, via Fort Stevens, arriving at 9:30. Returning it will arrive at Astoria at 11:00 a. m. Another train will leave Astoria at 11:30 a. m., and will arrive at Holiday, via Fort Stevens, at 1:45.

Leaving Holiday at 2:25 p. m. will arrive at Astoria 4:00 p. m.

The evening train for Seaside and Holiday will leave Astoria 5:50 p. m. and arrive at Holiday 7:25 p. m.

Saturday special will leave Portland 3:30 p. m. and arrive Astoria 6:02 p. m., and Holiday 6:55 p. m. Holiday will in future be the terminus instead of Seaside city her terminus. Other changes and additions are as follows:

No. 22 will leave Portland A. M. as now and will arrive here at 11:35, Seaside 12:40 and Holiday 12:45.

SHOOTS MAN WHO ROBS HIM

WILLIAM BLACK, OF ALTOONA, SHOOTS MAN WHO ROBBED HIM WHILE TRYING TO ESCAPE.

Yesterday forenoon William Black of Ilwaco shot a railroad employee on the road near the McGowan residence at McGowan. Black claims that the man was trying to run away from him when he (Black) was attempting to arrest him. Black was armed with a revolver and fired five shots at the man only one of which took effect. This struck him in the back of the neck and the bullet came out through his mouth. The man fell and was taken on to Chinook. It is reported that Black was bringing down two men to Chinook, who had obtained money from him by means of raising their time checks, to give them into the charge of the marshal. Black, who ran a saloon at McGowan, has been in the habit of cashing the checks of the railroad employees. Some of the men took advantage of the opportunity to raise the amounts of their checks; in one case, from \$7 to \$70. News of this came to Black through the bank when the checks were returned to Erickson and Peterson the contractors by whom they were drawn. Black was in Astoria on Thursday and saw one of the men who had raised a check, on the streets. On Black crossing over to point him out to the marshal the man bolted and got away into the swamp behind Ilwaco. Black then said he would get him somehow and sometime and would wait for him till he did. Yesterday he got two of the men who had robbed him though whether one of them is the man who escaped Thursday is not known at present. With these men Black started out to Chinook intending to hand them over to the sheriff there. On the way one of them tried to get away and the shooting took place.

The man shot is now in charge of the deputy sheriff at Chinook and though badly hurt is still alive. Checks have been raised on Black by these men to the amount of \$290.

BODY FOUND.

Aged McDonough's Body Found in River at Altoona By Son.

The body of Joseph L. McDonough, who has been missing since 2 o'clock in the morning on Friday the 10th inst., was found by his son Philip yesterday. The body was at the bottom of the river beneath the walk which leads from the saloon to the roadway and had evidently been there ever since McDonough was missed last Friday week. It is presumed that Joseph McDonough, who was an old man, upwards of 80 years in fact, missed his footing in the dark and stepped on the wet board walk of the footway, and then fell headlong into the river. No one heard any cries for help, in fact, no one suspected the fatality until the old gentleman was missed and so alone and helpless he passed to his sad end within easy reach of human aid. The body will be brought to the undertaking parlors of William C. Pohl in this city and the interment will take place Monday at the Greenwood cemetery, though final arrangements have not yet been made.

The body was recovered by Philip McDonough who had offered \$50 reward for its recovery.

Their places were filled with non-union men and there was no interruption of the service. The United Railroads announced that today, next week, they would operate their cross town lines and begin to restore their night schedules. Between 600 and 700 brewery workers went on a strike for a flat increase of \$1 per day.

Trading again was exceedingly active, but the market lacked the frenzied conditions that characterized the previous session. The conditions today were more favored to the bears, weather in the Northwest being more moderate and the Liverpool market steady. July opened 5-8@1-8c lower at 98 5-4@99 1/2c and sold off to 98 3-4c, lower at 99 1/2@ \$1.00. December opened 3-4@1 3-4c lower at \$1.00 1/2@1.01 and dropped back to \$1.00 1/4.

The corn market was affected by the break in wheat and showed losses in some cases of nearly one cent. Trading was of large proportions. July opened 3 1/4@ 3-8c to 1/2@5-8c lower at 53 1/4@53 1/2c, sold up to 53 3-4c and then declined again to 53 1/4@3-8c.

Oats opened rather weak because of the slump in wheat, but the market soon rallied. Leading commission houses were active bidders. July opened 18c higher to 5-8c lower at 46@ 46 3-4c and advanced to 47c.

Provisions were quiet and steady. July pork was up 2 1/2c@16.72 1/4; lard was unchanged at \$9.27 1/2 and ribs also unchanged at \$9.00.

The market ruled heavy throughout the session. July closed 3 5-8@3 3-4c under yesterday, at 96 1/4@96 3-8c, and May at 94c.
