

THE WEEK IN ASTORIA SOCIETY

All items of social or personal nature will please be sent to Miss Alert, the Astorian office. Phone Main 661. No communication will be received later than 10 o'clock Saturday morning, except in case of an event occurring later than that time.

This week with its noise and gaiety has been one of the liveliest of the year the people are beginning to flock to the beaches and with the perfect weather we are having, we are beginning to feel that summer has come at last.

The Fourth which was a perfect day was, of course, the most important day of the week and the celebration of it was a success from the start to finish, for which the committee in charge of the day deserves much credit.

The Grand Ball given on Thursday night at Logan's hall was a decided success there being about five hundred people present including the Goddess of Liberty and her maids.

Hammond Dance.

A merry crowd of people went down to Hammond on the evening of the Fourth about two hundred and fifty young people going on the train and the remainder on the handsome little launch the Pilot, dancing was indulged in until a late hour and those who had the pleasure of taking the trip to the pretty little coast town pronounced it enjoyable.

Social Club.

The Liberty Bell Social club of this city gave one of their delightful dances last evening in Logan's hall. There was a large crowd in attendance and with the jolly crowd that attends these dances the usual good time was had.

Card Party.

The young people of St. Mary's Catholic church gave a sooty little card party and dance at their pretty hall on Tuesday evening, there being about seventy five in attendance.

Whist was the game of the evening after which dancing was indulged in.

The prize winners were as follows: Mrs. Haddix, the first ladies' Prize, Miss Leahy, the consolation; and Mr. Moore won the gentlemen's consolation prize.

Paldanus-Belt.

Miss Martha Paldanus of this city was united in marriage at Salem on Tuesday to Mr. Harry H. Belt of that city. The young couple have many friends in this city who wish them all kinds of a success for a happy, wedded life.

Ladies' Aid Society.

The Ladies' Aid Society of the First Lutheran church gave a very nice entertainment last evening.

Stranhan-Bagley.

Miss Eva B. Stranhan of this city was united in marriage to Mr. John T. Bagley of Hood River.

Camping Party.

A pleasant little party of Astorians left yesterday for a ten day's outing trip to the Nehalem.

The jolly little party was composed of: Mr. and Mrs. D. B. Allen, Miss Kathryn Shively and Mr. John C. McCue and with this lovely weather they are almost certain to have a lovely time.

The ladies of the Dorcas Society of the First Lutheran Church gave a picnic to Olney on the 5th.

The launch Pilot was used to convey the party to Olney and those that were fortunate enough to be on this little excursion spent a nice day.

Birthday Party.

A party of young people will leave on this morning's train for an outing to the beach in honor of the birthday of Miss Mabel Munroe. The party consists of the Misses Hazel Munroe, Esther Becken, Mr. Arnold and Enevold Becken.

Mr. and Mrs. Charles Brink and daughter, Miss Betty are at Seaside for a few days outing.

There were several theatre parties given at the Astoria theatre this week, among them was one given on Friday evening by Mr. Arnold Becken and Mr. Will Smith.

The company is a good one and will remain in this city for some time.

A Jolly Outing.

On the Fourth of July the Presbyterian Endeavor Society in Alderbrook gave a Launch picnic out on Young's River, they brought fireworks and had a celebration of their own.

A splendid lunch was served and all of the party has a jolly good time.

Mr. and Mrs. August Moberg chaperoned the party of young people.

Pleasant Picnic.

Mrs. Nelson Troyer entertained about fifty of her friends with a picnic to Little Bear Creek where they enjoyed a tramp through the woods and afterwards a delicious lunch.

Mrs. Troyer, Mrs. C. S. Brown, Mrs. Lounsbury and Mrs. Will Tallant chaperoned the party and the crowd enjoyed a thorough good time.

The launch Teddy Roosevelt was used to carry the guests to and from the pretty place.

Church Sale.

The Ladies' Guild of the Episcopal church held a sale at Mrs. Ross' millinery store on Eleventh street. Bonnets, delicacies and the sale of the new cook books were the main articles of the sale.

The cakes looked tempting the decorations were pretty and with the ladies in their dainty summer dresses made a pretty scene.

Blake-Johnson.

Announcement is made by Mrs. J. N. Sale of the wedding of her grand daughter Gertrude May Blake to Mr. Karl Frederick Johnson at the young lady's home at Young's river on July tenth at one o'clock.

The wedding ceremony is to take place on their lovely lawn in front of the house and about one hundred wedding invitations have been issued.

PORTLAND MARKETS

Wholesale Price List as Reported Daily.

PORTLAND, June 6.—Indications are that there will be a large crop of wild blackberries this year in all parts of the Northwest, and it is expected that pickers will begin the work of gathering the fruit next week. Already a few small lots of the berries have reached the local market, but as yet the season has not really opened.

The few wild blacks that have come in thus far sold readily at 2 1/2 cents a pound. Fruit dealers look for considerable shipments next week, but they say there is small probability of prices going down to any great extent. The prices for canned salmon point to high prices. The reasons for this are a short pack, increase in consumption and higher cost of materials and labor.

There's None "Just as Good"

Among Pacific Coast piano firms as

THE HOUSE OF EILERS

The leading piano factories of the country realize that the "Eilers Plan" is the best way to sell pianos at retail, and have proven their confidence in us by making us exclusive Pacific Coast agents for their instruments. Over Fifteen Thousand individual purchasers in the nine past years is ample proof that

OUR PLAN IS THE BEST

As our business grows bigger our profit on each sale is made less. That's our way to keep growing, to spread the profit thinner each year but over a wider surface. That wouldn't do in the filling of a pie but it works well in our piano business. Our customers this year get the best the "piano world" affords in quality for the price. See the new ones at our Astoria branch.
