TARGET AND RANGE

National Marksmen Begin to Gather at Camp Perry.

INTERNATIONAL CONTESTS

Many Trophies to be Contested for by Teams—Matches Will be Shot Between the Marksmen of this Country, England and Canada.

WASHINGTON, Aug. 5.—From now until September the eyes of all rifle- men in this country will be on Camp Perry, Ohio, where the annual matches of the National Board for the Promotion of Rifle Practice, the National Rifle Association, the Ohio State Rifle Association, and the Ohio National Guard will be shot. The matches begin August 19, but prior to this several days will be spent in preliminary practice for places on the Palma Trophy Team, which will shoot against Canada and England at Ottawa on Sept. 7. The matches of the National Rifle Association, with those of the State Associations, will occupy the week from August 19 to 24 inclusive. August 26 and 27 will be set aside for preliminary practice for the big national matches, which will occupy the remainder of the week. In the great match for the National Trophy, donated by Congress, it is expected that between forty and forty-five teams of twelve men each will be entered. Each team will be accompanied by substitutes, coaches and supernumeraries and in addition there will be a large number of marksmen shooting on WASHINGTON LETTER other teams and as individuals, so the attendance will be not far from one thousand men, which will include the best military rifle shots in the country. This is the first time the matches have been shot at Camp Perry, which is one of the newest and most complete ranges in the country. It lies on the shore of Lake Erie, near Sandusky and Point Clinton, and across the lake from Put-in-Bay. The targets will be along the north side with the butts at the lake, so the bullets will fall in the water. As it is shallow here there will be no danger to passing vessels. It is expected that some remarkably high scores will be made, partly on account of the north light as the marksmen will not have to face the sun at any time. The increasing amount of practice with the military rifle should also show in the scores, especially as most of the rifle- men have kept in practice during the winter by using the Krag or Winchester. 22, which gives the same results in indoor practice as the .30 at outdoor practice. Many of the competitors are arrang- ing to reach Camp Perry by a part water route, taking the steamer at Detroit on the west or Buffalo on the east. From Sandusky or Toledo all local trains will stop at La Curne, from which shuttle trains will run to the camp. State teams travelling in special cars may have the same parked at the camp. Competitors seeking relaxation will find it at Port Clinton, Sandusky, Put-in-Bay, or other nearby resorts, special arrangements having been made for an evening train to leave camp after the matches and return about midnight. This train will connect with steamers to the different resorts. There will also be a day steamer between the camp and Port Clinton and between Port Clinton and Put-in-Bay. The match of Palma Trophy, will at- tract the attention of the world as in it will compete the best shots of England, Canada and the United States. The Ottawa Range, of which it will be shot, is at Rockcliffe, near Ottawa. The shot is delivered northeast on fifty targets set in one line. Behind the pit is a high stopbutt, painted black, which minimizes the effect of the early morn- ing light, says Arms and the Man. Against the back-stop all of the targets show up with great dis- tinctness. The firing points lie one behind the other, the longer ranges be- ing slightly elevated. On the left is the Ottawa river, turning at the foot of a high bluff, while on the right the range is bordered by woods. Streetcars run on the clubhouse on the grounds and two regiments are quartered there. One of the most celebrated regiments in Canada, the 43d Regiment, Duke of Cornwall's own Rifles has its head- quarters in Ottawa. The Commander is Lieut. Col. S. M. Rogers, one of the best shots in the English service, who served with distinction in the Boer war. The conditions of the Palma match provide for teams of eight men, shoot- ing with the service rifle of their coun- try, fifteen shots at 800, 900, and 1,000 yards. The English team will proceed to Australia, where it will shoot against the cracks of that country. Its expen- ses are being paid by subscriptions and about fifteen of twenty thousand dollars were contributed for the purpose. The expenses of the American team are also paid by subscriptions, which may be sent to the National Rifle Association, 299 Broadway, New York City, or to Lieut. Col. N. B. Thurston, of New York, who will captain the American team. The American team will be selected at the National Rifle Matches at Vamp

Perry, Ohio, in August, and will be given a few days preliminary practice on the Rockcliffe Range, where the Palma Match will be shot on Sept. 7.

FINGER NAIL SCRATCH RESULTS IN DEATH

A short time ago you may have read of the remarkable case where a simple scratch of the finger nail caused death by blood poisoning. At first it was only an annoying itch caused by summer rash. This was scratched by the finger nail to relieve the itch, but the skin was torn open, the irritation became worse and finally resulted in a fatal case of blood poisoning.

Do not scratch or rub the itch or irri- tation caused by summer rash, mosquito bites, hives, prickly heat or any form of skin disease or itch. D. D. D. Prescrip- tion, the best known remedy for eczema and all forms of skin diseases, externally applied, will at once stop the irritable itch. It soothes and cools the skin and permanently cures the itch or disease. Infants and children are saved many hours of agony and torture from the unbearable itch if a few drops of D. D. D. is applied to the afflicted parts. Re- member—the itch is instantly relieved. Call at the store of Charles Rogers, Astoria, Or., and you can get a bottle. Try it.

Man Zan Pile Remedy comes put up in a collapsible tube with a nozzle. Easy to apply right where the soreness and inflammation exists. It relieves at once blind bleeding, itching or protruding piles. Guaranteed. Sold by Frank Hart's Drug Store.
