**GREAT PAY ROLL.**

Nearly Thirty-Two Million Dollars Paid Out Annually.

From the "Blue Book" which is shortly to be issued, it appears there are 28,947 employes of the Government residing in the District of Columbia, receiving \$31,541,225 annually. This does not count the Senators and Congressmen, and the session employes, committee clerks, private secretaries, etc. The government puts in circulation in Washington more than fifty million dollars annually—its share of the District of Columbia expenses alone is between eight and nine millions. As all this is paid in "currency" and the payments are as regular as clock work, there is good reason why the "currency famine" has not been felt here to the same extent as elsewhere.

**REQUISITION FOR ADAMS.**

BOISE, Idaho, Dec. 4.—Governor Gooding today granted the requisition for Steve Adams, wanted in Telluride, Colo., for the murder of Arthur Collins. Adams, it is understood, will be brought to Boise and kept until after the Pettibone trial when he will be turned over to the Colorado authorities.

**GOES AFTER GERMS.**

**Hyomei Does Its Work in Curing Catarrh.**

Nature's remedy for catarrhal troubles is the oils and balsams found in Hyomei. It is a specific, not a cure all. It has but one mission, the cure of catarrh. The natural way of curing a disease is always the scientific way and the scientific way of curing catarrh is the simple way, with Hyomei.

Catarrh is a germ disease and can be cured only by using Hyomei, the treatment that reaches and destroys all catarrhal germs.

Breathed through the neat pocket inhaler that comes with every outfit, Hyomei's medication reaches the most remote air cells of the nose, throat and lungs, going after the disease germs wherever present, destroying them and preventing their growth, thus making catarrhal troubles impossible.

There is no dangerous stomach dosing when Hyomei is used. It is solely an inhalation treatment, prepared specially to kill the catarrhal germs and is so successful that T. F. Laurin sells it under an actual guarantee to refund the money if it does not give satisfaction.

Begin the use of Hyomei at once and see how quickly it gives relief and lasting cure; complete outfit is only \$1.00.

Gold production in the United States is approaching \$100,000,000 a year, of which nine-tenths is mined in the trans-Mississippi region. This is a good time to dig pay dirt in increasing quantities.

Lane's Family Medicine is a tonic-laxative. It does not depress or weaken, but imparts a feeling of buoyancy and strength that is delightful. At all druggists 25c.

**Danger in Asking Advice.**

When you have a cough or cold do not ask some one what is good for it, as there is danger in taking some unknown preparation. Foley's Honey and Tar cures coughs, colds, and prevents pneumonia. The genuine is in a yellow package. Refuse substitutes. T. F. Laurin, Owl Drug Store.

**Another of the reports hard to understand is that the railroads are reducing their activities, and yet suffer from a shortage of cars to handle the freight offered.**

Watermelons and sweet corn grown in Alaska and Yukon will be exhibited at the Alaska-Yukon-Pacific Exposition in 1909. It was recently demonstrated that these two products can be grown to advantage in the Northland.

**PUBLIC SPEAKER INTERRUPTED.**

Public speakers are frequently interrupted by people coughing. This would not happen if Foley's Honey and Tar were taken, as it cures coughs and colds and prevents pneumonia and consumption. The genuine has no opiates and is in a yellow package. Sold by T. F. Laurin Owl Drug Store.
