## "CALIPH" SUCCUMBS

Hippopotamus in Central Park Zoo is Dead.

### LARGEST ANIMAL OF BREED

Millions of People Have Gazed Upon the Enormous Brute Whose Weight Was Four Tons—Five Off-Spring Have Been Reared.

NEW YORK, Jan. 10.—"Caliph," the great hippopotamus which was 22 years in the Central Park Zoo is dead. For several days he had been ailing and in spite of all the keepers could do for him, he gradually grew worse. Last night the headkeeper entered his enclosure to see what could be done for him. Caliph rolled his little eyes, gave a grumpy groan and expired.

Caliph was about 34 years old and was the largest animal of his breed in America, weighing something like four tons. Since the day 22 years ago, when he and his mate, "Miss Murphy" arrived in the Zoo he has been one of the most attractive animals there and millions of people have gazed at him as he waddled around his enclosure, occasionally opening his enormous mouth seemingly pleased with the wonder he created. For years Caliph and Miss Murphy were happy together, five offspring blessing their union. The last of these, Peter, was taken away from the park a year ago when he was three years old. After that Miss Murphy began to grow peevish and frequently attacked her mild-mannered spouse. Finally so bad did her temper become that the two animals were separated. Since that time, except for brief intervals, they have occupied separate cages. Miss Murphy has not yet realized that her spouse is dead. It is said that the hippo's equivalent of a stork is hovering over the Zoo. It has not been decided what will be done with Caliph's carcass. He was valued at \$5000.

### EVER WATCHFUL.

A Little Care Will Save Many Astoria Readers Future Trouble.

Watch the kidney secretions. See that they have the amber hue of health;

The discharges not excessive or infrequent;

Contain no "brick-dust like" sediment. Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they're sick.

Mrs. A. M. Hobbblough, of 328 Grant street, Portland, Oregon, says: "My faith in Doan's Kidney Pills is stronger today than when I gave a statement for publication a few years ago in the city papers. The years that have elapsed since I first used Doan's Kidney Pills (with gratifying results) have only increased my appreciation of them. I have found the remedy to be thoroughly reliable in every way. I had suffered from kidney disorder, backache and severe pains in my loins. My chief source of trouble was with my kidneys, which were very irregular in action. Doan's Kidney Pills promptly relieved me of all my troubles, banished my backache, corrected the action of my kidneys and helped me in every way. I think just as highly of his remedy today, as when I gave a public statement some years ago."

Plenty more proof like this from Astoria people. Call at Chas. Rogers's drug store and ask what his customers report.

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, New York, sale agents for the United States.

Remember the name—Doan's—and take no other.

Without taking sides in the controversy as to whether wild bear are dangerous, we desire to call attention to the evidence available to prove that the Wall street breed are the most dangerous bears on earth.
