The Most Common Cause of Suffering

Rheumatism causes more pain and suffering than any other disease, for the reason that it is the most common of all ills, and it is certainly gratifying to sufferers to know that Chamberlain's Pain Balm will afford relief, and make rest and sleep possible. In many cases the relief from pain, which is at first temporary, has become permanent, while in old people subject to chronic rheumatism, often brought on by dampness or changes in the weather, a permanent cure cannot be expected; the relief from pain which this liniment affords is alone worth many times its cost. 25 and 50 cent sizes for sale by Frank Hart and Leading Druggists.

A Pastoral Letter to Lutherans.
The congregation known as "The German Lutheran Church," has for a long time been without a regular pastor, and the little flock has become

more or less scattered. When the work was turned over to the undersigned it was the understanding of the board of missions that it was to be the nucleus of a new organization. The congregation we are now to organize will use the English language exclusively in its work, and is therefore not confined to the German people and their descendants, but wishes as far as possible to illuminate all national boundaries as an American institution. All Lutherans therefore, who are not affiliated with any local organization of our church are earnestly and cordially invited to meet at the German Lutheran Church on Grand avenue, near Fourteenth street, this Sunday afternoon at 3 o'clock, when initiative steps will be taken toward such an organization. Yours, in the faith,

GUSTAF E. RYDQUIST, Pastor and Organizer.
