ILWACO
 Mrs. Matt Markham left Thursday afternoon for Chinook to visit for a few days with Mr. and Mrs. Clarence Curry.

Miss Emma Reckmeyer, who has been rusticated at Long Beach for several days, left Thursday for her home in Portland.

The much advertised minstrel show of Thos. J. Culligan has come and gone. The show proved a success the first evening and was well attended, but the attendance the second evening was so small that the performance was called off and money refunded.

Mr. and Mrs. James L. Vaughn and Mrs. Mabel Hughes returned the latter part of the week from a few days' outing at the beach.

While at work last week, J. W. Miller, of North Beach, was seriously injured. A good sized log rolled off the wagon onto him and for a while he was thought to be dying. Dr. Paul, of Ilwaco, was hurriedly called and pronounced the injury serious but not fatal. Mr. Miller is slowly recovering and with careful nursing will pull through all right. We join the many friends of Mr. Miller in wishing him a speedy recovery.

R. V. Holman and George S. Holman spent a day or two in Ilwaco the latter part of the week attending to their many business interests in this locality.

Thursday a crowd of pleasure seekers spent the day at Sand Island where they watched the seining crews make large hauls. Those in the crowd were as follows: R. A. Hawkins, wife and two children, Norman Howerton, Elaine King and Winnie Hansen.

Charles Bohn, of The Dalles, Or., a well known and highly esteemed young man among the people of Ilwaco is making a short stay at Ilwaco and Long Beach.

Mrs. Frankie Walley and daughter, of Portland, are stopping with W. C. Morden and family for a few days this week.

Reverend David Leppert, who made a business trip to Portland the first of the week, returned Friday afternoon accompanied by two friends.

Miss Mabel Rogers returned Thursday from a short visit with friends in Portland.

Mr. and Mrs. Wm. Fredenberg, of Ilwaco, returned from Seattle, the first of the week, where they had been placing their little daughter under the care of an eminent physician for

treatment. The little girl has been invalid from birth with spinal trouble and has been a constant care during this time. Appeals to medical aid have failed to give relief until their recent trip to Seattle, Mr. and Mrs. Fredenberg are very much encouraged with the results so far and are assured that a cure will be effected within a few months.

The bazaar given by the Presbyterian Ladies' Aid Society was in every way a success. A very attractive feature was the beautifully decorated table from which delicious home-made candies were sold. Fancy work of all descriptions was on exhibition in a booth, presided over by Mrs. James. It sold very rapidly. Ice cream and cake were served in the banquet room both afternoon and evening. The entertainment given in the evening consisted, of recitations and music, vocal and instrumental, the attendance was large and the proceeds ran well into the dollars. The money will be used to help pay the debt on the manse.

Everett Douglass, who is stopping at Long Beach, had the misfortune to shoot himself in the foot, Friday, severing three toes. The injury is not considered dangerous, unless blood poison sets in.

Surrounded by their children and grand-children and numerous friends, Mr. and Mrs. Henry Simmons celebrated their silver wedding Friday evening. They were the recipients of several very beautiful presents.

Arthur Snook returned to Vancouver Saturday after a pleasant week's outing at Long Beach.

Astoria Theatre.

The Swedish Dramatic Company are now in excellent condition for the play, "Wife in Name Only," at the Astoria Theatre, Sunday, August 30. No money is being spared to make this one of the most attractive festivities of the Astoria regatta. The San Francisco and Oakland papers speak very highly of this play, and it ought to be seen by all the Astoria theatre goers. The company also plays in Portland one night, September 5th, such demand has been made for tickets that the house is almost sold out already, which will give you an idea that the play is worth seeing. A ladies quartette is also included which will be a credit not only to the company, but also to the management of the opera house. The latest of songs are very cleverly introduced on this occasion.

THREATEN A JUDGE.

Black Hand Letter Received in City Of Mexico.

MEXICO CITY, Aug. 22.—Excitement was caused at police headquarters here yesterday by the receipt of a letter from Pittsburg, written ostensibly by a member of the "black hand" and threatening the life of Judge Juan Perez de Leon. The envelope in which the missive was enclosed bore the printed inscription of the Pittsburg Hotel.

Judge De Leon was the magistrate who recently sent two Americans to prison charged with robbing a bank messenger. It is believed here that they are members of a dangerous criminal band who worked in various capitals and that the alleged black hand letter was from their confederates who escaped and returned to Pittsburg. The police of Pittsburg and Philadelphia will be asked to trace the sender of the letter.

A JOB FOR EVANS.

CHICAGO, Aug. 22.—A dispatch to the Tribune from Los Angeles, Cal., says:

Rear Admiral Robley D. Evans, has been offered the chairmanship of the Los Angeles Harbor Railroad Company, a big corporation, which will practically control the harbor of Los Angeles at San Pedro. The offer was made yesterday, but no reply has been received.

BRICKLAYERS BUSY.

NEW YORK, Aug. 22.—The Bricklayers' unions report that business is picking up. The following encouraging statement was issued last night:

"The condition in the building trades has greatly improved during the last two months. Many big office buildings are going up while apartment houses and two story houses are going up in great numbers. Activity prevails throughout Greater New York.

TORRE PICTURE DOWN.

CHICAGO, Aug. 22.—A dispatch to the Tribune from Guthrie, Okla., says:

Much indignation was manifested last night by Republicans when it became known that a large picture of Taft and Sherman, posted within the last few days, in Lone Hall, Republican state headquarters, had been torn down. An investigation has been unavailing. The picture has been replaced.

NEW YORK STOCKS.

NEW YORK, Aug. 22.—The week in the stock market has been characterized by extreme irregularity and professionalism. Trading partook of the usual midsummer dullness, little public interest being evinced in spite of the increase of the money and properties which are truly encouraging. This is especially true in the southwestern agricultural sections. The approaching elections in Vermont and Maine and latest developments in New York and Minnesota impart a political tinge to the situation. General betterment is reported in most mercantile and industrial lines. Among the railroads the noteworthy events of the week were the excellent returns of the Harriman roads and the extreme weakness of the Rock Island-Frisco sureties.

CONVICT BEATS WIFE.

SAN FRANCISCO, Aug. 22.—H. Schelenberger, who was released from San Quentin yesterday is again being sought by the police as a result of an assault committed on his wife, Mrs. Jennie Smith, at her home here last night. The ex-convict beat the woman terribly and her screams attracted the neighbors who arrived too late to catch her husband. The woman is suffering from a fractured skull and other injuries and has thus far been unable to give a connected story of the assault.
