Archbold Wrote Letters to Senators Quay and Penrose Regarding Morrison.

Archbold Makes Contributions to Ascertain Public Lecturers—\$3000 For One Year's Subscription to a Farm Magazine.

NEW YORK, Oct. 31.—Hearst brought the campaign of the Independence party to a close at Carnegie Hall tonight, reading letters which revealed an attempt of the Standard Oil to shape public opinion. Hearst read letters to show that Archbold had communicated with Judge Morrison and Judge Henderson regarding their appointment by Governor Stone. Morrison had written to Archbold seeking his aid in securing an appointment and Archbold, according to letters read by Hearst, wrote to Senators Quay and Penrose expressing his desire that Morrison be appointed. A number of letters were read showing "Certificates of deposit" had been sent to a number of newspapers and class publications including one of \$3000 covering one year's subscription to the Manufacturers' Record, and another of \$5000 to a farm magazine. There were contributions by Archbold to certain public lecturers and a letter from Joseph C. Sibley, chairman of the committee of manufacturers, house of representatives in which Sibley proposes a plan of education by establishing an "Efficient literary bureau, not for a day nor for a crisis, but a permanent and healthy control of the Associated Press and kindred avenues."

ORDERED TO LUZON.

Four Additional Companies of Coast Artillery Are Sent Out.

WASHINGTON, Oct. 31.—The ordering of four additional companies of coast artillery to the Philippines marks substantial progress in the work of constructing fortifications in those islands. The national coast defense board estimated the cost of its project for the defense of Manila at \$6,368,819 and for Subig Bay \$2,248,190. The first appropriation for that project was made June 18, 1906, since which time a little more than one-half of the work has been done. The entire project will be completed in about two years if ample appropriations are made and as

TRIAL OF MORSE AND CURTIS NEARS END

EVIDENCE ALL IN AND COURT ADJOURNS UNTIL MONDAY NEXT.

MORSE WAS ON THE STAND

District Attorney Does Not Continue Cross Examination—All of the Directors Knew the Details of the Wilson Loan.

NEW YORK, Oct. 31.—Both prosecution and defense in the trial of C. W. Morse and A. H. Curtis, charged with violating the Federal banking laws, rested their case early this afternoon, and court adjourned until Monday, when concluding arguments will be made. This should place the case in the jury's hands by Monday night.

District Attorney Stimson abandoned today his announced plan to continue the cross examination of Morse. Instead he announced that he had no other questions to ask and the witness was turned over to counsel for the defense.

When Morse's attention was called by his counsel to the letter signed by himself and other directors of the National Bank of North America, declaring that Morse had no interest in the K. A. Wilson loans, which was mentioned in connection with the cross-examination yesterday, Morse said that although he had signed the letter, he did not know that it contained that particular paragraph. All the directors knew the details of the K. A. Wilson loan, he said, and had any of them known the denial of his connection with the Wilson loan was a part of the letter, he believed none of them would have signed it. Certainly he was not, he declared. Mr. Morse said he believed the letter was dictated by Cashier Wire.

In answer to further questions he said he knew the guarantees he had given Curtis were not legal, he

NO WEDDING BELLS FOR TEDDY JR.

President's Son Denies that He is Engaged to Marry.

HARTFORD, Conn., Oct. 31.—There is absolutely and positively not the slightest foundation in fact for such a report, was the way which Theodore Roosevelt Jr., took of emphatically and finally disposing of the report from Washington that he was engaged to marry Miss Carrie A. Munn, daughter of Mrs. Charles A. Munn, of Washington, when he was seen at his boarding house in Thompsonville last night. He had just returned from the carpet factory where he is now working in the worsted room. Young Roosevelt did not deny that he knew the young lady mentioned, but intimated that that was the extent of his acquaintance with her. He said he liked his new job of segregating worsteds at the mill very much.

nevertheless considered himself morally responsible for the loans. This concluded the examination of Morse.

Both sides announced this afternoon that they had no more evidence to submit to the jury. The court then adjourned until Monday.

ELECTION FORECASTS AS SEEN BY THE RIVAL MANAGERS

Both Parties Are Confident of Victory Next Tuesday by Large Majorities.

CHAIRMAN MACK GIVES OUT HIS ESTIMATE

Claims Seventeen States for Bryan Classified to Go to Taft—Republicans Sure of New York State for Both Presidential and Gubernatorial Candidates.

NEW YORK, Oct. 31.—The rival managers of the Republican and Democratic national campaigns issued today final claims of victory. Against the 325 electoral votes claimed by Hitchcock for Taft, Chairman Mack set an estimate of 333 votes for Bryan. Mr. Mack's estimate of votes for Bryan does not differ materially from his previous statements. He includes Maryland, Delaware, Missouri, in the "solid South" and claims 17 states classified by Hitchcock as "Sure for Taft." These states include New York, Ohio, Indiana, Kansas, Nebraska, etc.

New York state is claimed tonight by both old parties for national and state tickets. The Republican managers are apparently confident that Taft will have a substantial plurality and in the last week has grown more bold in their claims for the reelection of Hughes, although he admits his vote will fall short of that polled for Taft. Republican State Committeeman Ward went so far today as to say that Taft will carry Greater New York.

The Democrats have claimed ever since the renomination of Hughes, in the face of the opposition of certain leaders of his own party, that the governor will be defeated. They are willing to admit, he has gained during the last two weeks of the campaign but assert Chanler will be victorious by a large plurality, and that Bryan will receive the electoral vote of the state by a considerable margin.

Mack, in giving a forecast tonight, declared it meant a landslide for Bryan. He said:

"In my estimate of the electoral votes for Bryan I include in addition to 169 votes of the solid South the

PRINCE VON BULOW WOULD RESIGN

Imperial Chancellor Offers But Emperor Refuses.

BERLIN, Oct. 31.—According to the Nord Deutsche Allgemeine Zeitung, Prince von Bulow, the Imperial Chancellor, today offered his resignation to Emperor William in consequence of the publication in London of the interview with his majesty, for which the Prince took the responsibility.

The Emperor would not accept the Chancellor's resignation and at the same time permitted Prince von Bulow to publish a full explanation so as to meet the unjustifiable attacks that have been made upon his majesty. It was announced conclusively at the foreign office tonight that the Chancellor would remain in office.

BAKER CITY SCHOOL DESTROYED BY FIRE

INCENDIARY CAUSES A LOSS OF \$20,000 IN SCHOOL PROPERTY.

THE CITIZENS ARE AROUSED

Mayor Johns Issues Proclamation Urging the Shooting of Incendiaries on the Spot—Fire Department Efforts Unavailing.

BAKER CITY, Or., Oct. 31.—As a final climax to the many smaller fires which have caused uneasiness in this city recently, the elegant North Baker school building was destroyed by the incendiary's torch last night, causing a property loss of \$20,000 with but \$8500 insurance. The flames were first discovered under the cupola and despite the work of the fire department the building was completely ruined. There is no clue to the criminal but the city is excited over the matter and should be found it is probable that Mayor Johns' proclamation of several days ago, wherein he urged any citizen to shoot an incendiary on the spot, would be acted upon. Eight school-rooms comprised the North Baker structure. It was one of four very fine school buildings in this city.

OREGON CAMPAIGN NOT VERY ACUTE

Confidence of Republicans Detracted Enthusiasm and Democrats Make Weak Fight.

PORTLAND, Oct. 31.—The campaign in Oregon closed tonight with rallies in nearly all of the principal cities and towns of the state. For several reasons the campaign in Oregon has not been very spirited. Oregon is normally Republican by a large majority and will doubtless return four Taft electors. This has detracted from the Republicans enthusiasm and has deterred Democrats from making as vigorous a campaign as they would had there been any hope of success. Another

PLAN ELABORATE PROGRAM

Portland Prepares Royal Welcome For Coming Rail Kings—Commercial Club Arranges Entertainment With Many Noted Speakers.

PORTLAND, Oct. 31.—Next Friday morning the North Bank Railroad will be officially opened to traffic. The occasion will be made of more than ordinary interest by the presence of James J. Hill, chairman of the board of directors and Louis W. Hill, president of the Great Northern, who will arrive in Portland Friday morning. They will be accompanied by Howard Elliott, president of the Northern Pacific system, and will remain until midnight of November 6, when their special will be taken north over the new road. As soon as word of this visit was received today by Secretary E. C. Giltner, of the Chamber of Commerce, he began preparations for the entertainment of the distinguished guests. It will be given under the auspices of the Chamber of Commerce and its entertainment committee, of which General C. F. Beebe is chairman. It will be by invitation and the price of tickets will be announced at a later date, as well as the list of speakers. President Hill and President Elliott will be given prominent places on the program.

Upon the arrival of the railroad kings they will be met by a reception committee headed by President C. F. Swigert, of the Chamber of Commerce. During the day they will be entertained at a luncheon and by an auto trip. It is possible that the committee in charge of the affair will not attempt to arrange any outdoor ceremony at the terminal depot. President Francis B. Clarke, of the North Bank Road, will meet the Hill party at Spokane Thursday morning. They will visit Astoria and remain there over Thursday night.

thing that is wanting to arouse maximum pre-election enthusiasm is that there is no state or congressional election and no local issue involved. A certified report of Secretary Ryan of the Democratic state central committee was made public today. It shows the committee has received campaign contributions aggregating \$1252.50 and has spent up to today \$1235.54. The Republican committee has not made public its official statement as yet but it is understood that the contributions to its fund amount to about \$4500.
