NON-VOTER DEFINED.
Straightforward Opinion Of An Episcopal Bishop In Chicago.

CHICAGO, Nov. 2.—"The man who does not vote is a criminal, a skulker and a coward."
Thus declared Bishop Samuel Fallows yesterday in St. Paul's reformed Episcopal Church in his sermon prelude. "The citizen's duty at election." Disfranchisement of the men who has the power to vote and fails to execute it was suggested by the Divine as a remedy for apathy on the part of the voters.

"The pulpits of the land ought to ring out the strongest utterances on the high crime of not voting. It would be a drastic measure which doubtless would not carry, to disfranchise the man who had the power to vote and deliberately refused to exercise it."
"The voter is a soldier of the republic. Its affairs cannot be carried on without his aid any more than the conduct of an army without the soldiers loyal response to the word of command. And he is a skulker and a coward in the civil ranks of life who does not vote, as the soldier is who hides or shows the white feather, in time of an engagement."

TOMMY IS HAPPY.
CHICAGO, Nov. 2.—Tommy Burns likes Australia, according to a letter received in Chicago yesterday from the heavyweight champion, but what is of more importance, he tells about his battle with Jack Johnson for the title which will take place December 26 at Sydney.

"You know that I have signed to meet Johnson," Burns says, "but you may not know that I am getting my price, as I always said I would. I get \$30,000, and it is all put up in the referee's office in London. Johnson gets \$5000 win or lose, an extra \$500 for his end of the moving pictures and three round trip tickets from London."

CROUP QUICKLY CURED.
Don't Let the Child Choke to Death While Waiting for the Doctor.

Croup should have prompt treatment. The life of many a dear one has been sacrificed because the right remedy was not at hand.
Pay close attention to the child who is feverish, thirsty, and occasionally coughs dryly and shrilly. This is the first stage of croup, and instant treatment should be given.
Hyomei, the miraculous, antiseptic dry air treatment, will cure croup in either the first or second stages. Easily inhaled, even when the breathing is irregular, it reaches more promptly inflamed membrane of the windpipe. Its soothing balsams act immediately, the inflammation is allayed, and the swelling reduced.

"Not long ago our little boy, Walter, awoke in the night with a bad attack of croup, so that he experienced great difficulty in breathing. We allowed him to inhale Hyomei, and he immediately began to breathe easier, and in half an hour was fast asleep. Our children, being subject to croup, we feel safe with Hyomei in the house, and I am glad to speak a good word for a remedy that will rob croup of its terrors."—Rev. Geo. Sisson, Pastor of M. E. Church, South Londonderry, Vt.
Hyomei (pronounced High-o-me) is the quickest acting and most sensible remedy ever discovered for all diseases of the nose, throat, and lungs. It is guaranteed by T. F. Laurin to cure catarrh, coughs, colds, asthma, bronchitis and croup, or money back. A complete outfit, including a neat hard rubber pocket inhaler, costs only \$1.00. An extra bottle of Hyomei, if afterwards needed, cost but 50 cents.

Mr. Bryan is said to be very fond of music. His favorite song this year seems to be, "If You Ain't Got No Money You Needn't Come Around."

The Republican plan of campaign is on the firing line, and every shot tells.

Any finders of stray letters will please send them to 26 Broadway.

Mr. Bryan is one of the best August, September and October winners that ever ran for office.

Bryan's dead past will not bury its dead.

BACKACHE IS WEAK KIDNEYS

IS NATURE'S DANGER SIGNAL
—THIS SIMPLE PRESCRIPTION OFTEN PREVENTS SERIOUS KIDNEY DISEASES.

More people succumb each year to some form of kidney trouble than any other cause. The slightest form of kidney derangement often develops into Bright's kidney disease, diabetes or dropsy. When either of these diseases are suspected the sufferer should at once seek the best medical attention possible. Consult only a good, first-class physician.

There are many of the lesser symptoms of kidney trouble which can be treated at home as stated by a well known authority. For some of these, such as backache, pain in the region of the kidneys, weak bladder, frequency especially at night, painful scalding and other urinary troubles, try the following simple home remedy: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. These simple ingredients are harmless and can be obtained at any good prescription pharmacy and anyone can make them by shaking well in a bottle. The dose for adults is a teaspoonful after each meal and again at bedtime.

There is no more effective remedy known to relieve all forms of rheumatism, because it acts directly upon the kidneys and blood. It cleans the clogged up pores in the kidneys so they can filter and strain from the blood the poisonous uric acid and waste matter which if not eliminated remain in the blood, decompose and settle about the joints and muscular tissues causing the untold suffering and deformity of rheumatism.

Backache is nature's signal notifying the sufferer that the kidneys are not acting properly. "Take care of your kidneys," is now the physician's advice to his patients.

ELK DUEL TO DEATH.

San Francisco Zoo Has A Sanguinary Contest Sunday.

SAN FRANCISCO, Nov. 2.—The good record of the animals composing the zoological department of Golden Gate Park has been broken by two of the elk, which, without warning engaged in a bloody duel that compelled the destruction of the vanquished. The loss of the elk paddock, however, is the gain of the museum, which will be enriched by a magnificent stuffed head, bearing a noble pair of antlers.

The elk, since their arrival at the park have been uniformly well behaved and the fatal fight was preceded by no warning. One of the bulls made a sudden attack on another and for some time the antlers were used with advantage to neither. Then one of the animals weakened and fled to a corner, where he made a last stand. The fight ended when the weaker elk went to the ground and the conqueror gored him twice, tearing great holes in the tough hide and the flesh beneath. The park authorities learned of the duel only in time to drive the victory away. The wounded elk was so badly injured that he was shot.
