Three events were on the horse racing card yesterday: the 2:14 trot, 2:22 pace and 2:15 pace. The time in both pace races was fast and there were many good heats. The summary follows:

Eastern Teams Are Predominating in Entries for Polo

New York, July 14.—Eastern teams predominate in the entries announced here for the polo association championship tournament which is scheduled to begin at Narragansett Pier, R. I., next Monday. The Colorado country club team of Colorado, Calif., will represent the Pacific coast and the Aiken Polo club of Aiken, S. C., the southern entries for the three championships are:

What is IT? With New York Life

Aaker's Business College was called up by the New York Life Ins. Co. and asked to supply them with an additional stenographer. Mr. Sadler was sent into the position this morning. Mr. Sadler came to the A. B. C. from another business college and sacrificed some tuition paid in advance in order to avail himself of the better training offered at the A. B. C. Others would do the same if they only knew of the better training offered at the A. B. C.

GRAND FORKS FAIR 'WHERE THEY HAVE THE GOOD FAIRS' I'M GOING, ARE YOU? JULY 25-29

Harry Coveleskie (left) and Stanley Coveleskie.

Harry Coveleskie, star twirler with the Detroit Tigers, and Stanley Coveleskie, the youthful pitching wonder with the Cleveland Indians, are brothers, and perhaps as remarkable as the game has ever known. Both of them promise to make records this season in their twirling and may have much to do with settling the pennant battle.

CLUB THAT SUPPORTS OUMMET DROPPED BY THE NATIONAL BODY

Boston, Mass., July 14.—It was learned yesterday that the Woodland Golf club of Newton, which supported its members, Francis Oummet, J. H. Sullivan, Jr., and Paul Tewksbury, who were declared ineligible to amateur standing by the United States Golf association, has been stricken from membership in the national body.

The club has had an associate membership in the national association and applied recently for active membership. Formal notification of the national body's action has been served upon club officials, but no reason for it has been given. It is understood that Oummet, Sullivan and Tewksbury were declared by the United States Golf association several months ago to have lost their amateur standing because of their business connections. Oummet and Sullivan are proprietors of a sporting goods house and Tewksbury is a salesman of such goods.

LEAGUE BALL IN ENGLAND. Newly Aroused Interest Results in Formation of Eight Clubs.

London, July 14.—Baseball has gripped England and is now being played in many parts of the country before the eyes of the general public. The presence of Canadian soldiers, including a team of American residents in London, have been organized to form the Military Baseball league.

MISS SMITH WINS. Chicago, July 14.—Miss Mildred Smith of the Evanston Golf club yesterday won the invitational tournament of the woman's western golf association at the Beverly country club by defeating Mrs. Melvin Jones of Glen Oak, 3 to 2. The golf displayed in the final was of the same championship type that has marked the meet from the qualifying round, in which Miss Laurie Kaiser, Missouri, champion, led the field with a record breaking 84. Miss Smith approximated 83.

Not as much is now said about war indemnities in Europe as was heard when the war began. The expected soft snaps of conquest have ceased to appear as alluring as they seemed at first.

Columbus, July 14.—Columbus took yesterday's game from Milwaukee 3 to 2 in thirteen innings. It was a stubborn pitching battle until the last inning. The losers took a two-run lead when Kraft, after Crichlow had been hit with the ball, drove a home run over the right field fence. With one out in the Columbus half, Leonard Bradley and Chappelle made singles for one run. Pitcher Hovik was removed, Young pitched one ball to Demmitt and claimed a sprained ankle. Faeth being allowed to replace him. Demmitt then settled the game with a drive against the right field fence. The score:

LEVANSKY HAS BEST OF DILLON IN TEN ROUNDS OF FIGHTING

Baltimore, Md., July 14.—Jack Dillon of Indianapolis and Battling Levinsky of New York, light heavy-weights, fought a 10-round no-decision bout at Oriole park here yesterday. The New Yorker outpointed the Hoosier in all but the first and sixth rounds, in which Dillon had a shade the better of it, and the fourth, which was even.

The bout originally was intended to go fifteen rounds to a decision, but the comparatively small attendance brought about a lengthy discussion between the backers and promoters which resulted in a compromise. It was announced the fighters had waived their guarantees and had agreed to a 10-round exhibition with no decision. The men fought somewhat cautiously during the first three rounds. There was some rough work in the fourth session when Dillon forced the fighting and tried for a knockout. Levinsky met him at his own game, however, and both men hit and missed in equal proportion.

Dillon kept trying for a knockout in the fifth and sixth rounds, but Levinsky's speedy left made him miss many blows.

AMERICAN LEAGUE

New York, July 14.—New York regained the lead in the American league race yesterday by winning the last game of the series from Cleveland 6 to 3. Shawkey, who lost the first game of the series, was knocked out of the box in the sixth inning, when the Yankees won the game by scoring three runs on Hartzell's base on balls. High's pinch-hitting triple and Pipp's sacrifice fly. A threatening storm delayed the start of the game and rain fell from the sixth inning until the game was stopped in the eighth with New York two outs, and two runs scored. The last three innings were played in semi-darkness. Score:

Washington, July 14.—Detroit made it three out of four by defeating Washington yesterday 3 to 1. Wingo's triple which went through Barber, Foster's error, a pass and Heilmann's double gave Detroit its runs. Washington was unable to hit New York's seventh inning when Williams' triple was wasted. Washington got its only run in the ninth. President Wilson saw the game. It was the first he had attended since the opening of the season. Score:

Philadelphia, July 14.—St. Louis easily defeated Philadelphia here yesterday 7 to 3. Wingo's triple was very effective, two of the home team's runs being due to errors and the other to the fact that no effort was made to prevent La Jole from scoring in the ninth. Pich was spiked on the foot while touching out Johnson in the third inning and Rowe took his place. Score:

Cashion gave ten bases on balls, hit three batters and yielded two doubles and nine singles. Five errors were made behind him. Derrick's play at shortstop featured the Indianapolis defense. He accepted thirteen out of fourteen chances, many of them difficult. The score:

Third Round Matches at the Central States Meeting Ended Thursday

Columbus, Ohio, July 14.—The third round matches in the central states golf tournament were all closed Thursday morning. Brilliant playing was the rule. At the end of the first eighteen holes W. H. Diddel, of Crawfordville, Ind., lead with Hunter of Detroit, by two holes.

Robert Stranahan, of Toledo, had the same lead over Guy Miller, Detroit. At the fourth hole, Frank Southard, of Toledo, was one up on Hunter. The score: H. S. Mead, of Toledo, was two up on C. A. Taylor of Lapore, Ind., at the 12th hole.

CUTSHAW IS STAR AROUND NO. 2 SACK

George Cutshaw.

Brooklyn, N. Y., July 13.—George Cutshaw may not be leading the National league with the stick, but a look at his performance makes it seem that he is one of the most important players in the league. The Brooklyn Dodgers are making a nice stride for the pennant and Cutshaw's work around second and on bases has had lots to do with the pep the team has shown.

Just now George is the favorite of the Brooklyn fans. If he is not batting a heavy clip he gets more results than many a player hitting beyond 300. He seems able to land a pass whenever he wants one and has the average twirler bluffed with his rep as a pinch hitter. The old gag that a star at second is a prime essential with a pennant winner is pretty well shown in Cutshaw's help to the Dodgers.

This is George's fifth season with

LAST GAME OF FIRST SERIES

City League Will Arrange Another Schedule—Two Are Tied Up.

The last game of the present schedule of the City Amateur Baseball league will be played at Riverside park this evening between the McGuire-Monley and Tri-State-Ontario teams. Two teams are now tied up for the first position. They are the Y. M. C. A. and the Red River Power company-Court House and if the McGuire-Monley aggregation win today it will also go to the top. A series to decide the winner if the three are tied will be arranged later, and if but two are to contest the game will probably be played within a day or two.

FINALS IN DEVILS LAKE TOURNEY WILL BE PLAYED TODAY

(Herald Special Service.) Devils Lake, N. D., July 14.—The final games in the big baseball tournament that is being held here will be played today when Cando and Stark-weather clash this afternoon for first place and a purse of \$700, and this evening between Peck and Brinsmade play for third money.

Yesterday Cando won from Brinsmade in a sensational battle by a score of 4 to 2. Stark-weather defeated Peck 6 to 3 in a loosely played contest.

COHN NEW INDIANA COACH.

Former Colby College Track Trainer Signs One-Year Contract. New York, July 14.—Harvey Cohn, former distance runner of the Irish-American A. C., who recently resigned as trainer at Colby college, yesterday announced his appointment as track coach at the University of Indiana at Bloomington, Ind. Cohn's contract calls for a one-year term, beginning in September. He succeeds C. C. Childs, former New York A. C. hammer thrower and who won third place for the United States in the sixteen-pound hammer throw at the Stockholm Olympics.

Indiana is a member of the western conference, or big nine, and in past years has been represented by some good athletes. Childs, who had been coach at Indiana for two years, left just before the last big nine track and field championships in June, and negotiations with Cohn were opened immediately.

Cohn had a brilliant career as an amateur long distance runner. He represented the United States in three Olympic meetings, 1904 at St. Louis, 1906 at Athens, and 1908 at London. He started at Colby with the old Star A. C., but bore the colors of this noted organization only a short time when he jumped to the Irish-American A. C., and until he turned back his amateur card he continued to represent the Conway club.

The Hoosier's new trainer had only mediocre material at Colby with which to make a successful team, but his men showed fine form in the last two Maine championship meets.

Was a Real Expert. "Why do you call Bliggins an expert accountant?" "Because of his assumptions of extraordinary wisdom. There isn't any phenomenon in the universe that he doesn't assume to be able to account for."
