LARGE SQUAD WILL REPORT

Gill Expects Big Turnout of Candidates for Early Practice.

Coch Andy Gill of the University of North Dakota football team expects a big turnout of candidates on the first day of early practice, which will be September 18. The calling of the gridiron men at least a week before the university session opens in the fall has now become a part of the regular football season and its success has been demonstrated beyond a doubt.

The early work is confined to conditioning alone, but as it gives a week longer for whipping the team in shape before the first game it is worth every effort that is expended. Most of the veterans will be on the ground for the first day and it is expected that a large part of the second team and a number of new men will also appear.

A good many of the last year's eleven have footballs at home and the kickers will appear in pretty good condition. A number have also been playing baseball all summer and they will not need much preliminary work. The squad worked into condition in a short time last year and it is not expected that it will take as long this fall.

Prospects for a winning eleven were never better at this time of the year. All of the veterans except three will be back to take their places on the team, while a number of high school stars and men from other schools will report.

No selection of an assistant coach has been made as yet, but that will be done before the opening of the season.

NATIONAL LEAGUE

New York, Aug. 2.—After being shut out in three successive games, Pittsburgh rallied here yesterday and broke New York's winning streak by taking a ten-inning game 4 to 3. Schupp allowed only one hit in seven innings after relieving Anderson, and that one lost him the game. Hinchman tripled with one out in the tenth, Knuff getting only one hand on the ball, and scored on a fielder's choice.

Brooklyn, Aug. 2.—Nap Rucker was taken off Brooklyn's disability list yesterday and went to the rescue of Dell, obtaining credit for the victory over Cincinnati 5 to 2. After two runs were scored in the fourth inning, Rucker relieved Dell with the bases full and only one out, and prevented further scoring. Brooklyn batted Mitchell hard.

St. Louis, Aug. 2.—St. Louis won from New York 3 to 2 in fourteen innings yesterday. St. Louis scored the winning run when Sisler singled, took second on Pratt's sacrifice and scored on Marsan's single.

Cleveland, Aug. 2.—Boehling's ineffectiveness and lack of control in the second inning allowed Cleveland to win 6 to 1. Washington made nine hits off Coveleskie but would have been shut out but for a low throw by Chapman in the ninth.

Detroit, Aug. 2.—Boston made it three straight from Detroit yesterday, winning 6 to 2. The game was decided in the eighth inning when James, who pitched fine ball up to that time, hit Barry after Hooper's error. A double scratch single Lewis bunted and before the side could be retired four men scored. Shore was retired in the seventh on a fly ball, with the score 3 to 1. Murray and Bolland Roberts, all of San Francisco.

The order of play follows: Friday, August 4, 2 p. m., Griffin vs. Church; Murray vs. Niles or Washburn; 3:30 p. m., Davis vs. Behr; 4 p. m., Johnston vs. Williams. Saturday 1:30 p. m., Williams and Church vs. Davis and Murray; 2:30 p. m., Robert vs. Bell, Washburn or Niles; 4 p. m., Alexander and Behr vs. Johnston and Griffin.

AMERICAN LEAGUE

Chicago, Aug. 2.—Chicago cut down Boston's lead when they won a double-header from Philadelphia 3 to 0 and 3 to 2, while Boston won from Detroit. In the first game Russell's fine pitching, with good fielding, prevented the visitors from scoring while the locals bunched hits off Nabors. Scott started the second game but was unable to hold the Athletics and was succeeded by Danforth in the fourth inning.

The locals won as a result of Myers' wildness coupled with opportune hitting.

SINGLE G WINS FREE-FOR-ALL

Pacer Travels Mile in 2:00 on Kalamazoo Track Yesterday.

Kalamazoo, Mich., Aug. 2.—Single G won the free-for-all pace feature of the Grand Circuit races here yesterday afternoon and in doing so paced the fastest mile ever negotiated during a race on a Michigan mile track. His time for the first mile was 2:00, while the average for the three heats comprising the contest was 2:00 2-3, making it the fastest three-year-old trotter ever seen in Michigan.

Hardly less interesting was the return of "Pop" Geers to the sulky. The grand old man drove his first race of the afternoon when he was in straight heats with opponents on the injury received two weeks ago at North Randall track.

Seven Starters. There were seven starters in the pacing class. The field went away fast and Gosnell's pacer won the first heat by a neck in a magnificent flight of speed down the stretch. Harold's Creek (Engelman) was second and Napoleon Direct was third.

In the second heat Single G led to the half in 1:01 1-4 and then the pace quickened. Geers was determined and let Napoleon Direct get out in front and managed to win the heat and pass him fifty feet from the wire.

The third heat was another battle, but Single G was equal to the task and managed to win the heat and pass him fifty feet from the wire.

The last half was paced in 59 1-4 seconds. The time for the mile was 2:00 3-4. The other three races of the afternoon were won in straight heats by the favorites. Box R captured the 2:11 pace; Bingen Silk took the Columbia hotel sweepstakes for three-year-olds trotters while Harold's Creek took the Recreation Park sweepstakes for three-year-olds eligible to the 2:18 class.

Does every Owl look exactly like every other Owl?

Of course not. The Owl isn't shaped in a mold. And no machines play a part in its making.

Cigars that are shaped in a mold look exactly alike but they seldom smoke alike. A mold has the tendency to "pack" the filler (inside tobacco) too tight for easy draught.

When a machine plays a part in making a cigar, the wrapper is often put on too tight. When this happens the easy draught is destroyed.

The Owl is made by hand. Hand workmanship is sure workmanship. Trained fingers lay the tobacco together at just the right snugness and make the Owl

- a more easy drawing cigar
- a more even burning cigar and
- a better tasting cigar because the cigar does draw easily and burn evenly.

You will always get a hand-made cigar if you ask for the Owl Cigar.
