

SHERWOOD NEW CASHIER OF THE NORTHERN STATE

Iowa Man Arrives Today to Assume Position Left Vacant by C. W. Ross.

George G. Sherwood, for years cashier of the Benton County State bank of Blairtown, Ia., arrived in Grand Forks this morning to assume his duties as cashier of the Northern State bank. Mrs. Sherwood and family will remain in Blairtown for some time before moving to Grand Forks. Mr. Sherwood assumes the position left vacant several months ago when C. W. Ross, cashier up to that time, retired to assume the secretaryship of the F. S. Sargent company.

Mr. Sherwood is a bank man of wide experience and comes to the Northern State from one of the largest and most influential banks in Cedar Rapids and vicinity. He formerly was a printer and newspaper man, but for a number of years has been engaged in banking work. There is no doubt that he will do much toward maintaining the efficient service for which the Northern State bank is noted.

The Mount Vernon Hawk-Eye, one of Iowa's best papers, had the following to say of Mr. Sherwood's departure: "George G. Sherwood, a Mount Vernon boy, who made his entry into business life by learning the printer's trade in the Hawk-Eye office, later going to Blairtown, where he has been successfully identified

with a leading Benton county bank, has again advanced. Mr. Sherwood has accepted the position of cashier of the Northern State bank at Grand Forks, N. D. This is a bank with a capital of \$100,000 and deposits of a million and a quarter, doing a prosperous business in a city of over 15,000 population. This is a position of responsibility and opportunity, as well as a desirable one from a personal business standpoint, but Mr. Sherwood's life long friends here, knowing of his ability, high standards of integrity and ambition of sound type, have every confidence that he will 'measure up' to requirements. In noting Mr. Sherwood's continued success, the Hawk-Eye will be but voicing the general appreciation and measure of esteem in which he has been held here, where his steady rise in business has been noted and attended with genuine interest and good will."

RAPID PROGRESS MADE ON BANK BUILDING

Work of Constructing New Office Apartments on First Floor Has Commenced.

Rapid progress is being made by the contractors who are remodeling the First National Bank building at the corner of Third street and DeMers avenue. The work of tearing down the fixtures and partitions on the ground floor has been completed and from now on, the installation of the new interior furnishings will be taken up.

It is expected that the entire banking apartments will be ready for occupancy in about two months. Much of the furnishings have already arrived and will be installed as soon as the redecorating is completed.

The bank offices are now located in the basement apartments with the entrance on DeMers avenue. The entrance to the building also faces on DeMers avenue.

Not only will the interior of the structure be improved but many changes will also be made in the exterior.

LIEUTENANT HAGEN GOES TO ANNAPOLIS

Brother of Chris Hagen, of This City, to Do Special Electrical Engineering Work for Navy.

Lieutenant Ole O. Hagen of the United States navy, a brother of Chris Hagen of this city, has been transferred from a battleship now doing duty in Mexican waters to the electrical engineering service at Annapolis. He will spend a year doing special electrical engineering work for the government at the naval academy, after which he will do similar work at Newport.

Lieutenant Hagen has many friends in this city and Crookston, his former home. Since receiving his commission as a lieutenant, he has made rapid progress in the navy.

BIG CAMPAIGN HAS STARTED

Financial Institutions to Carry on Mammoth Project—Committee Meets.

J. R. Carley, cashier of the First National bank of this city, has returned from Fargo where he attended a meeting of the thrift committee of the North Dakota Bankers' association.

An extensive campaign has been planned by the American Bankers' association, to be directly governed by the state organizations. The committee, comprised of W. S. Adams, cashier of the First National bank at Lisbon, chairman; J. R. Carley, cashier of the First National bank of this city and H. Aamoth, cashier of the American National bank of Valley City, took up the preliminary preparations for North Dakota.

Nothing definite has been decided upon as yet, but it is expected that complete details will have been arranged within the next month. It is now reported that the plan to carry on the campaign has been selected after long deliberation and it is believed to be certain that it will be the most successful of the kind ever inaugurated by the financial institutions of the country.

The campaign will not be a mere state affair but will embrace the entire country. Every banker in the United States who is a member of the American Banking association, will assist in making the affair a success.

LOGAN FUNERAL WEDNESDAY P. M.

Former Resident of This City to be Laid to Rest Tomorrow.

Funeral services will be held tomorrow afternoon at 3 o'clock over the remains of Alfred E. Logan, who died in a local hospital Wednesday evening, following a long illness which lasted for several months. Mr. Logan was formerly proprietor of a local cafe, but for the past five years has made his home in Calgary, Canada.

The services will be held at the Masonic temple with Rev. J. K. Bursleson officiating, and interment will be made in Memorial Park cemetery.

Alfred Logan was born in Tatum, N. S., July 27, 1868. He moved to this city about 25 years ago, coming here from Duluth. He became one of the prominent residents of the city and made many friends throughout the entire state.

Besides his wife, who arrived in the city but a few hours before his death, he is survived by one sister, Mrs. G. J. Beattie, of Boston, Mass.

TWO WOMEN ORDERED TO LEAVE CITY TODAY

Police Raid House in Residential Section of City—Women in Jail Over Night.

Charged with disorderly conduct, Mrs. Marie Jacobs and Mrs. Sadie Sattler of this city were taken before Justice of the Peace R. J. Purcell this morning.

The two women were arrested last evening by local officials while enjoying a beer party in a house in the residential section of the city. Officials claim that the two women have been under surveillance for some time past and that they have been warned to leave the city.

At the hearing held this morning, Judge Purcell ordered the women to serve 30 days in the county jail or leave the city within 24 hours. They chose the latter punishment and promised to leave at once.

M'LAUGHLIN IMPROVING IN LOCAL HOSPITAL

Former Great Northern Superintendent of This City May Leave Within Week.

C. E. McLaughlin, who for the past five years has been the superintendent of the Great Northern railway of this city, and who has been confined in a local hospital for several weeks, is reported to be improving rapidly and will be able to leave the hospital within the next week or ten days, it is expected.

Mr. McLaughlin has been transferred to Minneapolis where he will resume his connections with the Great Northern in a similar capacity.

AUTOISTS URGED TO USE LIGHT DIMMERS

Many Accidents Have Been Narrowly Averted Through Carelessness of Drivers.

Automobile drivers in Grand Forks and vicinity have been asked by officials to adopt the use of the dimmers both within the city limits and in the rural districts. Many drivers claim that cars traveling at a terrific speed on the narrow rural highways, neglect to slacken speed or use their dimmers when passing other machines.

When the bright lights of an approaching car flash in the eyes of the other driver, it is impossible to see the road and the danger of an accident is greatly increased. In order to prevent serious injuries, officials are now urging the adopting of more safe and sane methods.

A soft answer turneth away wrath, but you have to hit the bill collector with a brick.

O. J. SORLIE RECOVERS CAR

Officials Find Ford Machine on Road Near Hope—No Trace of Thief.

The Ford runabout, owned by O. J. Sorlie of Burdick, which was stolen from in front of the Normandin Publishing company plant on Kittson avenue, Tuesday evening, was found last evening along the road side near Hope, N. D.

The machine had been deserted by the thief who had forced it to negotiate the highways until the fuel supply gave out. According to farmers and residents of the villages in the district where the machine had passed through, the thief knew but little about driving a car and was unable to keep it in the road.

The car was damaged to some extent, but it is in good enough condition to be driven back. No trace of the thief can be found, although efforts have been made by practically every officer in this section of the state to apprehend him. The authorities are anxious to capture the man, as it is believed that by making an example of one automobile thief, the seizure of cars will be discontinued.

SCHOOL BOARD HOLDS MEETING

No Selection of Materials Made—Changes Made in Textbooks.

At the regular monthly session of the Grand Forks school board held yesterday afternoon at the city hall, the regular routine business matters and bills were disposed of. The revision of text books for the arithmetic, language, spelling and geography was taken up, resulting in the adoption of later books for these departments. The changes to be made necessitate the purchase of many new books, but the old ones will be turned in and no additional expense will be added for the students.

The selection of material for the new high school to be constructed in Grand Forks was not taken up, as Gray of the Gray Construction company, successful bidder, was not present. A meeting will probably be held during next week when the matters relative to the new structure will be taken up.

The members of the buildings and grounds committee who are inspecting buildings in the twin cities and visiting at the Indiana quarries, have not returned to the city as yet. The board now awaits the report of this committee before reaching a decision.

THREE LAND TRANSFERS FILED WITH REGISTER

Rural Quarter Section and Local Lots Are Purchased—Deeds Recorded With Register.

Three land transfers were filed at the office of Register of Deeds A. M. Leland this morning as follows:

August F. Nienas and wife to Arnold F. Nienas, the northwest quarter of section 11, Union township, for a consideration of \$5,000.

E. J. Lander and company to Martin Johnson, lots 18 to 22, block 31, Lindsay's addition to Grand Forks for a consideration of \$375.

E. J. Lander and company to Tollif W. Bakke, lots 13 to 17, block 31, Lindsay's addition to Grand Forks for a consideration of \$375.

MRS. H. G. STEWART SUCCUMBED TODAY

Prominent Local Woman Died This Morning—Ill for Short Time.

Mrs. H. G. Stewart, 513 Cheyenne avenue, who has been seriously ill for the past several weeks, died at 6 o'clock this morning.

Mrs. Stewart has made her home in this city for the past ten years and has many friends here. She is survived by her husband and three sons. Mr. Stewart is a dispatcher for the Great Northern railway.

Funeral arrangements have not been completed, but it is expected that the body will be shipped to Dundas, Minn., near St. Paul, where interment will be made.

MINNEAPOLIS PREPARES FOR COMING OF HUGHES

(Herald Special Service.)
Minneapolis, Minn., Aug. 3.—Minneapolis will be gay with flags and bunting when Charles Evans Hughes comes here Wednesday, August 9. Chairman Fred B. Sailer of the general committee and E. E. Atkinson, chairman of the committee on decoration, today began work of notifying Nicollet and Hennepin avenue merchants and proprietors of business places located on the cross streets that the opportunity will be a good one for display of the national colors. Mr. Hughes will speak from a stand on the parade grounds.

NEW ADVERTISING AGENCY IN CITY

Meyers Service Bureau Latest Organization in Grand Forks—J. A. Meyers at the Head.

The Meyers Service Bureau, an organization which handles advertising matter of every description, is the latest business establishment in the city. J. A. Meyers, formerly advertising manager of The Williston Herald, is at the head of the bureau. He has opened offices in No. 6, Improvement building.

Previous to going to Williston, Mr. Meyers was engaged in advertising work in Canada.

QUIET IN STRIKE.
Roelands, Ill., Aug. 3.—Quiet prevailed here today in the strike of 2,000 miners. No more deputy sheriffs have been sworn in and unless more serious disturbances occur, it is improbable another appeal for state troops will be made.

FARMERS CUT GRAIN FOR HAY

Wheat Fields Being Mowed Down and Will be Fed to Cattle—Rust is Cause.

Wheat experts throughout this section of the northwest declare that the crop this year will be practically a total loss and that the ravages of rust has forced the farmers to cut their grain to use it for hay. Hundreds of acres have already been mowed down to be used for feeding purposes, according to the experts.

A few fields have not been badly damaged, claim dealers, but in only a few sections of the northwest, will any profit be realized from wheat. Farmers brought samples of the wheat stocks to the city this morning.

EFFORTS ARE MADE TO SETTLE STRIKE

New York, Aug. 3.—Further efforts were made to settle the lockout and strike which virtually has tied up the garment industry in this city for three months. A tentative agreement will be submitted to the workers and if they accept it officers of the union asserted it probably would be ratified by the manufacturers.

Both employees and employers are said to have been stirred to action by the appointment of a federal mediation board.

With the possibility of a settlement, the manufacturers deferred opening their shops today, as they had announced they would do, regardless of the strikers.

Herald Want Ads Bring Results.

"On Thursday I receive my friends, I've nothing else to do."

NO make-believe re-resnements—good milk and Kellogg's Toasted Corn Flakes. Children love to share the things they like best with their chums.

You always hear them shout "Goodie!" when they get a big dish of Kellogg's.

Packed Waxtite—Look for this signature.
